Results from LYF’s 9th Annual Cardboard Boat Regatta

by Diane Hileman, Chairperson, Cardboard Boat Regatta

The Lake Youth Foundation had its largest turnout for its 9th Annual Cardboard Boat Regatta which was held on July 20 at Sailboat Beach. Fourteen boats were entered in the regatta in six different race categories. Below is the list of participants and their rankings in the races.

**Ages 10 & Younger**
- 1st Place: Deep Trouble, Lucas and James Sagar
- 2nd Place: SS Origami, Ben Fields
- 3rd Place: Lake Monster, Emily Weber

**Ages 11 - 14**
- 1st Place: Sea Bear, Gene Flecker
- 2nd Place: The Boat-R-Fly, Emma McFarland
- 3rd Place: Smaug, Ethan Ewing and Jay Walrond

**Ages 15 - 18**
- 1st Place: Krispy Kreme, Anthony Albrecht
- 2nd Place: Get Reel, Jason Hileman

**Ages 19 & Up**
- 1st Place: Lake Monster, Matt Weber
- 2nd Place: The Hokie Boat, Melanie and Todd Philipp
- 3rd Place: USS Monitor, Mark Albrecht and Nathan Hileman

**Parent and Child**
- 1st Place: Noah’s Ark, Tim Barr, Max and Rob Yarrow

You should have received your ballot(s) during the first week of August. If not, please notify the Holcomb Office. Please mail your ballot(s) or bring them to the locked ballot box in the Holcomb Building Office. Ballots may also be turned in during the LOWA Annual Meeting at 10 AM on Labor Day, September 2. The number of ballots returned in 2012 was the highest we have had in several years, over 1700. We look forward to far more members voting now in 2013, so please mark your choice on your ballot and return. Vote!

The deadline for submitting your ballot will be at the conclusion of the LOWA Annual Meeting on September 2, 2013. If mailing is your preference, please do so by Wednesday, August 28, to insure its receipt prior to the mail delivery on Saturday, August 31.

Please remember that only one ballot per lot is accepted. The ballot instructions request that ballots be taped shut on the bottom for security. They also advise members that they may choose to vote for four (4) candidates from the seven (7) listed on the ballot(s), with the fourth candidate chosen to be a Director for a two-year term vacated in 2012.

As LOWA members, your votes determine who will serve on the LOWA Board of Directors over the next three years. To express your choices, **You Must Vote!**

**School/Civic/Club/Business**
- 1st Place: Soccer Star-OSA, Emma, Noah and Shawn Harlan
- 2nd Place: Pingu II (AARP), Bobbie Prees

**Pre-Race Awards**
- Best in Show: Noah’s Ark
- Most Likely to Float: Pingu II (AARP)
- Titanic: Soccer Star (Orange Soccer Association)
- People’s Choice: Pingu II (AARP)

LYF would like to thank our official judges Nola Davidson, representing the Lions, Beth Sundberg representing the Lioness, and Sylvia Zelinsky, representing LOWA, for selecting the boats for our pre-race awards. Thanks to Jimmy Lee and John Rush for their efforts as safety kayakers, Gail Hardin for supplying the kayaks, Melanie Philipp for placing the race buoys in the water and for giving our pre-race briefings, Mary Kramer for assisting with the business logo designs on the regatta shirts, Eric and Tony Kramer for tabulating the donations for the People’s Choice award, and Dennis Kramer for being the event photographer. A special thanks to Hank Lewis for being the master of ceremonies for this year’s regatta.

We would like to thank our sponsors for their continued financial support: LOW Lions and Lioness Clubs; CCE Specialties, LLC; LOW Bass Anglers; The Car Doctor; AARP Chapter 5239; and Century 21 Redwood, (Suzanne Brady). See you all next year for another fun filled regatta!
ASSOCIATION NEWS

President’s Letter by Jim Walsh

One of the many tools the Board uses to evaluate its performance and the performance of the General Manager is the Board Goals, which we developed and published to the community. A review of those goals follows. Please give us your feedback on how we have done since January. Send your emails to board@LOWA.org.

