Historic and Cultural Assets Report to Highlight Orange County Supervisors Meeting at LOW November 9

Once a year, the Board of Supervisors moves its meeting to the LOWA Clubhouse; this year it is Wednesday, Nov. 9 at 6 PM. All LOW residents are encouraged to attend. There will be a presentation by Zann Nelson on the inventory matrix she developed of historical and cultural assets within the area covered by the Germanna Wilderness Area Plan.
President’s Letter
by Larry Morlan

“Always remember, you are absolutely unique, just like everyone else.” Margaret Mead

It is almost time for Halloween. I urge everyone to be safe on this holiday and to watch out for the children.

The committee planning the activities for the 50-year celebration for Lake of the Woods is hard at work and will soon be ready to announce the exciting schedule of events they have developed. I know they have talked to all committee members and related groups within the lake asking how they would like to be involved; have developed a soon-to-be-released logo; have activities planned for young and old alike throughout the year; will soon be seeking volunteers to help with the various activities; will be placing a display in the James Madison Museum in Orange; and are having a great time working under the leadership of Jon Anderson and Melanie Parmelee.

Speaking of volunteers, association committees are always on the lookout for individuals to become committee members. Elections, Community and Youth Activities, Maintenance and Ecology, Legal and Compliance, and ECC offer opportunities for anyone who might be interested in serving. We have 21 committees, so there are lots of choices. Pick up an application in the Holcomb Building.

And of course any time we speak of volunteers, I want to encourage individuals to look into volunteering for Fire and Rescue. The community is lucky to have this skilled and valuable unit so close to help when needed (contact Simon Gray). Also, LOWLINC needs volunteers (contact Jeff Flynn).

Last week, the General Manager and I, along with Orange County Supervisor Lee Frame, had the opportunity to sit down for dinner with Virginia Senator Bryce Reeves and Delegate Nick Freitas and members of their staffs to discuss issues related to Lake of the Woods. We talked about HOA legislation in general, aquatic invasive species, the blinking yellow light on Route 3 and Lake of the Woods Way, our private dams, and disaster relief legislation as might be applicable to LOWA. We also asked our two representatives to give us a call if there was anything we could do to help them. It was a very productive session and I came away feeling very good about our representation through these two men. Thanks to our Chair of External Affairs Committee, Doug Rogers, for arranging the event.

I need to comment on an item recently circulating on Facebook. It implied that directors sign a confidentiality document and thereby keep things secret. That is as far from the truth as anything on Facebook has ever been. (Election working under the leadership of Jon Anderson and Melanie Parmelee.

General Manager’s Column
Turn Lane Project Begins in November
by Phil Rodenberg

Have you seen red paint markings on our side of the Route 3 intersection at the LOWA front gate? That is evidence VDOT has begun the left turn lane/flash yellow arrow project. The first construction work involves installing underground conduit. Members will also see the pouring of new concrete bases for a new signal base and arm and a new control box. I anticipate seeing a VDOT crew working by the first week in November, with completion by May 2017. Director of Facilities Jessie Graves and I recently met out in the field near the intersection with Alan Saunders, the VDOT Louisa Resident Engineer, his project manager and VDOT and contractor foreman. On a related note you may have seen the new Visitor Lane sign we posted to help steer visitors to the left lane. We removed an older sign closer to the guard gate that had become weathered.

Pickleball. Google “Pickleball” and you will see it is one of the fastest growing sports in America. LOWA hosts pickleball on a small scale inside the Community Center and outside at a court off Shoosmith Drive near the county compactor. The need for courts is much greater, and so I’m proposing in the upcoming capital budget to use planned tennis court renovation funds to convert two lighted tennis courts, Courts 1 and 2 at Hollyfield Park, to four to six pickleball courts. This will essentially mean we have a Racket Sport Court with tennis and pickleball. Please let me know what you think of this idea as we move into budget review season starting in November through February. Write to me at G Moffice@LOWA.org.

Sweetbriar Pool. On Oct. 20, LOWA hosted pool builders who are interested in bidding on the new Sweetbriar Pool project. Builders noted the tight project construction window relies on good cooperation from Orange County in plans review and approval. We began that process this week by reaching out to the county to let officials know plans will be coming their way in November-December. Bids are due to LOWA on Nov. 1, and I anticipate the Board will award a construction contract to the Nov. 15 board meeting. Target for opening the pool is May 2017 in time for the Memorial Day Weekend.

County Waste Pickup Information
County Waste holds the exclusive license for trash and recycling pickup in Lake of the Woods. Lake Currents attempts to publish its schedule, as a service to members who use the company as their trash pickup agent. However, we depend upon the company-provided information in issuing updates to the normal schedule. We recently published an incorrect pickup date for the week beginning with Columbus Day. Lake Currents apologizes for any member inconvenience caused by our inadvertent error.

dence to the board. This ensures a response does go out. (If all board members replied, it might be construed as an official vote or a quasi-board meeting.) All actions of the board and discussion on topics before the board are carried out in open meetings and we invite one and all to come to the meetings.

