Honor Awards for LOWA Volunteers
by Members of the Honor Awards Committee

THE WARREN J. LODGE AWARD FOR EXCELLENCE
Larry Eiben has given most generously of his time, energy, enthusiasm, and seasoned judgment in many activities at LOW, including: LOW Fire and Rescue, LOW Lions, AARP, Honor Awards Committee, LOW Church, and LOW Veterans Club.

For Fire and Rescue he has served as President, VP, Training Officer, and Recruitment and Retention Manager. As an EMT and Emergency Vehicle Operator with Rescue for 10 years, he also arranged 750 – 850 duty hours annually. He recently developed a video called Hands Only CPR, which is presently playing on Channel 18. He has followed this up by offering all local clubs the opportunity to learn Hands Only CPR.

As a member of LOW Lions, Larry has been Membership Chairman and worked as a technician for Eye and Ear exams administered to children throughout Orange County. Additionally, he has served on other Lions committees as needed and has developed a video that played on Channel 18 highlighting the efforts of this organization.

Larry presently serves as a member of the BOD for AARP and developed a brochure to educate the community on local AARP activities. In addition, he has served as Chairman of the Fundraising Committee and Outreach Committee at The LOW Church. He is one of the charter members of LOW Veterans Club. He also drives LOW residents to medical appointments as needed, and supports the LOW Players through financial and volunteer efforts. Larry played a major role in preserving the Honor Awards Committee, which was going to be eliminated by the LOW Board of Directors for lack of interest. He served as that committee’s Chairman for three years.

Larry Eiben certainly meets all the requirements for this Warren J. Lodge Award for Excellence.

PRESIDENT’S AWARD FOR CHAIR OR INDIVIDUAL OF THE YEAR
It is with great pleasure that I give the 2014 President’s Award to Larry Morlan, our Neighborhood Watch Coordinator. During the past year Larry has worked tirelessly to make Lake of the Woods a better place to live. His hard work and dedication have taken a relatively new program and grown it into such a huge success that we now have over 680 participating homeowners. While many of us were enjoying the Fourth of July festivities, Larry was on Clubhouse Point recruiting new members. The program has grown so successful that it is now being hailed as a model for other neighborhoods in Orange County and adjoining counties to emulate.

He is working with the Sheriff to expand the organization in the County so we have better coordination in reporting unusual activity. In Lake of the Woods alone his group of volunteers reported the theft to medical appointments as needed, and supports the LOW Players through financial and volunteer efforts. Larry played a major role in preserving the Honor Awards Committee, which was going to be eliminated by the LOW Board of Directors for lack of interest. He served as that committee’s Chairman for three years.

Larry Morlan

Certification Of 2014 Board of Directors’ Ballots
by Louisa Rucker, Secretary, Board of Directors
by Betty Tabor, Chair, Elections Committee

We certify the following to be true and correct to the best of our knowledge:

Total Valid Ballots Cast 1859
Total Invalid Ballots Cast 22
Total Ballots Received 1881

VOTES CAST FOR:
Leighton Cumming 836
Nigel Goodwin 1099
Bruce Kay 844
Joann M. Zwickl 871

Elected to the LOWA Board of Directors – September 2014 for three year terms:
Nigel Goodwin and Joann Zwickl

Reminders

Friday, September 5
Summer Concert Series
Clubhouse Point, 7-9 PM

Large Marina Open
Weekends Only
9:30 AM to 5:30 PM

September 14
Hunter Horse Show
Equestrian Center, 9 AM

Saturday, September 20
Town Hall Meeting
Planning Committee reviews
2015-2019 New Capital Requests
Community Center at 3PM

You still have time to participate in the “Amenity Snapshot” contest! See pages 12-13 of the August 22 Lake Currents for details. In print or Online.
Tentative Agenda
Lake of the Woods Association, Inc.
Board of Directors Meeting and Workshop
Community Center, September 17, 2014

2 PM CALL TO ORDER
1. OPEN SESSION
1.1 Pledge of Allegiance
1.2 Approval of Agenda
1.3 Approval of Minutes: August 20, 2014, September 1, 2014 and September 3, 2014
2. REPORTS
2.1 Officer Reports
A. Committee Changes
2.2 General Manager Report
A. July Financials
B. Lakes Management
2.3 Committee Reports
3. PRESENTATION
3.1 “Community for All Ages” – Jeff Flynn, Mary-Jane Atwater, Joe Sakole
4. MEMBER COMMENTS ON BUSINESS AGENDA
5. UNFINISHED BUSINESS (TBD)
6. NEW BUSINESS
6.1 Consideration of Approving Employee Health Insurance for November 2014 to October 31, 2015 (Briefing by Heather Marr, Account Manager, BB&T Insurance)
6.2 Consideration of Entering Lots for Maintenance
6.3 Adjourn to Workshop
7. WORKSHOP
7.1 2015 Budget Calendar and Budget Guidelines
7.2 FY 2015 Budget Calendar and Budget Guidelines
8. MEMBER GENERAL COMMENTS
9. SCHEDULED MEETINGS
• Board Retreat, Thursday, September 18 and Friday September 19, 2014, 9 AM, Clubhouse
• Board Executive Session for Annual Legal Briefing, Tuesday, September 23, 2014, 11 AM, Holcomb Building
• Regular Board of Directors Meeting, Saturday, October 4, 2014, Community Center 8 AM Executive Session, 10 AM Open Session
10. ADJOURNMENT

Lake of the Woods Association, Inc.
Regular Board of Directors Meeting and Workshop
August 20, 2014, 2 PM, Clubhouse

Note: These minutes are unapproved and provided to members for review.

Present
Jim Walsh, President
Jon Anderson, Vice President
Mike Rugless, Treasurer
Jim Hutchison
Dick Delio (from 2:05 PM)
Olive Kelly

Absent
Louisa Rucker, Secretary

Call to Order. With a quorum present, President Walsh called the meeting to order at 2:01 PM in the Clubhouse.

1. OPEN SESSION.
Motion by Anderson, passed unanimously, to enter into Open Session at 2:02 PM.

1.1 Pledge of Allegiance
1.2 Approval of Agenda. Motion by Hutchison, passed unanimously, to approve the Agenda.

1.3 Approval of the Minutes of August 2, 2014. Motion by Anderson to approve the minutes of the August 2, 2014, Board of Directors Meeting. Vote: Yea: Hutchison, Anderson, and Rugless. Nay: 0. Abstain: Kelly. Motion passed 3-0-1. (Delio temporarily absent.)

1.4 Recognition of Retiring Lake Currents Editor Ruth Hood.
President Walsh presented a Resolution of Appreciation to Ruth Hood for her many years of service as editor of the Lake Currents.

1.5 Employee Service Awards and Certifications.
President Walsh presented Certificates of Appreciation to Sgt. William Campfield, Officer Keith Harding and Daniel Kost in appreciation for their service during the boat rescue at the Main Marina on May 10, 2014. President Walsh and General Manager Phil Rodenberg presented the following employee Excellence in Service Awards: Lorri Trocchio, Officer Keith Harding, and Daniel Kost.

Board Retreat Agenda
September 18-19, 2014, 9 AM, Clubhouse

September 18
9 AM  1. Call to Order
   2. Remarks by Board Members and GM
   3. Member Comments
   4. Recess until September 19

September 19
9 AM  5. Call to Order
   6. Remarks by Board Members and GM
   7. Member Comments
   8. Adjournment

General Manager’s Annual Report
Given at the 44th Annual Meeting of the Membership
September 1, 2014

by Phillip L. Rodenberg, CMCA®, AMS®, LOWA General Manager

It is my pleasure for the third time to present the Annual Report to the Membership. For decades, we have gathered to hear the State of the Association, celebrate accomplishments, and discuss the challenges and solutions we have faced. This year’s report aims to highlight our progress and the hard work of the LOWA staff.

The Annual Independent Audit of our Financial Records was recently conducted by Kelter Certified Public Accountants. Once again, we received a clean audit. Four months into our new fiscal year, collections are on target, cash reserves are adequate to cover capital needs, and departments are operating within budget. Delinquencies for the last two years have been 2.2%, which is better than industry standards of 5%.

We continue to be the largest concentration of homes and population in Orange County with 3,666 completed homes on the 4,257 private lots, and a population exceeding the 2010 Census count of 7,100 full-time residents. We know that number is easily 9,000 on a holiday weekend. We installed Bermuda sod at the Woods Center, significantly challenging the maintenance crew. Our housing stock remains popular. We are considering offering an evening members Monday for Golf Operations Manager Joey Welsh and his team hosted over a dozen tournaments including the Schutzenfest which brought in 96 golfers and over one thousand participants. On October 18, the 4th Annual Schutzenfest, with its festive music and food, will attract another large group.

When we look back, we will remember Capital Projects of note including complete replacement of our 18-hole golf irrigation system at a cost of $922,000 and total reconstruction of the Clubhouse main bathrooms, with a new parlour, at a cost of $162,000.

We spent great effort on Board Goals. Two Governing Documents Referendum questions on voting and fees were approved by voters in most sections and recorded in the county courthouse. The Board approved an Energy Conservation Policy and Capital Reserves Policies. The Board confirmed its intent to fund eight priority projects of the Lakes Management Improvement Plan between 2014 and 2020.

We had significant personnel changes. We promoted Jessica Graves to Facilities Director. Bobby Jones is the Environmental Resources Manager. Fred Ripley is the Erosion and Sediment Inspector. Matilde Barone is the Site and Covenant Inspector. Rachel Johnson is our ECC Administrative Assistant. Roy Mayberry is our Finance Department Controller.