- Fully implement the Lakes Management Plan. This was one of the first things we accomplished. Our lakes are our most precious resource. The Plans have been submitted to the Army Corps of Engineers for approval. We are still waiting on that approval. As a result, the stream restoration on the 13th Fairway has been delayed.
- Complete the front entrance improvements. This is done except for some shrubs which should be planted in October.
- Fund the renovation of the Clubhouse and incorporate the Bride’s dressing room. This has been funded for a total of $112,000. The Clubhouse Committee is working with the architect on the final design, and the contract should be awarded in October or November with work to begin January 2014.
- Task the Planning Committee to have by July 1, 2013, a long-term plan for Lake of the Woods. The Planning Committee, with input from our standing committees, gave an excellent presentation to the Board. This is a working document, and it contains items we need to be thinking about as a community. It is not a wish list. A community with no long-term plan is a dying community.
- The next step in the process should be to adopt it and review it annually.
- Review our procedures for collecting fines from ECC violators. We reviewed the procedures. If you are a member who is not in good standing, and ECC violators who do not pay fit this category, you will not be permitted to purchase annual boat decals, an annual golf pass, have access to the Fitness Center, and run the risk of having your bar code deactivated.
- Explore means to increase non-assessment revenue by the Board developing and implementing a senior housing project, the sale of LOWA lots, and modifying governing documents. We have explored all three and all three are still in the working stages. If you believe we should keep the assessment as low as possible, while maintaining a vibrant and healthy community with the reserves to maintain our infrastructure, then we need new revenue sources.
- Come to a final resolution on the trash compactor: After careful consideration the Board voted to keep the trash compactor an additional two years.
- Install sign at the Fitness Center prior to the May realtors’ open house. It was there for the May open house, and if you have not seen it, drive by and check it out.
- Approve the Golf Course irrigation system. The system has been approved, and we expect construction to begin around September 1.
- Come to a Final Resolution of the front- and rear-gate message board issue. The Board will vote on this at our August 21 meeting. We currently have an online survey asking for your input. In his July 26 Lake Currents message, the General Manager had an excellent summary of the different types of signs. I encourage you to look at his message before participating in the survey. You can either send your comments to board@LOWA.org or take our online survey at www.LOWA.org; Login to the member’s side, click on Members Central, then click on the link to the survey. The survey on message boards will be ending August 19.

3.1 Report from General Manager
A. Lakes Management Report
3.2 Committee Reports
4. MEMBER COMMENTS ON BUSINESS AGENDA
5. UNFINISHED BUSINESS
5.1 Consideration of Approving Amendments to Regulation XIV.A., Schedule of Penalties and Regulation VI., Use of Roads and Parking Lots Regarding Traffic Violations (Policy Resolution 2013-9)
5.3 Consideration of Approving Amendments to Regulation X., Use of Lakes, Regarding No Wake Speed (Policy Resolution 2013-12)
5.4 Consideration of Approving Amendments to Regulation IV.D, Individual Behavior, Regarding Solicitation (Policy Resolution 2013-10)
5.5 Consideration of Front Gate and Back Gate Message Boards
6. NEW BUSINESS
6.1 Consideration of Approving Amendments to Regulation 2013-6
6.2 Consideration of Approving the Procurement Policy (Administrative Policy 2013-6)
6.3 Adjourn to Workshop
7. WORKSHOP
7.1 Clubhouse Member Lounge One Year Financials
7.2 5 Year Plan Proposals and Schedules
8. MEMBER GENERAL COMMENTS
9. SCHEDULED MEETINGS
Annual Meeting of the Membership, Monday, September 2, 2013, Community Center, 10 AM
Board Reconstitution Meeting, Wednesday, September 4, 2013, Community Center, 9 AM
10. ADJOURNMENT
10.1 Adjourn to Executive Session
11. EXECUTIVE SESSION
Call to Order: With a quorum present, President Walsh called the meeting to order at 2:01 PM in the Community Center.

1. OPEN SESSION

1.1 Pledge of Allegiance

1.2 Approval of Agenda: Motion by Anderson, passed unanimously, to approve the Agenda.

1.3 Approval of the Minutes of July 10, 2013.

Motion by Rucker, passed unanimously, to approve the minutes of the June 10, 2013 Board of Directors meeting.

2. Reports

2.1 Report of the General Manager

2.1A. Lakes Management Report

Mr. Rodenberg reported that WEG has submitted the 13th Fairway permit application to the US Army Corps of Engineers, but work cannot proceed until approval is received. Algae blooms on Keaton’s Lake have not appeared yet this summer. LOWA has been reimbursed $538 by the Culpepper Soil and Water Conservation District to pay for the installation of two pet waste stations in the Keatons Lake watershed. He thanked Environmental Resources Manager Jessica Graves for obtaining the funding.

Other updates revealed that the replacement of the dockage at the small marina has been completed within budget, with 48 of the 52 boat slips already rented.

Towing enforcement signs have been posted at Ramsey Beach, and arrangements finalized between LOWA Security and Bill’s Towing Service regarding towing, storage and fees.

A LIDAR speed detector has been put into service by Security, which will make it easier for staff to monitor traffic due to its hand-held and portability features.

President Walsh took a few minutes to make the following statement to members: “Over the past few weeks, the Association has placed in front of the members preliminary information on the proposed new section containing housing for persons age 55 and older. We have taken several steps to make sure the membership knows about the proposal, including: printing articles in Lake Currents (June 14 and 28), placing information on the LOWA.org website, hosting a Board Special Workshop (June 12) and a Town Hall Meeting (June 22), and broadcasting both of these meetings daily on Channel 18 for one week.