Thanks to the realtors for the open house held for Lake of the Woods on Oct. 16. There was an abundance of visitors to the lake looking at the available homes and lots. I was at the clubhouse the entire time greeting visitors at the door. Leighton, Bob and Jennifer were moving about the room helping our visitors. Let’s hope some of these people may be joining us as new residents.

My last letter mentioned that an individual’s name needed to be on a deed to be a member but failed to mention that beneficiaries of trusts have the required “legal and equitable” interest in a property and thus qualify to be members.

One final item: Thanks to all the volunteers who helped stuff the envelopes for the mailing for the special run-off election and to Nancy Undari for stepping up to head the Elections Committee during this process. And of course———REMEMBER TO VOTE.

Tree Removal Requests
by John Walker, Chairman, ECC

As of Nov. 18, the ECC will not be accepting any tree removal requests (live or dead) until the spring. The exception to this would be if a tree or trees present a hazard or danger to the lot owner or his/her property. If you have any questions, please contact the ECC office at 972-2211.

Board Adopts Amendment to LOWA Bylaws:
Article VI: Nominations and Elections of Directors

Adopted by LOWA Board of Directors Sept. 21; effective that date

This change affects the required schedule for submitting election-related documents when the deadline date falls on a weekend or holiday

New language is in bold italic

Article VI. Nominations and Elections of Directors

Section 1. Nominating Committee. The Board of Directors shall establish a Nominating Committee whose duty it shall be to solicit and present candidates, for formal acceptance by the Board, for the general election to fill Board vacancies for terms expiring in September of each year, and for vacancies for unexpired terms.

Section 2. Nominations by application. Candidates must submit their applications to the General Manager’s Office no later than 4 PM on April 30. In years when April 30 falls on a weekend, candidates must submit applications by 4 PM on the next business day. Within three business days of receipt of a candidate’s application, and confirmation of the candidate’s good standing, the General Manager will publish the name of the candidate on the Association Website, on the Association cable television channel, and on the Holcomb Building Member Services bulletin board.

Candidates must use the standard candidate application form that is available at the Holcomb Building or on the Association website.

Section 3. Nomination by Petition. Candidates may also run for the Board of Directors by submitting a petition signed by at least 250 Voting Members who are eligible to vote in the election, one signature per lot. Petitions must be submitted to the General Manager’s Office no later than 4 PM on May 15. In years when May 15 falls on a weekend, petitions must be submitted by 4 PM on the next business day. All approved nominees shall be given the same rights and privileges during the election process as those nominees who are recommended by the Nominating Committee and accepted by the Board. Within three business days after the validation of a candidate’s petition, and confirmation of the candidate’s good standing, the General Manager will publish the name of the candidate on the Association website, on the Association cable television channel, and on the Holcomb Building Member Services bulletin board.

Candidates must use the standard petition form that is available at the Holcomb Building or on the Association website.

Section 4. Submission of Candidates. The Nominating Committee shall ensure that the list of candidates shall be received by the Board no later than 4 PM on May 31. In years when May 31 falls on a weekend or holiday, the committee shall ensure the list is received by the Board by 4 PM on the next business day. Committee shall endeavor to present a list of qualified candidates that number no fewer than the number of vacancies plus one. The Board shall accept the slate of nominees and announce the names of the nominees at the first Board Meeting in June.

Section 5. Elections. An Elections Committee shall be established by the Board of Directors to complete all the responsibilities required in the Elections Charter, procedures required for the election process for Directors, as well as a referendum or any other election process where a vote of the Members is required. The Committee Chair shall request assistance and coordinate with the General Manager and the Board Liaison for those tasks requiring assistance from the Board and staff. Election to the Board of Directors shall be by secret written ballot. The Association Secretary, Director of Finance, and the Chair of the Elections Committee shall validate that the Voting Members are in good standing.

No ballots or proxy ballots shall be accepted after the close of the election at the Annual Membership Meeting. The Elections Committee shall count the votes at the close of the election. A recount of the votes shall be required if there are twenty (20) or less votes between candidates when the outcome could change the results of the election, and shall be done immediately following the first count. In the event of a tie, a drawing of names will be conducted and the first name drawn shall be declared elected to the Board.

The Elections Committee will list the names of the candidates for three-year terms in the order of the number of valid votes received by each, and then, in like manner, the names of any candidates to fill unexpired terms. The Board of Directors shall certify the election of those candidates in the order of the numbers of votes received. The results of the election shall be submitted to the President and the General Manager when the count is completed.
Meet the Board Secretary
by Jennifer Zukowski

As Board Secretary, it is my job to respond to member emails. If you write the board at Board@LOWA.org, I will be the one to answer. I will be at Fareways Café in the Woods Center on Monday, September 9 to 10 AM starting Oct. 31. Please stop by and say hello.