We continue to improve communication and information technology. Board meetings and Town Hall meetings were added as video-on-demand on LOWA.org. Informational short videos will soon be added. Melanie Parmelee and her Communications team continued to expand use of Constant Contact, the website message board, and social media while continuing to publish our terrific Lake Currents newsletter and air Channel 18 programs. We sent 125 email blasts to 2,300 email subscribers. We used social media to amplify our posts, and we have 695 Facebook followers. We will use Twitter more this year. Many of these messages provided us important feedback from members.

We hosted three Orange County Government forums - a Board of Supervisors meeting, a Planning Commission meeting, and a Route 3 Corridor planning charrette. We had a full-year’s use of CapSure visitor management software. IT Coordinator Mark Witham keeps reliability high and has seen growth in member use. Begin managing your own account today. In a busy month we have over 60,000 vehicles in the visitor lane! A current challenge is improving the front entrance lanes to accommodate the 1.6 million vehicles a year.

Finance Director Larry Cole and his Members Services team completed one year with the redesigned Members Services area in the Holcomb Building lower level.

Lake of the Woods
Member Services/Holcomb Building: 972-2237
Clubhouse: See p. 9 for Specials & Hours.
Community Center: 972-9680
ECC Office: 972-2211
Equestrian Center: 972-2238
Faroways Café: 972-2216
Fitness Center: 972-9680
Golf Pro Shop (Woods Center): 972-2230
Maintenance: 972-2223
Marina: Sat/Sun Only, 9:30 AM-5:30 PM
Security/Front Gate: 972-2210 or 972-2020
Tennis: Hollyfield Park 972-8888

We updated our Reserve Study and Condition Assessment of existing assets using Miller-Dodson Associates. The Finance Department’s current challenge is to continue converting lot owner records to electronic flies to save space and increase efficiency.

May 1 was the one-year anniversary of hiring Allied-Barton Security. Chief Scott Walker ensures Security is a visible and effective force. In April, we provided evidence to capture the two mail station thieves vandalizing mailboxes and causing delivery disruptions. In May, we added another guardhouse officer to process guests. In June, we upgraded security camera recording equipment and added outdoor cameras. The new cameras have allowed security to stop activities or find the responsible parties sooner.

Our Maintenance Department takes great pride in maintaining the dams and lakes. Veterans Dam and Keaton’s Dam received annual inspections by a licensed engineer. Both are in excellent condition. Keaton’s Dam Spillway received rehabilitation in 2012. Veterans Dam Spillway gets its rehabilitation fall this year. We are temporarily lowering the water level in both lakes beginning October 1 to replace sluice gates. Boat owners, please take precautions.

As for Lakes, our Maintenance staff performed hundreds of vital tasks to keep the beaches and waters clean and safe. With spring pretreatment, we avoided an outbreak of blue-green algae in Keaton’s Lake. Our Main Marina has an excellent level of business selling ethanol-free fuel. There are over 2,100 registered boats. In July, the Board approved Lakes Regulations establishing new guidelines for wake surfing, kite tubing and kite boarding, and stand up paddle boarding.

Facilities Director Jessica Graves and Environmental Resources Manager Bobby Jones report Lakes accomplishments including 13th Fairway Stream Restoration construction, a $3,000 grant award for native plants for the Lower Level Clubhouse parking landscape beds and golf course stream restoration, two Community Center bioswale installations, and 1.6 miles of ditch reconstruction removing approximately 108 tons of sediment from discharging into the lakes.

Challenges ahead include Keaton’s Run Forebay design and permitting, Veterans Dam Spillway and toe drain rehabilitation, another two miles of ditch reconstruction, and Erosion Management Implementation update.

The Clubhouse hosted 96 club meetings. The Fitness Center grew to 719 members. Our two outdoor pools hosted over 13,000 this season. At the Community Center, Operations Center Manager Sylvia Zielinsky and her team hosted several special events. The Community Center had 28,000 visits this year. Join us for the Community Yard Sale, Annual Treats on the Clubhouse Point, and the Christkindlemark. The new Summer Concert series brought out hundreds, and will likely be an annual offering thanks to sponsors. Tennis Courts 5 and 6 were replaced. We hosted our Junior Tennis Clinic with 14 participants. The challenge ahead is to accommodate the many requests for the Community Center and ball fields.

The new 760-head sprinkler system provides for a better conditioned and healthier Golf Course. The challenge ahead is to grow membership and increase rounds played. We installed Bermuda sod at the Woods Center, significantly improving its appearance. Farewais Café remains popular. We are considering offering an evening members Monday.

Golf Operations Manager Joey Welsh and his team hosted over a dozen tournaments including the Schutzenfest which brought in 96 golfers and over one thousand participants. On October 18, the 4th Annual Schutzenfest, with its festive music and food, will attract another large group.

Clubhouse Manager Joey Welsh had a good year serving over 38,500 meals. Clubhouse broke the $1 million revenue mark for the second year in a row. We see continuing popularity of the expanded Members’ Lounge which has a new beer delivery system to serve eight draft beers. The Clubhouse hosted 43 special events including the Member Holiday Party and the fall and spring Real Estate Open Houses. Renovations to the front portico and upstairs bathroom greatly improved the appearance of the building. The challenge ahead is to encourage more members to Clubhouse dining giving them our different eating options.

The Equestrian Center hosted 90 children in summer camps. Look for two-day weekend camps in October and November and a week-long holiday camp in December. Carolyn McFarland and her team will be holding our 3rd Annual Dog Days Weekend in October and November and a week-long holiday camp in December. Carolyn McFarland and her team will be holding our 3rd Annual Dog Days Weekend in October. The challenge ahead is to resolve moving the center or staying in its current location.

Thanks to the Board for all its good work and partnership with Management and staff. Thanks to the management team and operation center managers. Thanks to the members for all your helpful feedback about how we operate your association.
Lack of a United Vision Creates Conflict and Dissension at LOW
by Dick Delio, A Director’s Reflection on LOW

Anyone who has raised a child knows that if the father and mother do not share a common vision on how to raise the child, they will continually argue over what to do and there will be conflict and dissension between them. The same is true in business; if the managers of the business do not share a common vision on how to run the business. The end result is that much time and energy is wasted on debating which is the right way to go. The lack of a unified vision always leads to conflict and dissension.

This brings me to LOW. Some 40 years ago, LOW had a unified vision of who it was. LOW was a lake community comprised mainly of weekenders. Even though in 1977 there were more than 3550 lot owners, most were weekenders and LOW was 20 miles from anywhere. So when an owner came to the lake for a weekend after driving for hours, or for a week in the summer, no one wanted to get in their car to drive someplace to play golf; no one wanted to cook a meal at home or drive 20 miles for a good meal – instead a meal at the Clubhouse was just fine. The assessment was low and LOW had all the buildings and services needed to support the community of weekenders. Today LOW has transformed from a single socio-economic group of weekenders to a permanent community made up of maybe 30% young, working families, 15% of senior retired people on shrinking fixed incomes, and maybe 55% of the socio-economic group who are like the original weekenders.

Today, from my viewpoint, conflict and dissension keeps raising its ugly head, and the root cause is that LOW lacks a common vision. The divided vision falls into two areas: 1) LOW is a lake resort or a lake community and 2) LOW is a lake housing community or is LOW a city. Depending on what one’s vision is, the needs of LOW and the expense to run LOW will be quite different.

LOW - a lake resort or a lake community?
A lake resort has its unique characteristics. LOW in the beginning was like a lake resort. At a resort you might not know your neighbors. The owner came to enjoy the lake, not to visit and socialize with the neighbors or to be part of a committee. And a resort offers amenities like a restaurant, or a golf course, because these transient owners want the convenience of not traveling to play golf or eat. People at lake resorts are willing to pay increasing assessments to support the resort and amenities, and to add to them, because they have the financial resources to do this and they want the convenience.

A lake community is different because the owners are mostly permanent residents and so not require certain amenities. Today probably 70% of the owners at LOW are permanent. They participate on committees and like to socialize with their neighbors. Most eat in and, if they go out, they do not mind driving 10 or 20 miles to go to eat or even to play golf. Thus many people at LOW do not want to keep increasing services and expenses, or add new structures that will increase their assessment. When most people buy at LOW today, what they see is what they want and do not want or expect anything more.

LOW - a housing community or a city?
A housing community is clearly defined. The size of the community and what the community will offer as amenities, if it is an HOA, is set before it is developed. A housing community like LOW was established with private land ownership together with common areas, like roads and this makes it an HOA. A housing community does not offer added services to the owners; but the owners do pay for those costs to maintain the roads and common areas, provide for security limiting access to the community, and elect a board to do this for them. A housing community normally does not have restaurants or golf courses etc., unless privately owned and managed. It normally provides swimming pools, playground areas, maybe tennis courts or the like and a community room for meetings and gatherings. A housing community does seek to expand, buy more land or build more houses than what currently exists; and it does not have political parties but one united community; and it is not involved in local politics.

A city is different – it is a political entity comprised of political parties. It has a police department to enforce laws, to handle crimes and quell conflicts between the citizens. A city offers services, schools, different types of housing, like low income housing, senior citizen housing etc. Cities look to annex neighboring areas in order to grow or to buy added land to expand. And cities accomplish this by raising taxes.