While this was helpful in understanding the concept, we have taken the initial review about as far as we can go. For the Association to invest more time on the topic, we will need to see certain items from the developer; namely, 1) a more detailed statement of developer intentions and LOWA expectations and, 2) a physical layout showing the buildings, roads and artist drawings of the villas.

The Adult Housing Ad Hoc Committee has done an admirable job in examining this proposal. The Committee asked good questions, traveled to look at similar properties in Lee’s Hill, and answered numerous questions from members. The give-and-take between the Ad Hoc Committee and the members has been helpful in vetting the issues, and has given the Board a better basis on which to make a decision on whether to propose the question to the membership or not. The developer, Mansour Azimipour, who is a member in good standing of our Association, has been available at our special meetings to answer questions.

At this time, we will await more detailed information. We will pass this information along to our members by way of our website and newsletter as it becomes available. In the end, this will be a decision of the membership whether to include or not to include the new section.”

Motion by Anderson, passed unanimously, to include President Walsh’s statement in the Board minutes.

2.2 Committee Reports

2.2A. Equestrian Committee Report: Equestrian Committee Vice Chair Alicia Payne reported that pony camp attendance was up again this year, with 95 children participating in both beginner and advanced camps. Staff continues to offer their

Legal Matter Resolved. Jim Walsh announced at the August 3 Board meeting the resolution of an ongoing legal matter involving the Association. You will recall on July 3, 2010 there was a boating accident on the Main Lake where a young man was injured and later died of his injuries. As a result, a lawsuit was filed against the Association and other parties. Our insurance company recently negotiated a settlement to the mutual satisfaction of the Association and the Goodman family that ends the Association’s involvement in the lawsuit. Because the terms of the settlement are confidential, the Board and Management are not permitted to discuss this any further. We wish the very best for the Goodmans as they continue to recover from their loss.

Lake Health. So far, for the summer, both the Main Lake and Keatons Lake are in good health. We have not experienced the blue-green algae problems of recent summers on Keaton’s Lake (aka the Fishing Lake), nor have we found any E. coli issues at the beaches. Our Environmental Resources Manager Jessica Graves is diligent to test and observe the waters on an ongoing basis. In addition, our Grounds Crew, led by Foreman Rod Ahlfield, works hard to clean goose droppings and trash from the beaches on a daily basis. Still, the Association has the large task of reducing sediment and pollutants from the lakes. One tangible step toward better overall lake health is the roadside ditch reconstruction project. In the mid-September to early October timeframe we will hire a contractor to rebuild and reseed one linear mile of roadway upstream from Keaton’s Lake. The new shape and grass in the ditch will allow sediment and pollutants to settle out before they reach the lake. We have 22 miles of roadway ditches throughout LOW to repair in future years before we are finished, but this first mile means we are on our way to better lake health!

NOTICE OF MEETING

AGENDA

Forty-third Annual Membership Meeting Lake of the Woods Association, Inc.

The Forty-third Annual Meeting of the Lake of the Woods Association, Inc. will convene at 10 AM, Labor Day, Monday, September 2, 2013, at the Community Center, Lake of the Woods, for the purpose of electing new members to the Board of Directors and reporting on the progress of the Association. All members of Lake of the Woods Association are urged to attend.

1. Call to Order at 10 AM by President Jim Walsh
2. Pledge of Allegiance
3. Opening Remarks
4. Reports of the President and General Manager
5. Honor Awards Committee Presentation
6. Open Forum (Member Questions)
7. Close of Voting for Election of the Board Members
8. Adjournment

Overgrown Lots Becoming a Real Problem!
by Fred Ripley, ECC Inspector, LOWA

Our community continues to deal with the problem of unsightly, overgrown lots here at Lake of the Woods. This is the time of year when grass needs attention at least every couple of weeks or so in order to prevent one's property from becoming unsightly due to the overgrowth. Many of the overgrown properties are homes that are vacant, and others are the homes of weekenders. We also have other members or tenants who simply choose to let their grass grow well over knee high before cutting. This is considered unsightly and is in violation of our Restrictive Covenants and Regulations.

It should not be necessary for ECC to remind members to cut their grass on a regular basis. If you are a weekender who does not get to the lake regularly enough to keep up with the yard work, then please make arrangements for someone to do the work in a timely manner in order to prevent the property from becoming overgrown. In order to help us expedite the process of getting overgrown yards cleaned up, the Board of Directors has given us the right to send members a non-compliance letter, which gives them a specified time frame to bring their property into compliance. If the deadline is not met, LOWA will hire a contractor to do the work needed and charge the cost to that particular member's account.

ECC would prefer that members and their tenants take proper care of their individual properties on their own. By doing so, members show respect for the rights of other property owners at LOW who work diligently to beautify their property and, in turn, our community. Please help us by doing your part to keep Lake of the Woods looking attractive, which should be what we all strive for. Everyone’s cooperation in this matter will be greatly appreciated.