Jennifer Zukowski

Pools Committee Seeks Members
by Marty Caldwell, Chairman, Pools Committee

The Pools Committee is looking for a few good men and/or women to serve as alternates on the committee. We have some exciting things coming up in the next couple of years. Our new Sweetbriar Pool will come on line in 2017 and hopefully the new Clubhouse Pool in 2018. We meet on the second Tuesday of the month at 7 PM in the Community Center. The next meeting will be held on Nov. 8; please note we will meet in the Woods Center for that meeting only.

Application forms are available at the Holcomb Building or online at LOWA.org. We are looking forward to meeting interested participants.

Legal and Compliance Committee Seeks Members
by Gary A. Reese, Chairman, Legal and Compliance Committee

The Legal and Compliance Committee (LCC) invites members of the Lake of the Woods Association to consider applying for membership. The LCC is the committee charged with enforcing the rules and regulations of the Lake of the Woods Association as adopted by the Board of Directors. These include most of the traffic laws of Virginia. The committee meets on the third Wednesday of each month at 7:30 PM with hearings beginning at 8 PM at the Woods Center. Its docket usually consists of between 70 and 130 cases with up to 10 actual hearings.

The Committee includes seven voting members who vote by secret ballot on the disposition of citations, as well as alternates. Citations are usually issued by officers of the Security Patrol or by the Environmental Control Committee’s staff. Appeals from the decisions of the Committee are taken directly to the Board of Directors. This committee is one of the four original committees created by the founding documents of LOWA. At present it has only one alternate. If you have any questions, please email the Chairman of the Committee, Gary A. Reese, at greeese67@outlook.com.

Applications for membership may be obtained at the Holcomb Building.

Board of Directors Special Election
by Nancy Undari, Secretary, Elections Committee

“People often say that in a democracy decisions are made by a majority of the people. Of course, that is not true. Decisions are made by a majority of those who make themselves heard and who vote — a very different thing.” Walter H. Judd, Politician and Missionary

Have you voted in the Board of Directors Election (run-off)? There are only a number of days left to do so. Make your voice heard; vote for the candidate of your choice.

There are three candidates running to fill the vacancy for the remainder of a one year term: Carl Clawson, Brian Smith and Michael Tait. Hopefully you have taken the opportunity to acquaint yourself with the candidates by having read the biographies included with your ballot.

Please complete your ballot, indicating the candidate of your choice. Your signature and date are required on the ballot in order to be valid. Return it in the pre-addressed envelope by mail or drop it in the ballot box located in the Holcomb Building Member Services area. If mailing, ensure it is received by Wednesday, Nov. 2. Hand-delivered proxy ballots may be brought to Member Services by 5 PM Thursday, Nov. 3, or brought to the Special Meeting of the Membership on Thursday, Nov. 3, at 7 PM in the Community Center. Note: Your designated proxy holder must attend the meeting in person for the proxy ballot to be valid.

If you have lost, misplaced or have not received your ballot, you may request a second one at the Holcomb Building Member Services area. Please present your LOWA membership card when requesting a proxy ballot.

Once again, make your voice heard and vote for the candidate of your choice.

M&E Seeking Volunteers
by Mike Tait, Chair, M&E Committee

The Maintenance and Ecology Committee (M&E) is looking for volunteers who are interested in collecting ideas, concepts and actions related to the maintenance and ecology of Lake of the Woods. Committee members work closely with the Director of Facilities and the Environmental Resource Manager on behalf of the community by sharing ideas related to Association-owned facilities, roads, grounds, equipment and ecology. The committee is involved in both short-term and long-term planning. M&E seeks members with backgrounds in biology, ecology, engineering, construction and landscaping. If you are interested, please fill out a Committee Membership form at the Holcomb Building. The form can also be found at LOWA.org/Administration/Forms/Committee Memberships. (Under “Forms” you will need to scroll down to “Other LOWA Forms” in order to find the Committee Membership form.) M&E meets every third Wednesday at 7 PM in the Maintenance Building. Either the Director of Facilities or Environmental Resource Manager shares a monthly report with the committee, letting members know what projects are underway and where they stand. If you would like additional information, please contact Michael Tait, Chair, at mwtpdh@yahoo.com.

Lions “Tree of Love” Campaign Underway
by Peter Williams, Chairman, Tree of Love Committee

This year’s Tree of Love will be dedicated and lit on Saturday, Dec. 10. That gives you six more weeks from the date of this issue of Lake Currents to make your donations to the Tree of Love fund in memory of family and friends who have passed away or in the names of individuals whom you wish to remember for their kindness or service to you.

Donations are preferred and should be made payable to Lake of the Woods Lions Club (LOW Lions Club, “Tree of Love,” PO Box 605, Locust Grove, VA 22508). Checks are preferred and should be made payable to Lake of the Woods Lions Club Foundation, a 501(c)(3) organization; your contributions may be tax-deductible.

Please mail your contributions with the names of those to be honored to LOW Lions Club, “Tree of Love,” PO Box 605, Locust Grove, VA 22508. Checks received will be honored; your generosity is greatly appreciated.