We have different groups of people in LOW who are not in agreement as to who LOW is – a lake resort or a lake community; a housing community or a city. Some want to see LOW run as a lake resort or as a quasi-city and worry about the cost. And then there are those who see LOW as a lake community and a housing community, and they only want to pay the cost to maintain and improve the existing common areas. This divided vision is a main cause of conflict and dissension here at LOW. And the cost and expense of each of these choices involves money. One needs higher assessment (taxes) to be a lake resort or quasi-city in order to expand amenities and services, or to acquire more land to build more houses or add different types of housing. One needs less assessment to be a lake community and a housing community.

There is no right way or wrong way for LOW to be – but it can only be one or the other. Until there is some agreement as to what LOW is, it seems the conflict and dissension will continue to exist. Thus, I think that this would be a timely item for the Board to reflect on at its upcoming retreat and possibly be a goal for the new Board year.
severe weather events. A second Team Award went to the Grounds Crew staff in recognition of their many contributions to the landscaping improvements around the community as follows: Melissa Widor, James Leninger, Richard Johnson, Michael Margrave, and Rod Ahlfield (Foreman).

### Committee Changes

- **A. Committee Changes.** Motion by Anderson, passed unanimously, to approve the following Committee changes as per the Committee Change List dated August 20, 2014:
  - Dr. Nancy Undari, Anne Wood, Betty Tabor, Nancy Undari, Dave McKee, Fay Potter, Allen Gwaltney, Don Walters, Mike Musatow, Jean Westholt, and Fay Potter.

### 2.2 Report of the General Manager

Keiter CPA’s and Consultants, independent auditors, has completed the financial audit for the year-ended April 30, 2014, which is on the agenda for presentation to the Board at today’s meeting. The Board is requested to suggest changes to the report prior to the report being finalized.

GM Phil Rodenberg reported that RiverWorks, Inc. is on schedule to complete work on the 13th Fairway Stream Restoration Project in early September. A contract award to Keith Barber Construction, Inc. for $56,300 is pending for toe drain and culvert replacement at the main dam, with work expected to begin in mid-September. The LOWA Maintenance completed several improvements at the Hollyfield Park softball field; additional work to improve the drainage system will take place this fall.

### 2.3 Committee Liaison Reports

- **2.3.1 Committee Liaison Reports:** No reports.

### 2.4 Committee Reports

- **2.4 Committee Reports:** Planning Committee Annual Survey Results
  - Chair Tom Sheridan provided a summary and analysis of the Planning Committee Annual Survey Results.

### 3.0 Financial Report

- **3.0 Financial Report:** Report of the Treasurer: No report

### 4.0 Membership Report

- **4.0 Membership Report:** Report of the Secretary: No report

### 5.0 Useful Information

- **5.0 Useful Information:** Email blasts and the LOWA website.

### 6.0 Hot Topics

- **6.0 Hot Topics:** Consideration of installing solar panels at the Clubhouse has been abandoned due to lack of cost savings over life expectancy. Additional insulation and sealing of air leaks as recommended in a 2013 Energy Audit is now considered a top priority.

### 7.0 Community & Youth

- **7.0 Community & Youth:** A larger Fitness Center was again given high priority among future projects. The top three communication vehicles in order of rank were email blasts and the LOWA website.

### 8.0 Communications

- **8.0 Communications:** No reports.

### 9.0 Equestrian Center

- **9.0 Equestrian Center:** AGM Rob Martin has been meeting with Equestrian Center personnel and Committee members to develop a sensible and affordable plan for moving the Equestrian Center. An update on progress is expected to be available in mid-October.

### 10.0 Environmental Stewardship

- **10.0 Environmental Stewardship:** 740 responses, or 17% of all lot owners. The results were done electronically, with 740 responses, or 17% of all lot owners. The results were similar to the 2012 survey results in terms of demographics, ranking of amenities by importance to members, and overall satisfaction with the community and its governance. A larger Fitness Center was again given high priority among future projects.
Notice of Temporary Lake Level Draw Down and Upcoming Dam Projects
by Bobby Jones, Environmental Resources Manager, LOWA

Lake of the Woods Association is informing members of upcoming temporary but significant lakes drawdowns beginning October 1 due to planned dam projects. LOWA has scheduled the work in the fall to minimize impact on the users of the lakes. Bandier Smith Inc. has been contracted to replace the sluice gates at both Veterans and Keaton’s Dams. In order to replace the sluice gate and complete additional work on Veterans Spillway the Main Lake will be lowered approximately 18 inches from normal elevation. Likewise, Keaton’s Lake will be lowered approximately 12 inches from normal elevation for gate replacement. Lakes drawdowns will take four to five days depending on rainfall. The contractor will need approximately 4-5 days to complete the sluice gate work at each dam. Once construction is complete, the lakes will be allowed to return to the same level as before construction. In other words, the construction will not permanently change the normal elevations of the lakes.

As a boat owner, it is your responsibility to take the precautions you feel necessary to protect your boat and your other property to include removing your boat from Keaton’s Lake by October 3 and the Main Lake by October 6. If members decide not to remove their watercraft from the lakes, LOWA suggests your boat from Keaton’s Lake by October 3 and the Main Lake by October 6. Necessary to protect your boat and your other property to include removing your boat from the lakes. Bander Smith Inc. has been contracted to replace the sluice gate at both Veterans and Keaton’s Dams. In order to replace the sluice gate and complete additional work on Veterans Spillway the Main Lake will be lowered approximately 18 inches from normal elevation, and Keaton’s Lake will be lowered approximately 12 inches from normal elevation for gate replacement. Lakes drawdowns will take four to five days depending on rainfall. The contractor will need approximately 4-5 days to complete the sluice gate work at each dam. Once construction is complete, the lakes will be allowed to return to the same level as before construction. In other words, the construction will not permanently change the normal elevations of the lakes. 

As a boat owner, it is your responsibility to take the precautions you feel necessary to protect your boat and your other property to include removing your boat from Keaton’s Lake by October 3 and the Main Lake by October 6. If members decide not to remove their watercraft from the lakes, LOWA suggests lengthening mooring lines two to three feet or to a length boat owners deem safe from danger and tilting the motor propeller all the way up. The Main Marina boat ramp will be accessible during construction. However, the Small Marina and Keaton’s boat ramps will not be accessible to launch or remove boats once the lakes are drawn down. Predicting how long the lakes will be down is weather (rain) dependent. Keaton’s Lake could be back to normal levels in approximately one month with normal precipitation occurrences. The Main Lake will likely take longer; and again, the rain variable is the imperative factor at hand.

On or around September 15, members will see equipment at the base of Veterans’ Memorial Dam. Keith Barber Construction Inc. are contracted to repair the existing toe drains and replace a culvert located at the base of the dam. A. Morton Thomas and Associates, Inc. completed the design and the Virginia Department of Conservation and Recreation approved permitting. The project will enhance the structural integrity at the base of the dam and improve maintenance of the toe drains and downstream channel. Work will include excavation of the ditch line along the toe of the dam to eliminate the ditch line by installing a piping system to the existing toe drains. The piping system will be covered with stone, topsoil, and grass seed. The work will take approximately two weeks to complete and will be stabilized with grass seed and straw.

In addition, a part of the dam projects includes concrete rehabilitation for Veterans’ Memorial Dam Spillway. The work will take place in October after the completion of the toe drain project. The concrete work will consist of cleaning the concrete, minor surface crack repairs, refurbishing expansion joints, and cleaning the stilling basin below the spillway.

The Virginia Department of Conservation and Recreation, Dam Safety Division has approved all of the specified work that will take place on the dams. The structural integrity of the dam will not be altered during the construction process. If you have any questions or concerns please contact the Environmental Resources Manager at 540-972-5548.

Annual Tennis Round Robin and Potluck Picnic Scheduled
by Ken and Sharon Kaltenmark, Tennis Committee

Make your plans now to attend the annual end-of-season tennis round robin and potluck picnic at the Tennis Center at Hollyfield Park on Saturday, September 27. This is a fun event open to all tennis players. Play, in a round robin format, will be from 2-4 PM. Following the tennis (about 4:30 PM), the players and all their family members are invited to join us for the potluck picnic. Picnic benches will be set up near the gazebo for the picnic. If you are new to the Lake, this is a great way to meet your neighbors and fellow tennis players.

If the weatherman does not cooperate and provide us with a nice day, tennis will be canceled, but the picnic will go on as scheduled at 4:30 PM in the Lion George Lewis Pavilion in Sweetbriar Park, unless miserable conditions exist causing total cancelation. Hosts for this event are Ken and Sharon Kaltenmark. Please call them at 972-2616 to RSVP by Saturday, September 20. The tennis committee will provide all paper products and beverages. We ask each family to bring a dish to share with others: an appetizer, entrée, salad, side, or dessert. Please tell Ken or Sharon how many are coming to RSVP. Leave your phone number in the event of the need for a venue change.

Mark this date, September 27, on your calendar now to enjoy a fun filled afternoon of tennis, socializing, and great food.

Friday Night 9 Hole Couples Event

Make your plans now to attend the annual end-of-season tennis round robin and potluck picnic at the Tennis Center at Hollyfield Park on Saturday, September 27. This is a fun event open to all tennis players. Play, in a round robin format, will be from 2-4 PM. Following the tennis (about 4:30 PM), the players and all their family members are invited to join us for the potluck picnic. Picnic benches will be set up near the gazebo for the picnic. If you are new to the Lake, this is a great way to meet your neighbors and fellow tennis players.