“The Rare Brain Eating Amoeba”

by Jessie Graves, Environmental Resources Manager

We have all heard the news about the “brain-eating amoeba,” Naegleria fowleri. I would like to provide the following information for residents about this amoeba and sources of additional information for those interested.

Naegleria fowleri (“the brain-eating amoeba”) is a warm-water species that occurs in the environment worldwide. It can be commonly found in warm bodies of freshwater such as: ponds, lakes, rivers, and hot springs. This organism is widespread, but infections are very rare. Rate of occurrence is described as the medical equivalent to being struck by lightning. From the time frame of 2001 to 2010 only 32 cases were reported with 30 of those being from recreational waters. Naegleria fowleri is common in southern lakes in the summer months of July-September when the water is warm, air temperatures are hot, and water levels are low. It has been reported that the organism can proliferate at water temperatures around 86°F, and thrives well between 95°F-113°F.

Infections from Naegleria fowleri occur when the amoeba enters the body through the nose, typically when people go swimming or diving. Infection occurs in the brain and causes the primary amebic meningoencephalitis, a kind of meningitis that leads to the destruction of brain tissue. The infection does not spread via person-to-person contact.

Lake of the Woods has never tested for the presence of this amoeba. According to the Center for Disease Control and Virginia Department of Health, testing is not advised. The CDC states that a test is available, but it takes several weeks to identify the amoeba. With the long processing time and the variability of abundance on a daily basis from shifts in environmental conditions, any sample that would be taken is not efficient in producing health advisories. Neither agency has a known abundance when waters should be closed. Instead they warn swimmers that they should always assume there are low levels of risk when entering all warm freshwaters. Lake users need to be aware that recreational waters are not swimming pools and precautions need to be taken when swimming in them. If you are concerned, wear a nose clip when swimming.

Phew, it’s HOT! Let’s Go to the Beach!
by Ruth Hood, Publications Editor

Everyone living at Lake of the Woods is aware of the beautiful beach at the Clubhouse, but there are other beach areas in local neighborhoods that can also offer relief from the heat. There are “Beach” signs with arrows at each location to guide you to the sites. Seven of those beaches are on the main lake; the eighth is on Keaton’s Lake in Section 13. You may find a smaller venue that your family will enjoy.

Mt. Pleasant Beach – From Lakeview Parkway, turn toward the lake on Mt. Pleasant Drive in Section 1. The beach is on the left. The sandy beach and the grassy area are wide and bordered on both sides by evergreen trees. There are three tables under canopies for picnicking.

Skyline Beach – From Lakeview Parkway, turn into Beachside Circle in Section 1, left onto Edgehill Drive, and right onto Skyline Road (follow it around the bend to the left). The beach is on the right. The sandy beach and the grassy area are wide and bordered on both sides by shade trees. There are two tables under canopies for picnicking.

Edgemont Beach – From Lakeview Parkway, turn onto Edgemont Circle in Section 5 and follow it down to the lake. The sandy beach and the grassy area are wide and bordered on both sides by shade trees. There is one table under a canopy in the grassy area and another uncovered table at the lake edge for picnicking.

Pleasant Grove Beach – From Lakeview Parkway, turn onto Happy Creek Road in Section 3, then right onto Pleasant Grove Road. The beach is on the left. The sandy beach and the grassy area are wide and bordered on both sides by trees. There are two tables under canopies for picnicking.

Ramsay/Cemetery Beach – There are two ways to get to Ramsay Beach in Section 7. From Lakeview Parkway, turn onto Harrison Circle, then turn right onto Ramsay Road; or turn into Stratford Circle, then left onto Harrison Circle, and left into Ramsay Road. The good-sized parking area for the beach is on the right. There is an extensive grassy area that could accommodate sports games, part of which is shaded by oak trees. There are eight picnic tables and four grills available for use for picnicking, several benches along the water’s edge, plus a porta-potty. An area near the parking lot is roped off to preserve a cemetery.

Cornwallis Beach – From Lakeview Parkway, turn onto Constitution Boulevard in Section 8; at the “T” intersection, turn right onto Cornwallis Avenue, pass Flat Run. The good-sized beach is on the left. The sandy beach and the grassy area are wide and bordered on both sides by trees. There are three tables under canopies for picnicking. There is also a porta-potty at this location. A historical marker has been placed at this beach by the Civil War Study Group which shows the activities that took place on this spot during the Civil War. As you view the information, remember that the lake was not here in Civil War times.

Harper’s Ferry – From Lakeview Parkway, turn onto Harper’s Ferry Drive in Section 11 toward the lake, the wide, sandy beach is at the end of the road on the right. It has a grassy area for play or sitting and is bordered on both sides by trees. There are two tables for picnicking.

Cumberland Beach – From Lakeview Parkway, turn away from the lake on Mt. Pleasant Drive in Section 1. Turn left at the “T” with Green Street; turn left onto Westover Parkway, and make an immediate right onto Cumberland Circle. The parking lot for this newly refurbished beach is located on the right. There is a nice sandy beach with a long view of Keaton’s Lakeview, a table under a canopy for picnicking, plus a porta-potty.