In 2015, four possible funds were established to be shared among deserving families in Orange County at Christmas time. We thank you in advance for your generosity. In 2016, four possible funds were established to be shared among deserving families in Orange County at Christmas time.

Families interested in having a loved one honored at the Tree of Love should submit the names and information to the LOW Lions Club no later than Dec. 1. Upon request, the LOW Lions Club will provide a reference letter to the honoree to acknowledge the family’s donation and to include the family’s permission to credit them. There is no limit on how many names can be placed on the Tree of Love.

For more information, please contact the LOW Lions Club at (540) 399-9841.

dwellingLIVE Update!
by Roy Mayberry, Controller, LOWA

The Association is working out some final adjustments before implementing our new Visitor Management System, dwellingLIVE. We are still looking at implementation in the next week or two so keep an eye out for communication from LOWA with specifics on the exact “go live” date as well as other correspondence on how to get your account setup and active. We encourage all members to create their accounts and use dwellingLIVE for guest and vendor access.

No Parking on Streets, Please

The Security Force enforces the on-street no parking rule, especially during the overnight shift. Enforcement of on-street parking helps promote safety and helps protect the overall neighborhood aesthetics by keeping vehicles on private lots.

LOWA REGULATION:
VI. USE OF LOW ROADS AND PARKING LOTS
D.1. No parking shall be permitted on roads or shoulders of roads, except for workmen’s vehicles during daylight hours when houses are under construction, and for social gatherings upon prior notice to LOWA Security. Any vehicle parked on the road or shoulder of the road shall be parked so that the vehicle’s right wheels are closest to the side of the road where the construction or social gathering is located. No parking is allowed on curves. (8/17/2011)

Chair, Community and Youth Activities Committee
by Denise Shoemaker, Chair, Community and Youth Activities Committee

Campfire and S’mores was held Saturday, Oct. 15. It was a beautiful night for a campfire. Lake of the Woods families joined the Community and Youth Activities Committee for a campfire and s’mores at The LOW Church campfire site.

If you missed the fun, please join us at Fareways Café Nov. 18 for a Family Bingo Night from 7-9 PM. We will have various prizes to give away! Come out with your kids and grandkids to all of our events and make memories together.

Let the Holidays Begin
by Karen Kovarik, Publicity Chairman, LOW Garden Club

On Monday, Nov. 14, the LOW Garden Club anticipates the holiday season with a wreath workshop. Is anything more welcoming to guests than your front door bedecked with a festive wreath? The results of this workshop last year were so dazzling that it is being repeated. Come, try your hand! It is fun! Gaylen Smoak and Helga Birdsong will lead the program. The club will provide ribbons, greens and decorations, but members are asked to bring a wreath: fresh greens, artificial, or grape. If you have a favorite decoration, you might bring it along for that personal touch.

Art Show Celebrates 34th Year
by Jan Moore, LOWVAC co-chair

It was a lovely, busy weekend at LOW. Thanks to the more than 500 folks who took time out to come to the LOWVAC art show and support this Lake of the Woods Visual Arts Council project, providing funds for school art teachers. Student art exhibits from five county schools added to the colorful display. This year, the Lake Authors Club also exhibited and sold their books.

Nine new residents showed their art for the first time. I spent some time getting to know the newcomers. Frank Kelder, newly-retired, enjoys having time for his life-long hobby, cabinet and furniture making. Frank had some very comfortable deck chairs and a photo display of other projects. Sharon Corner had a large display of crocheted items, including character hats. Delores Franks showed portraits and sold origami ornaments. Martha Marigross had handwoven scarves and capes. She shared that she is also learning to play the Native American flute! Gertrude Schlener shared lovely watercolor paintings. Paul Zembruski is semi-retired but has time for a new hobby. He took a class in Richmond to learn how to use blocks of acrylic to make pens. He had a seam ripper on display only, which attracted orders for Christmas gifts. Melissa Crocker has been writing all her life; short stories and poetry. She was selling her fourth (but first published) novel, Where Has Summer Gone. She explained that her first three novels were “not ready for prime time,” and now has her fifth novel ready. Author Judy Hill also has a new book coming out soon.

Beck Lane, an artist whose work may be seen around our country, and around the world as well, is spending a year living and painting here at LOW. She has a seam ripper on display only, which attracted orders for Christmas gifts. Melissa Crocker has been writing all her life; short stories and poetry. She was selling her fourth (but first published) novel, Where Has Summer Gone. She explained that her first three novels were “not ready for prime time,” and now has her fifth novel ready. Author Judy Hill also has a new book coming out soon.

Pickleball Club Elects Officers
by Greg Stoner, Secretary, LOW Pickleball Club

Meet the new LOW Pickleball Club officers. Front row: Tena Marangi, chairperson; back row (L-R): Bob Spencer, member-at-large, John Cavanaugh, treasurer; Greg Stoner, secretary. Come and play a game of pickleball.