If the weatherman does not cooperate and provide us with a nice day, tennis will be canceled, but the picnic will go on as scheduled at 4:30 PM in the Lion George Lewis Pavilion in Sweetbriar Park, unless miserable conditions exist causing total cancelation. We ask each family to bring a dish to share with others: an appetizer, entrée, salad, side, or dessert. Please tell Ken or Sharon how many are coming to play tennis, how many for the picnic, and what you wish to bring, when you RSVP. Leave your phone number in the event of the need for a venue change.

Mark this date, September 27, on your calendar now to enjoy a fun filled afternoon of tennis, socializing, and great food.
Captain’s Boat Parade Lit Up the Night by Ed Hoffman, Coordinator

On Saturday night, August 16, six boats formed the Lighted Boat Captains’ Parade. They proceeded around the point, past the dock to the delight of the spectators at the point and on the deck! No theme had been selected, and each boat had its own idea and music. After leaving Clubhouse Point, the parade continued around the lake.

Capt. Richard Chitty and crew flew the lighted American Flag that has been at every parade since 2001. Following Richard was Jim Ryan and crew playing patriotic music with lit flags. Next came Capt. Ed Hoffman and crew with “God Bless America” in lights and Kate Smith singing the famous Irving Berlin original song. Capt. Alex Salustri and crew carried the LOW Players banner for the next play, *Fiddler on the Roof*, complete with music and the actual fiddler in costume with his fiddle. Next Capt. Al Grella and crew celebrated Christmas in August complete with a lighted Christmas tree, music, and lights. Neil Buttimer and crew supported the Lake Youth Foundation with a lighted poster to complete the entries. Continuing around the lake many chants of “USA, USA, USA” and applause were heard in response to the lighted boats going past the docks.

It’s not too early to start planning to enter next year’s August Parade! It only takes a little planning, some imagination, a single or multiple strings of lights, and it results in fun for all.

“**It’s a Grand Night for Singing**” by Karen Kovarik, Subscription Chairman, Stage Alive

The Richmond Symphony kicks off our 45th season on Thursday, September 11, at 7:30 PM in Eastern View High School with a pops concert featuring a blend of classical and Broadway favorites. There will be a special rendition of Irving Berlin’s “God Bless America” to commemorate those who died on this date 13 years ago. The classical portion of the evening includes works by Rossini, Smetana, and Samuel Barber. Richard Rodgers (“It’s a Grand Night for Singing”) and George Gershwin offer the lighter touch, and to top it off, works by Aaron Copland from *Rodeo*.

A bit of cultural trivia for you: Our own Community Concert Association has been bringing you live musical entertainment longer than the Virginia Opera, which is celebrating its 40th anniversary this year.

Both season tickets ($55 per adult, $10 child), and single tickets ($25) are available and may be purchased at the door that night, or phone me at 972-7866, for advance purchase.

As surely as it is harvest time and football time, it is time for the LOW Garden Club’s annual picnic at the Lion George Lewis pavilion in Sweetbriar Park. The date is set for Monday, September 8, beginning at 5 PM, rain or shine. BBQ will be served. Bring a dish to share. Iced tea will be provided.

LOW Garden Club: It’s Picnic Time by Karen Kovarik, Publicity Chairman

Not only will we have the traditional 50-50 raffle, but baskets of goodies for some lucky winners. So, bring your dish, and any dollars to spare, and enjoy the fellowship.

---

**LOW fall Community Yard Sale!**

Some of the goods will be new, like-new, or just not wanted or not needed anymore.

**October 18 at the Sweetbriar Park Soccer Fields**

8am to 2pm

For more information or on how to register, call Sylvia or Sara at 540-972-9680

---

**LIFE at ITS BEST**

is choice, variety and walks with Lottie.

A BLT with grandkids or grilled salmon with friends. A workout on the treadmill or a morning walk amid beautiful scenery. Make an appointment with your doctor for a blood pressure check or stop by our on-site Clinic. Just some of the choices, variety and conveniences you’ll enjoy along with a carefree lifestyle and great amenities.

To learn more, call (540) 825-2411 or (800) 894-2411, and start living life at its best.

---

**LOW Community Yard Sale**

Items include old clothing, books, toys, household knickknacks, lawn and garden tools, sports equipment, board games and many more.

Jack Kelley, LOW Rescue Chief, to Speak at AARP
by Vicki Wood, Publicity, AARP Chapter 5239

Jack Kelley has worked for the Lake of the Woods Fire and Rescue Department for more than 22 years. Since retiring from his insurance business in December 2011, he has continued to serve the community as a volunteer EMT technician and is currently acting as Rescue Chief. Many residents at LOW have been relieved to see Jack come to their door with his fellow EMT members when there has been an emergency.

AARP members and guests will hear a description of how LOW Fire and Rescue saves lives on a daily basis. He will also show a DVD of “Hands Only CPR,” illustrating how successful these techniques are and how important education is in the practice of EMS. He will offer individuals an opportunity to practice CPR, if desired.

Members and visitors are invited to come to the LOW Clubhouse on Monday, September 15, at 9:30 AM, for coffee and “Hands Only CPR.”

It’s Halfway to St. Patrick’s Day
by Bill Halpin, Chairman, Heritage Committee, Gen. Thomas F. Meagher Division

Join the fun at the Third Annual Halfway to Saint Patrick’s Day Celebration on September 27, from 6:30 PM to 11:30 PM at our own beautiful Lake of the Woods Clubhouse. It will be a sit-down dinner with a choice of two menus: Salmon or Corned Beef. There will be door prizes; live music by Fredericksburg’s premier Celtic Band, Moh Pyrdieri; Irish Dance Performances by the Muggivan School of Irish Dance, and Céili dance lessons. Each guest will receive a Commemorative Pint Glass and one free beer or glass of wine. It’s very possible there will be a 50/50 as well! All this for a mere $35 per person!

Organize a table for eight! Come and enjoy this mid-year traditional celebration of Irish food, dance, music, and entertainment! Anyone who attended the 2012 and 2013 Irish Dance Performances by the Muggivan School of Irish Dance, and Céili dance will tell you about the fun times they had!

To reserve your tickets, call Neil at 972-0083, Bud at 972-3933, or Bill at 972-5903. Sponsored by General Thomas F. Meagher Division, Ancient Order of Hibernians in America, PO Box 567, Locust Grove, VA 22508-0567.

Red Cross Urgently in Need of Blood Donors by Larry Deem, LOW Lions

URGENT Need for Blood Donors! THAT is the first message one sees when visitors sign on to the American Red Cross website for the Mid-Atlantic Region. The American Red Cross is working very hard to recover from the effects of the severe weather conditions that occurred across our nation in the winter months and into the spring. Weather-related cancelations of blood donor drives were major factors in causing our blood banks, both locally and nationally, to fall below their historic levels. While the American Red Cross continues to strive to reverse this situation, the need for blood continues to grow. The LOW community has strongly supported the American Red Cross in their efforts to collect blood donations with their support for the blood donor drives in January, March, May and July of this year. All drives exceeded their collection goals. However, the recovery of the local and national blood banks is still a work in progress and the need for their services continues to grow. Can you help the American Red Cross in their URGENT need for Blood Donors?

The next blood donor drive at LOW will be on Tuesday, September 23. Please look at your personal schedule and consider making a commitment to donate on that day. Appointments can be made by visiting the American Red Cross web site at redcrossblood.org to find the latest information on blood donation needs, eligible donor criteria, and how to sign up for an appointment. Appointments can also be made by calling 1-800-RED CROSS (1-800-733-2767). Appointments let the American Red Cross know you are coming. The LOW Lions Club, as a sponsor of the blood drives, will also accept and work with all walk-in donors to get them in and out as fast as possible.

After the September blood donor drive at LOW, one remaining drive is planned this year on Tuesday, November 25.

DAR Opens Year Discussing American Revolution by Robbie Rokosz, Vice-Regent, Susannah Chandler Chapter DAR

Susannah Chandler Chapter DAR will hold its first 2014-2015 monthly meeting on Saturday, September 6. The meeting will be held at 1 PM at the Woods Center. Our new year holds much promise with our scheduled events.

In honor of Constitution Month (September), Robbie Rokosz will provide a presentation and discussion on “The Era of the American Revolution, 1763-1783.” The presentation is based on one chapter of the Encyclopedia of American History, edited by Richard B. Morris, Professor of History, Columbia University.

Serving Breakfast All Day
along with sandwiches, soup, salads and burgers.
Call your order in at 972-2216

Summer Concert Series
on the Point
Friday, September 26, from 7-9pm!

REUNION was born in a driveway in Lake of the Woods on August 1, 2010. That’s the day Bob Lyle (LOWA resident) and Todd Swain (Massaponax) met and learned of their shared love of so many types of music. Since then they’ve played over 150 dates and entertained audiences with an eclectic mix of Dance, Rock, Beach, Pop, Country and more. Four Tops to Kenny Chesney to Beatles to Bach (that’s not a misprint) Come out for our “Sock Hop under the Stars”...or just pull up a lawn chair and relax. Think of some requests, that’s always part of the fun!