The rules are the same at all beaches:
• Swim at your own risk/no lifeguard on duty
• No pets on beach sand
• No loud music
• No fishing from beaches
• Beaches closed from 10 PM until 7 AM
• No diving from beach
• Children must be supervised by an adult
• Loud or offensive behavior is not permitted
• No overnight parking
• Feeding of ducks and geese is prohibited

Go visit some of these lesser-known beaches to find the spot that suits your family best. To keep our beaches clean and ready for other residents to use, please be an ecology-minded citizen: collect your trash and carry it home for disposal.

* There are conflicting accounts about who is buried in this cemetery—Native Americans, unknown soldiers from the Civil War, members of the Apperson or Howard families. If anyone can provide further information that would solve this puzzle, please contact Ruth Hood at rhood@LOWA.org.

Dick Delio for LOWA Board

I will be the agent of the homeowners; protecting your property values; objectively evaluating the management of the common areas

► Elected previously to two different HOA Boards
► Served on two nonprofit boards, one supported a large homeless shelter, and one a church in Haiti
► Volunteered in a medium security prison teaching inmates and providing pastoral counseling
► Successful management experience as a CEO, President and Senior Vice President of Finance; Streamlined operations to reduce costs while improving efficiency and customer satisfaction
► Proven ability to negotiate with people to get results

Coming Events:

August
14  MGA and “Goofer’s,” 8:30 AM
15  Sr. league Match – LOW vs. Greene Hills, 9 AM
17-18, 24-25 Senior Men’s Club Championship, 8:30 AM
20  Handicap Meeting (Cardinal Room), 2 PM
22  Senior League Match – LOW vs. Lees Hill, 9 AM

Posting of events is listed in the Pro Shop or call 972-2230 for more information.

On July 27-28 we held the 2013 Male/Female Golf Tournament, which is a One-Best-Ball of the Male/Female Team. This year we had eight teams participate. The Low-Gross team went to Chuck and Vera Liddick, who shot a 78-79=157. The Low-Net team went to Bill and Lisa Halpin, who shot a 58-59=117. We also had Special Games: Closest-to-the-Line on Hole #1 on Saturday went to Jo Stewart and on Sunday went to Winston Sides. Closest-to-the-Pin on Hole #7 on Saturday went to Nancy King and on Sunday went to Denise Reese. The weather was great and everyone had a good time!

Have a great day on the golf course!
Come Sing with the Blue Ridge Chorale
by Carolyn Szabad Osborne, Corresponding Secretary, Blue Ridge Chorale

Singers welcome! Come sing with the Blue Ridge Chorale, under the direction of Melissa Janes. Our rehearsals for the winter concerts will begin Monday, August 26, at 6:30 PM (please arrive at 6:15 PM) at Open Door Baptist Church, 754 Germanna Highway in Culpeper. The Blue Ridge Chorale is a not-for-profit, non-affiliated community chorus which serves Culpeper, Fauquier, Madison, Orange, and Rappahannock Counties. If you love to sing, join us! If you know others who love to sing, spread the word!

For more information, call 540-717-9023 or email info@brcsings.com. Visit our website www.brcsings.com to see photos from our spring “New York State of Mind” concerts and to learn more about the Chorale. We have a great time and produce great music, and we hope you’ll join us!

Lowy Charms Double Up to Win Again
by Joe Lentine, Reporter, LOW Anglers

The LOW Anglers held their fifth tournament of the 2013 season on Saturday, July 20, with thirteen teams fishing for six hours on an overcast and windy morning on the lake. Coming off of their convincing win in June, the Lucky Charms team of Mike Fanning and Richard Stanton kept their hot streak alive by catching another impressive bag totaling 17.52 lbs., which featured the Big Fish of the day weighing in at 5.22 lbs. Rich caught the hog using a swim bait, and he and Mike’s strategy of targeting points with top water lures and a variety of other baits paid big dividends. Once again, Team Extreme brought in a heavy bag of 15.29 lbs., but would have to settle for second place, with the Hay Seed team right on their heels with a weight of 15.13 lbs.

The top-five finishes for the July 20 event were as follows:

1st Place – Lucky Charms (Mike Fanning & Rich Stanton): 5 fish total 17.52 lbs.
2nd Place – Team Extreme (Mark Nowacki & John Micks): 5 fish total 15.29 lbs.
3rd Place – Hay Seeds (Dave Allen & Guy Breeden): 5 fish total 15.13 lbs.
4th Place – Crimson Tide (Carl Clawson & Greg): 5 fish total 13.84 lbs.
5th Place – G-Unit (Mike Hazard & Stephen Gunnett): 5 fish total 13.55 lbs.

Big Fish – Richard Stanton – Lucky Charms – 5.22 lbs.