The LOW Pickleball Club recently chose their first officers. The new officers are: Tena Marangi, chairperson; John Cavanaugh, treasurer; Greg Stoner, secretary; Andy Siegel, member-at-large; and Bob Spencer, member-at-large. The LOW Pickleball Club was organized to promote the growth and development of pickleball at Lake of the Woods. The club is committed to further the growth of pickleball among players of all ages and characteristics. Pickleball has developed a passionate following due to its friendly, social nature and its multi-generational appeal. The sport is governed by the USA Pickleball Association (USAPA). Pickleball is celebrating its 51st anniversary in 2016. The sport combines aspects of many sports: tennis, racquetball, squash, ping pong and badminton. The rules are simple and the game is easy for beginners to learn, but can develop into a quick, fast-paced competitive game for experienced players. According to the Sports and Fitness Industry Association (SFIA) 2016 Participation Report, there are about 2.5 million participants in the US. Projections are to have eight million players worldwide in a few years. Pickleball at LOW can be played indoors in the Marion Pronk Hall at the Community Center and outdoors near the compactor site. There are three levels of participation here at LOW: Beginners/Novices, Intermediates and Advanced. Beginners/Novices play M-W-F from noon to 1:30 PM with Thursdays from noon to 1:30 PM reserved for Teaching/Practice for Beginners. Lessons are free and paddles are provided. Intermediates play M-W-Th-F from 1:30 PM to 5 PM. Advanced plays on M-W-F from 9:30 AM to noon (late fall to early spring indoors) and outdoors near the compactor site 9:30 AM to noon on M-W (late spring to early fall) and from 1:30 PM to 5 PM indoors with the Intermediates on Fridays (late spring to early fall). Tuesday’s indoor play is for anyone from noon to 5 PM. For more information about the Beginners class, contact Greg Stoner at 540-388-2540.

Veterans Day
by Dick Bradie, President, LOW Veterans Club

The Lake of the Woods Veterans Club invites all Lake of the Woods residents to join us in our annual Veterans Day Ceremony to honor all those who have served our country in war and peace. We will meet at 11 AM in front of the Clubhouse for the presentation of colors, the pledge to our flag and the invocation. After the invocation we will retire to the Great Room of the Clubhouse to hear our speaker (a WW II Veteran). Before introducing our speaker, Dick Bradie, the President of the Vets Club will give a brief (very brief) treatise on the origins and meaning of Veterans Day. Let us always remember the definition of a Veteran (author unknown) - A veteran, whether having served on active duty or is on active duty, retired, National Guard or Reservist, is someone who, at one point in his or her life, wrote a blank check made payable to the United States of America for an amount of “up to and including my life.” Hope to see all members of our community out there to pay their respects to all our veterans, no matter where they may be.

Election Day BBQ Reminder
by Charlotte Baker, AARP Chapter 5239

The Constitution has given us the opportunity to vote on Tuesday, Nov. 8, and AARP is making delicious chicken BBQ dinners available! Since the proceeds benefit local service projects, this is a win for everybody. If you haven’t purchased your tickets yet ($9 for a half chicken and the accompaniments), ask any AARP member or contact Pam Nalls at 972-5253, Larry Eiben at 972-1847, or Carla Wasclas at 972-3436. Carry-out or eat-in at the Clubhouse lower level between 11 AM and 6 PM. See you there!
LGA News
by Karen Woods, Publicity, Ladies Golf Association

The Ladies Golf Association Fall Luncheon takes place today, Oct. 28. This event marks the official end of our golf season. New and returning LGA board officers will be installed, awards will be presented, and we’ll reflect on all of the exciting events, challenges and good times we’ve shared this season. Our LGA President for 2016-17, Kathy Smith, and the LGA board members will be working throughout the winter months to prepare the golf for regular play and tournament events, selecting weekly games, updating and printing the LGA booklet as well as updating the membership rosters and collecting dues for the 2016/17 season. LGA membership dues are $25 for 9- and 18-hole golfers and Farm Team members. Golden Girls membership is $15. If you haven’t turned in your completed LGA Membership Renewal Form or paid your annual dues, please do so as soon as possible. If you have any questions please contact one of the Membership Chairs: Deborah Newton, for 18-Holers; Mary Ann Rogers, for 9-Holers and Farm Team; and Lisa Halpin, for Golden Girls.

Remember to circle Friday, Dec. 2 on your calendar for the LGA Christmas Luncheon. This event is open to all LGA members. Further details and a sign-up sheet will be posted in the Woods Center lounge.

MGA News
by Bill McClellan, Communications, Men’s Golf Association

Lamborghini Tournament The inaugural MGA Lamborghini tournament was completed on Monday, Oct. 10, with the team of Leo Maruschak and Bernie Hamilton defeating the team of Frank Beverina and Mike Dearing one-up in 19 holes. The competition began in April with 20 two-man teams comprising the field in a double elimination, match play format (i.e. Four Ball). Third place went to the team of Lark Ahn and Dave Witmer; fourth place was Paul Hibbs, Jr. and Paul Hibbs III. There were ties for fifth and sixth places. Jim Hoffmann and Bill McClellan tied with Dave Baker and Dave Lloyd for 5th place while Earl Porter and Paul Yurkus were tied with Jim Walsh and Jose Iglesias for 6th place.