Rules:
9/16, 4 PM (CC)

Tips From the Pro: Rea Hargraves, LOW PGA Pro

LOWA 44th Annual Membership Meeting (September 1) (2:00)

Bass Wholes Win August Tournament!
by Joe Lentine, **Reporter, LOW Anglers**

Thirteen boats started the day on Saturday, August 16, for the sixth tournament of the 2014 season with ideal late summer conditions, and by the end of the six hours of fishing, most teams were left shaking their heads as the fish just were not biting that day! The Bass Whole team of JD Krob and Matt Brady had a great start with their first fish of the day netting a 3.95 lb hog, which JD caught using a jig just outside a dock in shallow water. That turned out to be the big fish of the tournament as the quality fish were few and far between for all anglers after that. JD and Matt struggled with line issues for most of the day, with several other fish breaking their lines before they could be netted, but they were able to bring in a five fish limit of 11.71 lbs. which to their surprise, was the best bag of the lot. Team Extreme came in a close second at 10.84 lbs., and the rest of the boats ended a frustrating day all under 10 lbs.

The top five finishers in the August 16 event were as follows:
1st Place – Bass Wholes (JD Krob & Matt Brady): 5 fish total 11.71 lbs.
2nd Place – Team Extreme (Mark Nowacki & John Micks): 5 fish total 10.84 lbs.
3rd Place – G-Unit (Mike Hazard & Stephan Gunnett): 5 fish total 9.73 lbs.
4th Place – Hay Seeds (Dave Allen & Guy Breeden): 5 fish total 7.57 lbs.
5th Place – Lucky Charms (Mike Fanning & Rich Stanton): 5 fish total 7.57 lbs.

Big Fish – JD Krob – 3.95 lbs.

The August results changed the top five point standings a bit as the Bass Whole team moved into fourth overall place. After five events the season point totals show the following points:
1st Place – Lucky Charms: 870 points
2nd Place – G-Unit: 820 points
3rd Place – Hay Seeds: 775 points
4th Place – Bass Wholes: 755
5th Place – Trick’em & Stick’em: 745 points

All fish were released safely back in the lake after weigh-in. The next LOW Angler tournament will be held on Saturday, September 6, from 6:30 AM to 12:30 PM, with the BBQ picnic to follow at 3 PM at Greensprings Park. For more information about the LOW Anglers, go to our website LOWangler.webs.com/

MGA News
by James Lohr, **Treasurer, MGA**

The Men’s Golf Association encourages all members to attend our annual meeting and election of officers at 2 PM on Wednesday, September 10, in the Woods Center. Refreshments will be available at no charge to the member, a hot dog, chips, and a drink.

A second meeting will be held for working people at 6:30 PM on Wednesday, September 10, in the Woods Center.

Annual dues of $15 can be paid – add an additional $5 if you plan to attend the holiday/awards luncheon, to be held Saturday, December 6, at 11:30 AM in the LOW Clubhouse.

Questions? Please contact James Lohr at 972-4532.

Now you can wait at home with...

Honor Awards from p. 1

weekly comprehensive update of any suspicious activity or incidents for which his volunteers should be on the lookout. He also coordinates classroom instruction with the Orange County Sheriff, Orange County Emergency Services, and TRIAD to keep his volunteers up-to-date on the services Orange County can provide. His volunteers are the eyes and ears of Lake of the Woods, and he has made them more aware of what transpires in our wonderful community.

COMMUNITY SERVICE ORGANIZATION GROUP AWARD
Low Lake Grove AARP Chapter 5239

Low Lake Grove AARP Chapter 5239 has been a thriving organization here at the Lake since July 1998, and has had a great impact on many lives. The members work in alliance with many groups, including TRIAD (chapter members and law enforcement who provide for the safety of others) and with the LOW Lions/Lionesses. The money it raises each year is used to support local entities such as LOW Fire & Rescue, Lake Youth Foundation, Orange County Free Clinic, public schools, Head Start, Senior Nutrition Center, SAFE House, Sheriff’s Office, and the Locust Grove Food Pantry. Last year, these and other organizations received over $9,000 from the efforts of Chapter 5239. The bulk of donations come from the Election Day BBQ held each November when they sell delicious BBQ chicken dinners with all the fixings to all comers. It takes a lot of planning and effort by members to be so successful each year.

The Chapter holds a September food drive for the Wilderness Food Pantry in Locust Grove, where last year about a dozen volunteers collected over $1,500 and more than 1,000 pounds of food. Food items are also collected monthly at the Chapter meetings and taken to the distribution site. They also sponsor shredder events with a local bank to help people safely rid themselves of sensitive documents and frequently coordinate with the Orange County Sheriff’s Office and State Police to perform VIN-number etching on cars to help prevent theft.

Woods Cares is a valuable service to our seniors. Our AARP chapter’s group of volunteers provides transportation to medical appointments, grocery stores, etc., for seniors who no longer drive or are temporarily incapacitated. They frequently provide some simple outside cleanup, household chores, and necessary errands. Along with the LOW Lions Club, they conduct annual Senior Safe Driving Courses in a classroom setting with textbooks supplied by the Community Services Board, and aid in the Car-Fit program, which helps seniors and persons with disabilities to adjust their vehicles for safer driving.

LOW youth are also helped as they send a youngster to the week-long 4H Camp each year. In addition, they purchase school supplies for children who need assistance in the public schools and Head Start

Locust Grove AARP Chapter 5239 offers free tax assistance each year and helps the LOW Lions with eye glass recycling. This organization makes life better for many people and is truly deserving of this award.

DISTINGUISHED SERVICE AWARD – Awarded to four individuals.

James Buongiovanni has devoted most of the past 12 years to helping others. He has been a counselor and the coordinator of the AARP Tax-Aide Program at LOW serving 400-500 people each year and kept the computers running at all Tax-Aide sites in the area. As co-chairman of the Wilderness Food Pantry, he handles the finances, orders and picks up food from Fredericksburg, delivers it to the needy, and writes thank-you notes to contributors. He has served on the Safety Committee, is an active member of the Lions Club, and has been an extremely knowledgeable member of the ECC Committee for 12 years. An amateur ham radio enthusiast since his teens, Jim is presently helping children to learn how to operate a ham radio.

Edward Kessler was instrumental in organizing the LOW Veterans Club in 2008 and became the group’s first president. He led a board of officers that arranged many functions such as trips to military installations, arranging for military bands for LOW’s Christmas dinner dances, and many other activities. When the Independence Day parade became too time-consuming for our Fire & Rescue group, Ed volunteered the LOW Vets Club to take over the planning and implementing of this challenging task. The LOW Veterans Club is now a strong organization that provides support to all veterans and other members of our community.

Mary Lou McFarland has dedicated her talents to helping the young and the disabled. She founded and was first president of the LOW Childhelp Auxiliary, serving the children of Alice Tyler Village of Childhelp East, a residential treatment facility for abused children, where she also leads a Brownie troop. As the Lioness Scholarship chair, she assists Germanna Community College staff in selecting students to receive scholarships. An early member of the Lake Youth Foundation, Mary Lou organizes and instructs the annual Supersitters course, training countless LOW teenagers to become safe and effective babysitters. In 2010 Mary Lou was named Outstanding Child Advocate of the Year by the Orange County Youth Commission. She is a member of the Rappahannock-Rapidan Community Services Board, chairing the Program Committee and volunteering her time at the Bridges facility in Orange, to aid individuals with intellectual or developmental disabilities.

Peter G. Rainey’s love of history and his leadership have had a real impact on LOW. A member of the Germanna Memorial Foundation, the Orange County Historical Society and Friends of the Wilderness Battlefield, he began researching the history of the Lake in 2007 and ultimately created the LOW Civil War Study Group. The group created interpretive plaques on the Battle of the Wilderness events that took place within LOW and procured the relic cabinet and battle artifacts located in the Clubhouse. Dr. Rainey supervised the dedication of a memorial monument to those who died and remain on the battlefield, and has worked closely with the National Park Service on their Battle of the Wilderness Tours Program. He has also worked with local public schools to help students learn more about the history of the area and has supported Orange County tourism.

OUTSTANDING SERVICE AWARD – There are eight award winners for this category.

Alan Berry has been active with the Alzheimer’s Support Group, bringing people to the monthly meetings for over three years and becoming a facilitator of his own group of people with some type of dementia. He organized a weekly walking and game day to be blessed to the elderly. Alan represents Keaton’s Lake on the Lake Users Committee and led a new initiative that will maintain the health of both lakes with a 20-year water quality plan.

Another of Alan’s activities involves collecting donations for the Wilderness Food Pantry during all seasons. Each summer he collects fresh produce from a local farmer and delivers it, along with donations from The LOW Church, and he assists each year with the AARP annual fall food drive. Alan also frequently drives people to medical appointments, some as far away as Charlottesville or Bethesda.

See Honor Awards on p. 13
Dick and Kathleen Bradie together serve LOW residents in many ways. They have installed and maintained over 80 Guardian Alert 911 systems to protect older citizens who live alone, giving their families peace of mind. As long-time members of Locust Grove AARP Chapter 5239, they organized the VIN etching program with the Orange County Sheriff’s Office to help prevent car theft and coordinated the shredding events with local banks, allowing residents to destroy personal papers and guard against identity theft. Dick and Kathleen have been TRIAD coordinators for many years, improving the safety of seniors throughout Orange County. This work consists of organizing seminars, fraud alerts, and the very successful “File of Life” kit, which contains vital medical and contact information for the rescue squad in an emergency. They have helped with the AARP Day of Service each year, supporting local hospitals, the National Park Service, and others. As graduates of the Orange County Citizens Police Academy, they assist with new classes and, with other graduates, help the Sheriff’s Office with Active Shooter exercises. As if this were not enough, Dick and Kathleen serve as docents at the Orange County Visitor’s Center.