After five of seven events in the books for the season point standings, the Lucky Charms team has increased its lead for total overall points. Only the teams that finish in the top five places get an automatic berth in the LOW Anglers Classic held in October. There is still time to make a big move on points in the August and September tournaments. The top-five teams in the overall point standings are:

1 - Lucky Charms - 815 points
2 - Team Extreme - 755 points
3 - Hay Seeds - 755 points
4 - Five Alive - 725 points
5 - Crimson Tide - 715 points

All fish were released safely back in the lake after weigh-in. The next scheduled tournament is Saturday, August 17, from 6:30 AM to 12:30 PM. For more information regarding the LOW Anglers, please go to the website address: www.lowanglerwebs.com/

Dr. Seuss for Grownups at the AARP Meeting!
by Charlotte Baker, AARP Chapter 5239

Come spend a morning with Theodor Geisel. He’s famous for his words, his rhyme, his outrageous illustrations, and his fun! He’s not so famous for his politics, his shyness, and his obsessive work ethic. On Monday, August 19, Madeline Salustri, retired educator, will share a glimpse into the lifeworks of the legendary author Geisel, better known to the world as Dr. Seuss. This is a Seussical for Grown Ups, presented at the August meeting of the AARP.

Madeline and husband Alex are new LOW residents who feel blessed to be enjoying their second and final retirement in the Lake of the Woods community. After over a quarter of a century working for the New York State education department as teacher and administrator, Madeline spent 20 years of her first retirement performing in Connecticut regional theater as actress, dramatic reader, and lecturer. She also taught many language arts classes, including creative writing and public speaking, for the Milford, Connecticut Fine Arts Council.

Please join us for socializing and light refreshments, beginning at 9:30 AM in the Great Hall of the Clubhouse. The meeting begins at 10 AM.

LOW Fun Bowling League
by Linda Brooks, Secretary, LOW Fun Bowling League

Okay, all of you LOW Bowlers; it’s time to start getting things together for another year of fun and friendship.

We will have our yearly meeting at 7 PM, Thursday, September 19, in the lower level of the Clubhouse. All bowlers are welcome, and new members are encouraged to attend. We are looking for bowlers, so please come join us. If you are a new bowler, that is okay. We are not pros, and help is there if you need any advice. This is a fun league, and do we ever have fun!

Team Captains, please let me know if there are any changes on your teams. New bowlers, please contact me at 972-1485 or email lbrooks847@comcast.net. Can’t wait to hear from all of you out there.

Add Some Spice To Your Life!
by Karen Kovarik, Publicity Chairman, LOW Garden Club

“Summer time, and the living is easy…” It’s time to tend your herbs, and bring them into the kitchen.

Our August 12 meeting features Bette Winter speaking on Herbs and Herb Gardens. Bette has a fascinating background in horticultural education, which starts with “Ready, Set, Grow” with kindergartners and extends to a range of middle school projects benefitting both the students and the Flat Run school grounds. As a volunteer in the Orange County School system, she has also encouraged healthier, better quality food for the school meals. Can we look forward to a few mouth-watering tips?

There is one important change in the meeting format. Plan to eat lunch beforehand, and come at 12:45 PM to meet and greet. Business starts at 1 PM, then the program, and concludes with light refreshments.
LGA News  
by Karen Woods, Publicity Co-Chair, Ladies Golf Association

Pat Shrader, President of the Ladies Golf Association encourages all LGA members to attend the annual Membership Meeting dealing with election of officers and presentation of next year’s budget at 7:30AM on Tuesday, August 27, in the Woods Center Cardinal and Dogwood Rooms. The slate of officers will be posted in the lounge on August 12. A continental breakfast will be provided by the Member/Member Tournament co-chairs.

After the meeting, the LGA Member/Member Tournament will begin with a shotgun start at 9 AM. The format is Ryder Cup and your August 15 handicap will be used for the tournament. Your partner’s handicap should be within seven strokes of your handicap. If there is more than a seven stroke difference, strokes will be taken off the highest handicap. All participants will receive a $6 coupon for lunch at Fareways. The sign-up sheet is in the ladies room at the Woods Center. Cost for the tournament is $15 per person. Cart and green fees apply, as usual. Checks should be made out to “LOW LGA” and noted Member/Member. The deadline for sign up and tournament is August 13 and 20. This is an individual stroke play tournament, and you compete within your own flight. August 1 handicaps will be used throughout this tournament. Winners are determined by the best of two rounds out of three for low-gross and low-net score. Declare your intent to participate by paying the $2 entry fee when you check in on Tuesday, August 13.

LGA 9-Hole “Queen of Clubs” Home and Home Invitational Tournament is scheduled for Thursday, September 12. Registration and breakfast will be at 8 AM followed by a 9 AM shotgun start. After the 9-hole round, a luncheon will be at the Clubhouse at Noon. The registration fee is $26, which covers breakfast, lunch, snacks, and prizes. Cart and green fees apply, as usual. Checks should be made out to “LOW LGA” and noted 9-Hole Home and Home. The tournament sign-up sheet is posted in the ladies room. Contact Judy Flynn for further information.