Christmas Luncheon The annual MGA Christmas and Awards Luncheon will be held this year on Dec. 10 at the Clubhouse beginning with an open bar at 11:30 AM and lunch being served promptly at noon. The cost of the luncheon is $10. Reserve this date on your calendar.

Annual Dues Members are reminded that 2017 fiscal year began Oct. 1 and dues are now payable. You should put your check, in the amount of $20, in the MGA box in the Pro Shop.

Rule 12-2 Lifting Ball for Identification

The responsibility for playing the proper ball rests with the player. Each player should put an identification mark on his ball. If a player believes that a ball at rest might be his, but he cannot identify it, the player may lift the ball for identification, without penalty. The right to lift a ball for identification is in addition to the actions permitted under Rule 12-1.

Before lifting the ball, the player must announce his intention to his opponent in match play or his marker or fellow-competitor in stroke play and mark the position of the ball. He may then lift the ball, identify it, provide that he gives his opponent, marker or fellow-competitor an opportunity to observe the lifting and replacement. The ball must not be cleaned beyond the extent necessary for identification when lifted under Rule 12-2.

If the ball is the player’s ball and he fails to comply with all or any part of this procedure, or he lifts his ball in order to identify it without having good reason to do so, he incurs a penalty of one stroke. If the lifted ball is the player’s ball, he must replace it. If he fails to do so, he incurs the general penalty for a breach of Rule 12-2, but there is no additional penalty under this Rule.

LOWLINC to Address Civic Club
By Pat Licata, President, Civic Club

Empowering older residents of LOW and Orange County to better communicate with their doctors and other health professionals is the important topic that will be discussed Wednesday, Nov. 16, at 7 PM, in the lower level Clubhouse. Mary-Jane Atwater, LOWLINC Board Chair, will also be providing toolkits to meeting attendees with presentation handouts and pages where seniors can keep track of medications, appointments, questions for healthcare providers, and notes about treatment. The presentations and tool kit were designed in collaboration with a retired George Washington University Founding Dean of the Nursing Department and a focus group of seniors from LOW.

LOWLINC received a grant from Culpeper Hospital Foundation to develop the toolkit and make presentations throughout Orange County that will empower older adults to make the most of medical appointments and be better prepared for improved communication with their health care professional during visits.

Atwater has been a member of the Lake of the Woods community since 1997 and a full-time resident since 2013. She has more than 35 years of experience in marketing communications and public relations, with service primarily to clients in the nonprofit sector. Prior to the 1989 launch of Atwater Communications, her public relations consultancy, she worked for a public relations firm and earlier as a rehabilitation counselor. For two years, Mary-Jane managed public relations and publicity for At Home in Alexandria, an ‘aging-in-community’ village. She holds an MBA and an MA in Education (with a focus on counseling) from The George Washington University and a BA cum laude from Connecticut College.

We hope to see you there!

Hornet Tech Offers Computer Repair
by Carolyn Schatzer, Hornet Technology parent

Do you have a desktop computer in need of repair? The Hornet Technology students at Orange County High School can help. Mr. Breeden’s PC Repair class offers our community computer repair services. The Hornet Tech program is a non-profit, self-sufficient program and does not rely on funding from the school system. The fees for repairs are nominal and depend on the scope of repair. All fees charged for labor/services go back into the program for textbooks, test vouchers and other academic resources.

I plan on bringing computers from the Lake of the Woods area to the high school and will pick up repaired computers as well. Please contact me at schatzers@comcast.net for details.

Bringing your computer repair problems to Hornet Tech provides students hands-on experience as well as an opportunity for our youth to serve their community.

For further information on the PC Repair program, please contact Mr. Breeden at dbreeden@ocss-va.org or 540-672-7170.

Absentee Voting Correction

Absentee voting began in the Orange County Registrar’s Office on Sept. 23 and ends on Nov. 5. A previous article published in Lake Currents implied voters could walk in and vote, when -in reality - it is still absentee voting and the voter must have a valid reason to vote using an absentee ballot.

### 3.2 Report of General Manager

Mr. Rodenberg reported that the mandatory pre-bid meeting for the Sweetbriar Pool RFP is scheduled for tomorrow. Three bidders have been identified. Due to unpaid assessments, LOWA Attorney Henry Carter will conduct a sale of six LOW properties on November 12 at the Clubhouse.

The President, General Manager and External Affairs Chair took part in a meeting on October 5 to discuss legislative priorities and maintain good lines of communication with VA legislators on community association legislation initiatives. Attendees included VA Senator Reeves, Delegate Frietas, and US Congressman Brat and their staffs, along with Orange County Supervisor Lee Frame.