Jeanette Embrey has chaired Woods Cares for an incredible 13 years. Coordinating from 30 to 35 volunteers, she makes sure everything gets done in a timely fashion. Their services consist of transporting people to medical appointments, picking up prescriptions or groceries, sitting with Alzheimer and handicapped residents to give caregivers a break, well-check calls, and all manner of tasks in the home, like making lunch, moving furniture, and installing smoke detectors. Woods Cares has logged more than 6,000 hours of service under Jeanette’s leadership.

Lee Frame is well known in LOW for his many activities in serving our community. Lee is serving his second term on the Orange County Board of Supervisors, representing the major portion of Lake of the Woods. He has demonstrated outstanding leadership and has rightly served as that body’s Chairman. He served for three years on the LOW Board of Directors, including one year as Board president. Lee also served as a Captain of LOW’s volunteer Rescue Squad. He was instrumental in reorganizing the Honor Awards Committee when it was close to being disbanded and served on that Committee for three years. Lee is currently a member of the Commission of Dogwood Village in Orange. This six-member commission makes decisions on the operations of this wonderful nursing and rehabilitation facility.

Lee is an active member of the LOW Lions Club, and a member and frequent performer with the LOW Players. Lee Frame has shown his strong leadership abilities in all he does. We are fortunate to have such a capable individual representing LOW in so many capacities.

Sandie Frame wears many hats volunteering at LOW. She is a long-time member of LOW Players, serving as co-manager last year. She manages online ticket sales and attends every performance making sure playgoers are seated at the right table and even helps create the table decorations that coordinate with the play’s theme. As a member of Locust Grove AARP Chapter 5239, Sandie serves as Medical Issues chair, writing a monthly column for the Perspectives newsletter and serves Woods Care as a medical-appointments driver. She serves as secretary of the Equestrian Committee keeping the books and helping at each open house. Her sewing talents are many, including embroidering names on backpacks given to children through LOW Childhelp. As a member of the Fire & Rescue Auxiliary, she works on the annual banquet and helps sell LOW phonebooks at various events. Of course, Sandie’s organizational skills are also used to keep her busy husband Lee’s calendar current.

Stanley Lasonover began his volunteer life here at the Lake with the ECC Committee. In one instance he led an effort to construct a wheelchair ramp so a member could return home from rehab. As a member of the Lions Club, he assists at the LOW Lions Wilderness Food Bank, picking up food in Fredericksburg and delivering it to the Lion trailers in Locust Grove. Every Saturday finds him at the Lion’s Walter Velona Building flea market where he assists with pick-ups and deliveries to the Lions’ trailer in the 9.9 area. Stan also volunteers with the Lions blood drive. When the president of the LOW Lions was unable to continue his work, Stan quickly volunteered to help the vice president fill the gap. He has taken a leadership role with the Independence Day Parade activities organized by the LOW Veterans Club, and various volunteer work for AARP Chapter 5239.

Members of the LOW Woodworkers Club (award accepted by Des Flanigan) have worked for 15 years building, repairing, and renovating various structures at the Lake and surrounding communities. They rebuild the bridge over the Memorial Garden stream to make it handicapped accessible and designed and built a moveable stairway for the Community Center. They repaired and refurbished the Clubhouse front entrance benches and are currently repairing the legs of over 50 barrel chairs at the Clubhouse. Many members have assisted neighbors with various projects, such as building wheelchair ramps, and some were involved in building a pergola for the Orange County Animal Shelter. Along with providing woodworking expertise and use of club machinery, the club teaches tool safety through videos and hands-on experience.

Charles “Chuck” Russell has made a tremendous difference in the health, wellbeing, and fitness of our community. For seven years he has been a leader on two committees, procuring equipment for the Fitness Center and for our parks. Chuck is currently liaison to LOWA administration and other committees for all things involving fitness. He was instrumental in establishing our first Fitness Center in 2005 at the LOW Campground, as well as moving it to its present location in the Clubhouse Pools and Fitness Building, where current memberships stand at 719 families, representing more than 2,100 individuals. It got the highest amenity rating in our annual LOW survey and has generated a surplus averaging $30,000-40,000 annually, with an estimated $51,000 surplus for this year. Without Chuck’s dedication and hard work, the Fitness Center could not have become so successful so quickly.

See Honor Awards on p. 14
Honor Awards from p. 13

OUTSTANDING YOUTH AWARD
Benjamin Corner decided to do something about the general lack of knowledge about autism when he saw his autistic older brother Nathan being teased. He wrote letters to all the Orange County schools and newspapers and went door-to-door to local businesses with his ideas for an Autism Awareness Week called Project: Turn Orange Blue. Result: The second week of April was Autism Awareness Week at Locust Grove Middle School, and next year’s event is already in the planning stage. Students were given daily facts about autism and encouraged to wear blue to school. Students and teachers donated $400 for autism awareness. Benjamin was given daily facts about autism and encouraged to wear blue to school. Students and teachers donated $400 for autism awareness. Benjamin was given daily facts about autism and encouraged to wear blue to school. Students and teachers donated $400 for autism awareness. Benjamin was given daily facts about autism and encouraged to wear blue to school. Students and teachers donated $400 for autism awareness. Benjamin was given daily facts about autism and encouraged to wear blue to school. Students and teachers donated $400 for autism awareness.

CERTIFICATE OF APPRECIATION – Four certificates were awarded.
Russell Ambroziak created software to make the maps used in our LOW Directory and last year added house numbers to each lot. He also created the maps of the Lake given to new homeowners, and a map of hiking trails made for the Fitness Center. Russell served on the ECC twice and was called on for his color expertise when a house-paint question arose.

Jan Lemieux spent years teaching people to love bridge as she does. The fees collected from bridge lessons at her home are used for Lioness Club scholarships to LOW high school seniors, raising $18,000 in the past 14 years. She also organizes bridge lessons at her home, and a map of hiking trails made for the Fitness Center. Russell served on the ECC twice and was called on for his color expertise when a house-paint question arose.

Mary Sims’ volunteer maintenance work at the Memorial Garden has been exemplary. A member of the LOW Garden Club, she has spent innumerable hours replacing dead shrubs, weeding, mulching, clearing the walking trail and stream, and organizing work crews. She worked tirelessly to make the Memorial Garden a part of the House and Garden Tour and represented the Garden Club as Project Manager for the walking trail restoration. Mary works on the garden several days each week to ensure the beauty of the garden.

Members of the Wilderness Battlefield Grounds Force, in conjunction with the LOW Garden Club, worked for 174 hours to restore the walking trail adjacent to the Memorial Garden. Bob Johnson, Ken Frohner, Gary Mauss, Dan Greene, Frank Sims, Skip Poole, Dorse Counts, Wade Aylor, and Det Wilkins repaired and strengthened bridges, cleared debris from the land and streambed, made a new path, added crushed stones to pathways, and generally made the entire area safe for all to enjoy.
September 20, 3 PM-8 PM, Friends of the Rappahannock’s 24th annual “Rappahannock Riverfest” at Farley Vale Farm, Rt 3, King George. Details/tickets: rivertriends.org. or 373-3448.

September 26, the Civil War Study Group at Lake of the Woods meeting at 10:30 AM at the Woods Center. Topic is Battle at Cedar Mountain.

Water Fitness Classes at Wilderness Presidential Resort. Located just six miles east of the LOW entrance. Classes are held on Mondays, Wednesdays and Fridays at 11 AM and 12:15 PM. The cost for a three month session is $125 and passes may be purchased at the Reservations Building at the front of the resort. Credit cards and cash are accepted—no checks, please. Info: Carol, 972-6739 or Fay, 412-2549.

Volunteer Tutors Needed! The Office on Youth is looking for volunteers to tutor children from grades K-5 at Locust Grove Primary and Locust Grove Elementary Schools. A project EXCEL volunteer typically tutors once a week for an hour. If you have the time and love helping a child learn or need more information, call Leigh Ann Cubbage at leighannchubbage@yahoo.com or avines@orangecountyva.gov.

Good Time Cruisers Car Show from 5-8 PM, Free Fun! Featuring special interest, custom, classic, antique, and hot rod cars. Held on the second Saturday of each month through October at the Locust Grove Town Center (Routes 20 & 611). Prize drawings and golden oldies music. Proceeds go to LOW F&R, Locust Grove Food Pantry, and local charities. Info: goodtimecruiserswebs.com.

Fireworks Notice: The Mid-Atlantic Pyrotechnic Arts Guild will be displaying fireworks on the last weekend of the month (Thurs-Sat ending by 11 PM) through October. Located outside and west of the back gate.

Lost or Found Pets. A Facebook page has been set up for posting lost or found pets in LOW. facebook.com/LOWlostfoundpets.

Hearing Aids/Eyeglasses Recycled: Place unused hearing aids and eyeglasses in LOW Lions boxes at Wells Fargo Bank, Wilderness Pharmacy, LOW Hair Studio, LOW Security, and Dr. Stephen Lord in Orange.

The Lions Club is seeking wheelchairs and attached equipment for wheelchairs. Info: Noel, 972-0018 to donate items.

September 5, Brandy Station Vol. Fire Dept. Open To The Public Chicken Dinner Friday 5 PM to 7 PM, BFVF Charter Hall. Menu: Fried Chicken, Mashed Potatoes & gravy, Green Beans, Corn Pudding, Cole-Slaw, Rolls, Assorted Desserts and beverages. Adults $10, $6 for children ages 6-10. Children 5 and under are free. Carry outs available. Parking in the rear of the Brandy Station Fire Department. Proceeds go to Brandy Station Volunteer Fire Department Auxiliary.