Barracudas Finish Season On Top  
by Megan Harlan, Board Member, Barracudas

Congratulations are due to the Lake of the Woods Barracudas for their undefeated season. On July 17 they had their fourth meet at Eden Estates in King George. Nico Balk received his first Triple-Winner award for the season with first place finishes in the 25 meter Freestyle, Butterfly, and Breaststroke. The final score of the meet was LOW Barracudas 291, Eden Estates Eels 209. In the last regular season meet against Hopyard Farms, the team set multiple team records with a final score of LOW Barracudas 304, Hopyard Farms 188. The boys relay team consisting of Luke Wilson, Paul Wilson, Andrew Harrington, and Zach Corbeau finished in just 1:04.75. Kayla Balk has beaten her own record in the Girls 8 and Under 25 Free with a time of 20.34. In the Girls 13-14 50 meter Breaststroke, Laine Harrington set a record of 43.56.

On July 25, the Barracudas participated in a fundraiser for the team, the Lap-a-Thon. As a team they swam over 85 miles. The top performer was Emma Browning, who swam 278 laps, or 4.35 miles. Regan O’Donnell swam over four miles with 270 laps, and Lucy Turner swam more than three miles. Keep an eye out in the next edition for the results from the National Division RSL Final Tournament. Every member of the LOW Barracudas has qualified to compete in at least one event. Please visit our website at www.lowswim.org for a complete list of this season’s meets and their results.

Lake of the Woods Clubhouse
PROOF OF PARTICIPATION REQUIRED – Please cut out this ad and present it to your server. (15% of food service donated to the O.C. Humane Society)

Attention Artists, Photographers, Other Creative Folks
by Jan Moore, Co-chair, LOW Visual Arts Council

It is early August and you still have plenty of time before October 19 to use your talents to create works of art for the annual Lake of the Woods Visual Arts Council (LOWVAC) show and sale.

Whether you are just starting with a new hobby, or you are a professional artist, you are encouraged to exhibit. This is not a juried show, but an opportunity to share your art with the LOW community and meet other artists. Set up for the show is Saturday morning, October 19, and the exhibit continues until Sunday afternoon, so working persons and weekenders can participate.

This is the 31st year for the show. Each year’s show is different, with a wide variety of lovely items. Elementary and middle school art teachers show what they are teaching with some examples of student art.

Show dates are Saturday, October 19, and Sunday, October 20. Entry forms will be available starting August 16 at the Holcomb Building and Community Center. For more details, call Sallie Wallace at 972-0412 or Jan Moore at 972-9355.

LOW Lions Participate in RAM
by Lee Frame, Member, LOW Lions Club

Ten members of the LOW Lions and two LEO members from Orange County High School took part in the Remote Area Medical (RAM) event in Wise County, Virginia, from July 19 through 21. The LOW Lions have participated in this event for several years.

RAM is an annual three-day event that brings a variety of medical, dental, vision, hearing, and other support services to people from the Appalachian region, who desperately need these services. Temporary medical, optical, and dental facilities are set up at fairgrounds using existing buildings and large tents. This was the 14th year that the event has been held, and the Lions were among some 1500 volunteers providing just shy of 5,000 services to almost 2,000 individuals. The LOW Lions, along with several other Lions Clubs, conducted hearing and vision tests for over 400 individuals and sent those needing professional treatment on to optometrists and audiologists. To give an idea of the magnitude of this undertaking, approximately $2.3 million in free medical, dental, and vision services were provided.

RAM is a firm fixture in the LOW Lions calendar, and the Lions are proud to play a valuable role in such a worthwhile volunteer effort which exemplifies the Lions motto, “We Serve”.

LOW Lions attending Remote Area Medical event in Wise County, VA.
Standing: Steve Haynes, Sue Simmons, Matthew Spillar, Cory Plamp, Joanne Deem, Larry Deem, and Thomas Limonac
Seated: Tom Walker, Carol Curry, Don Namuth, and Lee Frame
Absent: Orville & Mary Dee

Through September 28, Local Harvest: Artists Celebrate Virginia’s Bounty From Earth to Table. New exhibit at the Arts Center in Orange. Includes work by 25 area artists. Info: 672-7311 or www.artcenterinorange.com.

The Freethinkers Club - Although we’ve already been meeting for five months, we’re still looking for more Kindred Spirits in LOW who are interested in exploring inner-and-outer life with authenticity, integrity and wonder. Not affiliated with any one religion or philosophy. Come join us and share the story of YOU. For more info, contact Chuck at 972-3220 or email: chuckhillg@yahoo.com.