### 3.3 Committee Liaison Reports

President Morian reviewed the status of several issues being addressed by the Committees:

- **A. Lakes Committee**: Proposed amendments to LOWA Regulation X: Use of LOWA Lakes, Concerning Jet Packs. The Lakes Committee should schedule this topic for a presentation before the Board.
- **B. Communications Committee/Safety & Security Request**: Improved Front Gate Directional Signs. New Visitor Lane signage has been installed at the front gate, and the replacement of other signs at the front entrance is being considered to improve visibility and appearance.
- **C. Safety & Security Committee**: Proposed Amendments to LOWA Regulation VI.
- **D. Section D: Use of Roads, Parking and Standing**: The Safety & Security Committee should schedule a report to the Board regarding their discussions on the proposed revisions for street parking.
- **D. Clubhouse Committee**: Recommendation to form a Fareways Ad Hoc Committee. The Board recommended leaving Fareways operations with the Golf Committee, with Director Bob Hoh facilitating communication between the Golf and Clubhouse Committees. This may be revisited at a later date.

### 3.4 Committee Reports

- **A. Equestrian Committee**: Chair Gegi Winslett reported that in September the Committee was reconstituted but officers remain the same. Summer pony camps were very successful, and Thanksgiving and Christmas camps are being planned. Open House and Horse Show events were also a great success. The number of boarding horses is slowly growing. The Committee looks forward to a covered arena to operate in inclement weather. Repairs and maintenance have been done on schedule, although some ditch repair is needed due to stormwater damage.

### 4. PRESENTATIONS

#### 4.1 Dam Management, Permitting and Maintenance

Don Rissmeyer, P.E., CFM, an Associate with A. Morton Thomas & Associates, Inc. gave a Dam Safety slide presentation. Topics covered included a brief history of the dams since 1989, highlights of permit conditions, the reasons for dam failure, the Emergency Action Plan, public safety issues, rehabilitation projects and the Clubhouse floodwall. Mr. Rissmeyer noted that LOWA’s dam emergency procedures and maintenance program tend to be a model for other communities seeking guidance in those areas. He responded to questions from the Board and members.

#### 4.2 Lakes Management Implementation Plan (LMIP) Semi-annual Report

Environmental Resources Manager Bobby Jones provided highlights of the LMIP and state of the lakes since his last report in April. Topics covered included projects completed, projects in progress, nutrient monitoring results and physical properties. While it can be shown that water clarity has improved at Keaton’s Lake, nitrogen and phosphorus loads are consistently above EPA standards in both lakes. An updated timetable for future capital projects scheduled from 2016 through 2021 was also presented.

#### 5. Member Comments on Business Agenda

Planning Committee Chair Tom Sheridan said the Committee doesn’t see any reason to reconvene to revise the Planning Committee report on the Clubhouse Pool and Recreational Project at this time unless there are new guidelines the Board wishes them to consider. Member Carl Clawson apologized for the oversight which resulted in a special election to fill a Board seat. One member suggested the Board eliminate Items #3 and #12 from the proposed Budget Guidelines.

#### 6. UNFINISHED BUSINESS

Motion by Hoh, passed unanimously, that the Board authorize the release of the golf maintenance contract Request for Proposal dated October 12, 2016.  

##### 6.2 Consideration of Approving Budget Guidance as Recommended by the Finance Committee

Motion by Zwickl, passed unanimously, that the Board approve the budget guidance dated October 19, 2016, incorporating some elements from the Finance Committee recommendations, as amended.

##### 6.3 Consideration of Approving Amendments to the Finance Committee Charter

Motion by Zwickl that the Board approve amendments to the Finance Committee Charter as follows, incorporating elements as recommended by the Finance Committee. (Director Zwickl then reviewed each of the recommended changes.) Following discussion, further amendments were approved by consensus of the Board. Vote on the original motion, as amended, passed unanimously.

##### 6.4 Consideration of Re-tasking the Joint Finance and Planning Committees Regarding Funding Options for the Clubhouse Pool Complex.

By consensus of the Board, consideration of this item was deferred to early 2017.

#### 7. NEW BUSINESS

##### 7.1 Consideration of 2017 Virginia State Golf Association VIP Golf Cardholder Access and Play at the LOW Golf Course. (Administrative Resolution 2016-7)

Motion by Hoh, passed unanimously, that the Board adopt Administrative Resolution 2016-7 regarding the 2017 Virginia State Golf Association VIP Cardholder access and play at Lake of the Woods Golf Course, effectively immediately.

7.2 Discussion of Board Elections and Committee Appointment Eligibility Process.
General Manager Phil Rodenberg and Finance Director Larry Cole summarized the changes being proposed by the Finance Department to improve the administrative process used to confirm membership status and thus eligibility of residents to serve on the Board and Committees. Changes were proposed to the application forms for Director, Committee member and ECC candidates, with additional confirmation of property-ownership status by the Finance Department staff using the Orange County website database of current deeds.

7.3 Consideration of Authorizing the President to Sign Plats to Combine Lots 332 and 333 in Section 1.
Motion by Hoh, passed unanimously, that the Board authorize the President to sign plats dated September 16, 2009 and August 27, 2016 to combine Lots 332 and 333 in Section 1.