September 5, Alzheimer’s Dine To Donate, Bella Cucina restaurant will donate a portion of their proceeds on Sept 5. You may join them for lunch or dinner. All proceeds will go for the Alzheimer’s Tri-County Walk to be held in Culpeper on Sept. 20. Info: Norma 972-0652.

Cause 4 Paws. We are still in need of volunteers, cat food, and monetary donations. Proceeds benefit feline rescue. Donations are tax deductible as we are a 501(c)(3) charity. Info: Mary Kay, 809-2156 or Trish, 972-8951.

LOW Lioness Book Sale - Used books will be sold on the last Saturday of each month from 8:30 AM-3:30 PM at the Ferris Bldg. Proceeds go to the Benevolence Fund. Book donations are accepted at our book sales and on Mondays and Thursdays from 9:30 AM-11 AM. Info: Ann, 972-4338 or Sherri, 412-9854.

Bargains, Bargains, Bargains! The Lions/Velona Bldg. will be open for sales and drop offs on Saturdays each month from 9 AM to Noon. For furniture pick-ups, call John at 972-1187; for Velona sales, call Dan, 972-4531; for buying/selling furniture, call Norm, 540-205-5529 or Stan, 412-9854.

Cars for Homes. Donate your car, boat, RV, trailer and proceeds will go to Orange County Habitat for Humanity. Call 877-277-4344, and they will pick up. All donations are tax deductible.

LOW Directory - On sale for $10 at Member Services area in the lower level Holcomb Bldg. Sales benefit F&R. For directory changes or additions, please email LOWNDirectory@comcast.net. The new Directory is now available!

LOW Lions/Lioness Wilderness Food Pantry located behind LG Town Center, Rt. 20, 1st and 3rd Thursdays from 9 AM to Noon; second and last Wed. from 5-7 PM; last Sat. from 9 AM to Noon. Clients may come to the pantry two times each month. Info: Betty 972-1872.

Lions Medical Equipment - Durable Medical Equipment is available for temporary loan to those with needs. Lions also gratefully receive donations of used equipment, in clean and good condition, that can be readily used by others. Contact Noel, 972-0018; Dave, 972-2125; Florence, 972-2505; or George, 840-2740. Please leave message and we will return your call.

Lyme Disease Support Group, 7 PM. Meeting every other week at 106 Mt. Pleasant Drive. RSVP/Info: Terry 570-228-7415.

Looking for a Baby Sitter? The Lake Youth Foundation has a list of students who have taken their Super Sitter class with lessons in fire, first aid and CPR, practiced handling babies with confidence, and learned fun activities for children. Contact Sylvia for list at 972-9680 or email LYF at info@lakeyouth.org.

Alzheimer & Dementia Support Group. 2nd Wed. at 10 AM, Room 210/211. Info: LOW Church 972-9060.

Alzheimer’s Support Group: 6:30-7:30 PM, Culpeper County Library, 271 Southgate Shopping Ctr. FREE. Learn tools needed in each stage of the disease to support both care partners and those diagnosed. Open to all. Meets 3rd Tuesday. By Alzheimer’s Association’s Caregiver Support Groups. Call to confirm group is meeting. Info: Kathi Walker, 825-3100, ext. 3416, or kwalker@mrcsb.org.

Alcoholics Anonymous: Meetings are held at LOW Church, 7 PM, every Mon (Rm 506), Wed (Cabins), and Fri (Rm 505). Info: LOW Church 972-9060.

Al-Anon Meeting: Every Tues. at 7 PM, LOW Church, Founders Room. Info: Diane, 540-538-7121.

Seeking Counseling? The LOW Church offers free counseling, by appointment. Info: LOW Church 972-9060 or a Pastor. We care.

Healing Hearts Grief Support Group. Tuesdays, 7 PM, LOW Church Library. Weekly support group for anyone grieving the death of someone close. Please call Lynn 972-7714, before attending.

Red Cross Blood Drive. 4th Tues. every other month. LL Clubhouse from 1-7 PM. To give blood, you must be generally healthy, 17 years of age or more, and weigh at least 110 pounds. The next blood drive will be September 23. Info: Larry 972-9107.

Thinkin’ About Quittin’. Free, individualized stop-smoking program. Culpepper Regional Hospital, 829-4190.

Orange County Free Clinic offers primary medical care and prescription assistance to the uninsured in OC. Medical care available Mon., Wed., and Fri. by appt and on Tues. evenings (walk-in).13296-A James Madison Hwy, Orange. Volunteers needed. Info: Dorren Brown, 672-0793.

Lake Currents           September 5, 2014

4’ve have the option of a 5 day Program

Please contact us for more information.

LOW Community Center (vp.preschool@gmail.com)
540-972-9682

www.lakecooppreschool.org

Enrollment is open to both Lake and Non-Lake families.
Seven letters were submitted to ViewPoints and all have been printed.
Lake Currents prints all ViewPoints submitted that meet ViewPoints Guidelines. The comments and opinions offered by individual members do not necessarily reflect the views of the Association. Letters for publication should be limited to 175 words or less, be submitted by a member in good standing with the association, and emailed to LakeCurrents@LOWA.org. Letters are published as submitted and not subject to editing, except where required to conform to Board approved guidelines. Letters must include writer’s name, lot and section number.
Fall Two Person Team  
September 13-14, 2014

This event is open to everyone! Golfers will pick a partner of the same gender and sign-up in the Pro Shop. Shotgun start both days at 8:30 am.

Format: One “Best Ball” of the Two Golfer Team

Three separate events: Men, Senior Men, and Ladies. Events will be pre-flighted using their September monthly handicap as of September 1st.

You can Sign-up in the Pro Shop from August 30th - September 11th  
Cut Off on the 11th at noon

AARP Sets Date for Food Drive  
by Kathi Martin and Carolyn Durphy, Coordinators

The LOW AARP chapter has set Saturday, September 13 for their annual food drive to benefit the Wilderness Food Pantry. This year there are two collection sites: the LOW Security Parking Lot (across from the entrance gate) from 9 AM to 1 PM, and Walmart (outside main door) from 10 AM to 1 PM.

Thanks to the generosity of LOW residents, in 2013 AARP was able to donate over 1300 pounds of food and several hundred dollars in checks.

Items to donate would include peanut butter, jelly, canned meats (spam-hash-little hams), cereal, “Helpers” and other meal makers, canned tuna, canned soups (chicken noodle is a favorite but all are welcome and the cream soups are great meal makers), dry pasta, canned chili and stew, canned beans of all kinds, sides (pasta, potato, rice) and canned vegetables.

Just for an idea of how much food weighs, just imagine one of your grocery bags filled with 10 of the #1 can of vegetables. There are approximately 10 pounds right there. Some residents prefer to donate cash or checks; this is a great idea because the Pantry volunteers are able to purchase fresh meat and dairy from the Food Bank in Fredericksburg.

Make your checks payable to Wilderness Food Pantry, but please turn them in to us so that our chapter can keep the count. Remember that ALL donations to the Wilderness Food Pantry, whether groceries or money, are tax deductible.

Checks can also be mailed to Kathi Martin, 101 Windy Lane, LOW.

Stop by for a chat on September 13, and bring your donations for this excellent project which helps hundreds of Orange residents.
October 12 Open House
by Brenda Rogers, Coordinator

The Realtor’s Open House at Lake of the Woods will be held Sunday, October 12, from Noon to 4 PM. LOW has about 3,700 houses that attract varied income levels as reflected in the home prices, which range from $150,000 to over $1 million. LOW thrives with a diverse population of young families, commuters, weekenders, and retired folks. LOW members are encouraged to alert friends and relatives of the coming Open House. Visitors may tour homes and see why you love where you live. If you wish to sell your house by owner or with a realtor, plan now to participate in the Open House. For more information, call Brenda at 972-8117 or email: drogers73@msn.com.

Tickets on Sale for Fiddler on the Roof
by Marion Pronk, Director, LOW Players

This season the LOW Players bring you one of the most iconic Broadway musicals and major motion pictures of the last 50 years – Fiddler on the Roof. As director of this beloved musical, I also bring to you Mr. Bob McGrath who magnificently portrays the character of Teyve – the colorful, warmhearted Jewish dairyman, as well as a large, talented supporting cast. Bob McGrath is one of those conscientious performers who masters almost every part of the role before the first rehearsal. It is our community’s good fortune that Bob shares his many talents with us and to have an energetic and enthusiastic supporting cast. All this good fortune enables the LOW Players to bring the very best entertainment to our community as professional a manner as possible.

Ticket sales to the general public begin Monday, September 1. Tickets are $27 for all adults and $22 for students ages 6 to 18. Performance dates are evenings at 7:30 PM on October 17, 18, 23, 24, 25 and a matinee at 2 PM on Sunday, October 19. Use our website, LOWplayers.org, to order tickets, or call Sandie at 972-6385. We expect the demand for tickets to be greater than our past shows, so please do not get stuck behind closed doors – get your tickets now! In addition, there is no guarantee that room for walk-ins will be available. We also have ticket requests from local organizations, so, again, get those tickets now!

Fiddler on the Roof, starring Bob McGrath, allows the Lake of the Woods Players to bring us all together as we share an experience of local theatrical art and cultural enrichment. We are forever grateful for your past commitment and support and we look forward to a continuation of the same. L’Chaim!

B&N Farms

FALL LANDSCAPING

Thanks for your support this summer! The farm market is now closed, but our horticulture expert is offering these services to LOW residents:

• Lawn Mowing and Trimming
• Application of Fertilizer/Lime
• Creation of Mulched Beds
• Mulching (9.9 or nursery)
• Light Tree Trimming
• Leaf Removal/Yard Cleanup

Call Andy Brown at 703-599-1315 for a price quote.

Most of the debris removed from your property will be composted at the B&N farm to continue our practice of growing produce with mulched B
deds.

Coming in December: Holiday Open House at our Market Store

LOWA and LOW True Value.

Photo by Lisa Naghshineh

Kids participated in a Junior Tennis Clinic taught by Tennis Pro Billie O’Neil on August 25-26 at Hollyfield Park tennis courts. The clinic was sponsored by LOWA and LOW True Value.
Annual Art Show and Sale
Coming October 18-19
by Jan Moore, Co-chair, LOW Visual Arts Council (LOWAC)

One of the artists who will exhibit at the show is Violet Liberti. Vi has lived at LOW for 20 years and has participated in and helped with the art show for nearly that long.

Art has always been a part of Violet’s life. After two years of college, Vi studied at the Pratt Institute Art School for two years. Her professional experience include: in NYC designing prints for fabrics and wallpaper, creating illustrations, layout and proofreading for a children’s book publisher in NJ, and creating brochures and posters for an Education Association. During those years, Vi followed her passion for art by taking college classes in various media in her spare time.

China painting caught her fancy and Vi created many lovely pieces gifted to lucky family and friends. Vi also paints on rocks, trays, slate, and even painted decorative tiles for a kitchen. Since she no longer has a kiln, Vi continues painting with watercolors and acrylics.

Vi shares her talents with the community by producing posters for AARP, painting sets for the LOW Players Club, and doing calligraphy for the LOW annual award certificates.

Come see what Violet and other painters, potters, woodworkers, jewelry makers, photographers, and crafters have created. How about you?

Three LOW Water Ski Club members competed in the 2014 Virginia State Waterski Championships. The State Championship is a three-event competition, where skiers compete in Slalom, Trick, and Jump skiing events.

Abigail Quinlan (age 8) has been a member of the LOW Ski Club for three years. This was her first year to participate in the State Competition. Abigail took third place overall in the Girls 1 Slalom event, placed fourth in the Tricks event, and finished third overall in the Girls 1 division.

Chance Prine (age 13) has been a member of the LOW Ski Club for six years. This was his first year to compete in the State Championships. Chance took first place in all three events, and was named the Boys 2 State Champion.

Christopher Driggers (age 24) is an alumni member of the LOW Water Ski Club. He has been skiing competitively since he was in his teens. Chris placed first in all three events, which included a jump of 183.0 ft. He was named the Virginia Men’s 1 State Champion. Chris went on to represent the State of Virginia in the Eastern Regional Championships that were held in New York. He placed first overall, and was named the Men’s 1 Division 2014 Eastern Region Champion. Congratulations to all of our skiers!

The LOW Water Ski Club is accepting applications for membership for the 2015 Ski Season. We welcome all levels of skiers. However, beginning skier spots are limited. Membership applications can be acquired by mailing an inquiry to LOW Water Ski Club, PO Box 942, Locust Grove, VA 22508, or by emailing the club at lowsikiclub@yahoo.com.

dogwood village senior living celebrates national assisted living week september 7-13

please join our celebration of national assisted living week. the theme this year is “the magic of music.” the week will be filled with exciting, fun-filled events as staff, residents and family members interact and participate in numerous activities.

Bob Brockman plays for his mother, Elizabeth Brockman.

U.S. Constitution Day Dinner Scheduled by Barbara Strain, Susan Allen Republican Women’s Club

On Wednesday, September 17, which is Constitution Day, a celebratory dinner will be held at the LOW Clubhouse beginning with a cash bar at 6 PM and dinner served at 6:30 PM. After dinner, Al Aitken from the Culpeper Constitution Study Group will present information about our U. S. Constitution. Al leads this Study Group and for over four years it has been studying the original intent and meaning of our U.S. Constitution and its First Principles. To get to the original intent it has taken a rather novel approach—studying the writings of the men who actually wrote it.

The Constitution was written in the summer of 1787 by 55 delegates from 12 of the 13 new, independent, states who agreed to delegate very limited, specific powers to the new federal government and retain all other powers and rights to themselves and to the people—precisely why the Constitution’s preamble begins with, “We the people…” It is the Constitution that guarantees our freedoms, guards against tyranny, and makes us a nation of laws—not of men. This presentation will offer knowledge and understanding of our Constitution, so be sure to mark your calendar, and make a reservation by Friday, September 12 to attend.

The menu for that night is Salad, Pecan Crusted Chicken, Sweet Mashed Potatoes, Vegetable Medley, Éclairs, Rolls & Butter and Beverages. To make a reservation, send a check for $20 per person to SARWC, P.O. Box 803, Locust Grove, VA 22508. For questions please call Toni Ruther at 972-0295.
3. PRESENTATIONS

Keiter submitted a draft report of the results of their audit of LOWA balance sheets and financial statements representing LOWA’s financial position as of 30 April 2014 (FY 2013-14). Audit Manager Doug Nickerson summarized the process used and results of the audit of LOWA’s financial statements, which was given a rating of “unmodified opinion,” the highest rating available. New to the report requirements this year was the addition of supplemental information in the form of a Schedule of Future Major Repairs and Replacements, now required by the Financial Accounting Standards Board.

The Board did not recommend any changes to the report, and directed Mr. Nickerson to have Keiter put the report in final form.

4. Member Comments on Business Agenda. There were no comments.

5. UNFINISHED BUSINESS
5.1 Consideration of Approving Administrative Resolution 2014-6 Regarding a New Capital Policy. Motion by Rugless, passed unanimously, that the Board adopt Administrative Resolution 2014-6 regarding a New Capital Reserve Policy.

5.2 Consideration of Approving Administrative Resolution 2014-7 Regarding a Contingency Policy. Motion by Rugless, passed unanimously, that the Board adopt Administrative Resolution 2014-7 regarding a Contingency Reserve Policy.

5.3 Consideration of Repealing Administrative Resolution 2012-8 dated April 14, 2013, Regarding the Reserve Fund Policy. Motion by Delio, passed unanimously, that the Board repeal Administrative Resolution 2012-8 dated April 14, 2013, regarding the Reserve Fund Policy.

5.4 Consideration of Sending to Rules Committee Proposed Amendments to LOWA Regulation XIV: Schedule of Penalties, to Add Two Additional Flagrant Violations. Motion by Anderson, passed unanimously, that the Board send to the Rules Committee proposed amendments to LOWA Regulation XIV: Schedule of Penalties, to add two additional flagrant violations.

5.5 Consideration of Sending to the Rules Committee Proposed Amendments to LOWA Regulations Concerning Deactivation of Barcodes for Nonpayment of Annual Assessment and Other Amounts Due the Association after 60 Days. Motion by Anderson, passed unanimously, that the Board send to the Rules Committee proposed amendments to LOWA Regulations concerning deactivation of barcodes for nonpayment of the annual assessment and other amounts due to the Association after 60 days.

6. NEW BUSINESS

6.2 Consideration of Reclasifying $120,000 in Ditch Reconstruction Funds from the Operating Budget to the Capital Budget. Motion by Rugless, passed unanimously, that the Board reclassify $120,000 in ditch reconstruction funds from the Capital Budget to the Operating Budget as recommended by our Auditor.

Motion by Hutchinson, passed unanimously, that the Board adopt Special Resolution 2014-3 requesting the Orange County Board of Supervisors designate LOWA roads as highways for traffic enforcement purposes, but not requiring the Orange County Sheriff to provide traffic enforcement.

6.4 Consideration of Entering Lots for Maintenance.

Motion by Rugless, passed unanimously, that Section 1, Lot 195 be entered on or after August 20, 2014 and every three weeks thereafter through October 2014; and the lot be mowed and cleared of debris, and that the property be billed for the cost related to such work in accordance with Paragraph 14 of the Restrictive Covenants.

Motion by Rugless, passed unanimously, that Section 10, Lot 238 be entered on or after August 20, 2014 and every three weeks thereafter through October 2014; and the lot be mowed and cleared of debris, and that the property be billed for the cost related to such work in accordance with Paragraph 14 of the Restrictive Covenants.

6.5 Adjournment. Motion by Delio, passed unanimously, to adjourn the meeting at 3:28 PM.

7. WORKSHOP
7.1 Lakeview Parkway Walkway Feasibility Study

Director of Facilities Jessica Graves provided the Board with an update on progress made on the Walkway Feasibility Study. Five feasible locations have been identified as possible candidates for a pilot project. Details and locations were outlined and listed in priority order based on location, connectivity to the community and cost. Possible above- and below-ground utility interference and stormwater drainage patterns were concerns for a couple of the proposed routes. The Board requested that management continue to develop plans for the proposed routes and identify additional possible routes for further consideration.

8. Member General Comments. Three members had questions or safety concerns related to the proposed walkways along Lakeview Parkway. One member questioned the statistical significance of the Planning Survey, considering the 17% response rate.

9. Scheduled Meetings:
   • Annual Meeting of the Membership: Monday, September 1, 2014, at 10 AM, Community Center.
   • Annual Meeting of the Board: Wednesday, September 3, 2014, at 9 AM, Community Center.
   • Regular Board of Directors Meeting and Workshop: Wednesday, September 17, 2014, at 2 PM in the Community Center.

10. Adjournment: Motion by Kelly, passed unanimously, to adjourn the Workshop at 3:52 PM.