8. Member General Comments
Bronda Rogers thanked the volunteer staff and Board members who helped greet visitors at the Fall Realtor’s Open House on October 16 and make the event a great success. She distributed a summary report to Board members.

A resident of Seven Pines Drive requested the Board and management review the use guidelines for Campground sections A & B and the park/ playground area and consider changes that would be more appropriate for the increasingly residential nature of the neighborhood.

9. Director Comments: Director Cumming thanked the Planning Committee for their comprehensive study and report on financing options for the Clubhouse pool complex project.

10. Scheduled Meetings
- Special Board of Directors Meeting: Monday, October 24, 2016 at 7 PM in the Community Center. Agenda: Replacement Reserve Study and Five-year Capital Plan.
- Special Meeting of the Membership: Thursday, November 3, 2016 at 7 PM in the Community Center. Agenda: Special Election.
- Regular Board of Directors Meeting: Saturday, November 5, 2016 in the Community Center. Executive Session: 9 AM. Open Session: 10 AM.
- Special Board Meeting with Orange County Board of Supervisors: Wednesday, November 9, 2016 at 6 PM in the Clubhouse.
- Regular Board of Directors Meeting: Tuesday, November 15, 2016 at 7 PM in the Community Center.

11. Adjournment. Motion by Hoh, passed unanimously, to adjourn the meeting at 5:03 PM.

How could one of the world’s favorite Christmas carols have a connection with the 1863 Mine Run Campaign fought near Lake of the Woods? Why would one of America’s greatest poets, Henry Wadsworth Longfellow, write a poem in part based on his son’s wounding in that fighting?

His poem titled Christmas Bells was put to music to become I Heard the Bells on Christmas Day.

Peter Rainey will recount Longfellow’s story and the making of that carol to the Civil War Study Group on Friday, Nov. 18. The meeting starts at 10:30 AM in the Lower Level of the Clubhouse. The public is invited.

Longfellow had lost his wife in a tragic fire at their home in 1861. Against his wishes, his son Charles Appleton joined the Union army at age 17. In the Mine Run campaign two years later, Charles was badly injured in the battle of New Hope Church on the Orange Plank Road. He was hospitalized in Washington until his father took him home to Cambridge, Mass. for a long recovery.

It was then that Longfellow’s family tragedies and the horror of the Civil War brought his creativity to bear on his poem. Rainey will present the details of the poem and of Charles’ career. The carol is sung every Christmas season, but two stanzas are omitted from hymn books. Our speaker will share the history of the deletion of these “extra” stanzas.

In 2011, Rainey co-founded the Civil War Study Group Inc. and retired last year as its chairman of the board. He is a member of the Sons of the American Revolution, Friends of Wilderness Battlefield, Germanna Memorial Foundation, and the Orange County Historical Society.

He served on the LOWA board of directors and as its treasurer and has published two books about eastern Orange County.

He is a ninth-generation descendant of Alexander Spotswood, the first lieutenant governor of the colony of Virginia.

Orange County conducts the assessment of residential and business properties in the county for purposes of taxation. The county does not conduct these assessments for utilities located in the county. The Public Service Taxation Division of the Virginia State Corporation Commission makes these assessments. The county recently received a Certified Statement of Assessed Value for public utility properties totaling $109,502,736. This assessment includes not only land, land improvements and vehicles but also a variety of business-related equipment and infrastructure. Some of the taxable items include machinery, power lines, communication lines, transformers, meters, water mains and hydrants. Not surprisingly, the largest assessed values belong to Rappahannock Electric Cooperative ($35 million) and Virginia Electric and Power Company ($48 million). Other large assessed values include Verizon and associated companies, AT&T and Cingular.

Of interest are some companies that have a minor presence in Orange County. Washington Gas has a vehicle located here and MCI Metro Access Transportation Services of Virginia has office equipment here. There are eight companies with less than $50,000 presence in the county. There is only one water company in Orange County that is subject to taxation. That is Aqua Virginia, a private company located primarily in Greene County, providing water to a small area in Orange County. The Rapidan Service Authority and the Town of Orange operate water and sewer systems but, as public-owned utilities, are not subject to local taxes.

Two District Five residents have been appointed to help run the affairs of the county. Doug Rogers has been appointed to serve on the Orange County Economic Development Authority (EDA). The EDA supports new and existing business to create new investments and jobs in Orange County. Donalda Lovelace was appointed to the Rappahannock-Rapidan Community Services Board. This board provides comprehensive behavioral health, intellectual disability, substance use disorder, and aging services to the residents of five counties including Orange County. We appreciate the willingness of these two and all other citizens who are contributing to making our community a good place to work and live.

At a recent supervisor meeting the supervisors approved an agreement with the Town of Orange to resolve an overpayment of sales tax revenue, over $180,000 above the required distribution was sent to the town over a number of years. Immediate repayment of this would be a financial shock to the town’s budget, so the town and the county were able to cooperatively work out this agreement.

Benefits include economic development, regional healthcare facilities, and community members.