**Lost or Found Pets.** A Facebook page has now been set up for posting lost or found pets in LOW. facebook.com/LOWlostandfoundpets. If you need help posting your pet, please call the OCHS voicemail 672-0069 for assistance.

**Hearing Aids Recycled:** Place unused hearing aids and eyeglasses in LOW Lions boxes at Wells Fargo Bank, Wilderness Pharmacy, LOW Hair Studio, LOW Security, and Dr. Stephen Lord in Orange.

**LOW Lions Furniture Pick Ups:** For furniture and special pick-up items, or to view/buy furniture at the Velona Bldg., call Norm, 540-205-5529.

The Lions Club is seeking wheelchairs and attached equipment for wheelchairs. Contact Noel 972-0018 or Vinnie 972-3721 to donate items.
Celebrating the 50th Anniversary of March on Washington
by Shirley Pfile, Chair, LOW Democratic Club

August 28 of this year marks the 50th anniversary of the March on Washington for Jobs and Freedom, an event that changed the course of history in America. The Lake of the Woods Democratic Club will observe the occasion at its meeting at 1:30 PM, Thursday, August 15, in the lower level of the Clubhouse with a program of personal reminiscences and an open discussion contrasting the expectations of 1963 with the realities of 2013.

Kerry Sipe, a LOW resident who witnessed the march as a young man, will share his memories of the event and display some personal memorabilia from the march. Guests are always welcome at the club’s meetings, regardless of political affiliation. For more information visit the club’s web site at www.lowdemocrats.org.

Sipe, who was born in Lynchburg and grew up in Salem, VA, is a retired newspaper editor, whose early career as a journalist included coverage of the civil rights movement in the South. He has lived in LOW since 2009.

It was on August 28, 1963, that about 250,000 people marched through Washington to call the nation’s attention to the injustice and inequalities that black Americans faced because of the color of their skin. On that hot August day the city swelled with marchers. They drove in. They bussed in. They took trains. Three student marchers walked and hitchhiked 700 miles to get there. A quarter million people waved signs and cheered and listened to speakers address the civil rights problems challenging America. In support of civil rights for all Americans, the demonstrators made their way from the Washington Monument to the Lincoln Memorial, where the Rev. Martin Luther King Jr. gave his memorable “I Have a Dream” speech.

A year later, Congress passed the Civil Rights Act of 1964, which made segregation in public places illegal, required employers to provide equal employment opportunities, and protected the right to vote of every American, regardless of the color of their skin.

Swimming Safety for the Lakes
by LOW Lakes Committee

- Never venture beyond 75 feet from shore or from a watercraft in a cove at Lake of the Woods.
- Never swim alone - use the buddy system.
- Never allow children to swim without supervision.
- Don’t overestimate your swimming ability, especially early in the summer when the water is cold. Swimming ability is severely decreased in cold water. Judge your ability to participate in beach activities based on your swimming skills without the assistance of rafts and other flotation devices.
- Don’t dive or jump in without knowing how deep the water is. Even if the bottom looks like a long way down, there could be rocks or other unsafe features on the ground. It’s best to just wade in.
- Never swim while intoxicated. Alcohol impairs judgment, unnecessary risks are taken, and a swimmer will tire more easily, increasing the chance of an accident.
- Never pretend to be in distress. Real distress could then go ignored.
- Get out of the water immediately if you hear thunder or see lightning.

http://www.stormfax.com/safeswim.htm

President, from p.2
- Fully implement CapSure. For those of you who may not know, CapSure is our automated visitor management system. The system is up and running and according to our Security Chief works well. We have heard some complaints from members about the time it takes to register a guest, the lack of notification when a guest comes through the gate, and lost information. We will have a representative from CapSure visiting LOWA on August 19, and we will address your concerns with him.
- Complete Lake of the Woods Beautification Plan. We accomplished planting some beautiful shrubs at the Woods Center. The Lower Level of the Clubhouse beautification, hopefully, will be funded in 2014.
- Update the Employee Manual. This was accomplished, and we offered, as a benefit to our non-resident employees, the use of our amenities (with the exception of boating on the lakes). I know several who joined the Fitness Center, and an employee golf league plays on Mondays.
- Add, and fund annually, a Building fund to the Reserve. Instead of starting a new reserve study giving us a better understanding of the condition of our equipment, facilities, and current funding levels for our reserves.

Those are the goals which were set out and accomplished by your Board of Directors. Needless to say it has been a busy year.

A few more pieces of information:
Tennis, anyone? Did you know we have six beautiful tennis courts at Lake of the Woods located at Hollyfield Park? If you are interested in learning how to play tennis or are considering playing again after an absence, please go to the LOWA website. Click on amenities and pull up tennis. You will see contact information and a registration form. Like all of our amenities, we need more participation, so if you are looking for a great way to exercise, have some fun, and make new friends, why not give tennis a try? I thought the Fitness Center was a deal at an annual family membership of $95 a year. Tennis is only $75 for an annual family membership. Give it a try. You just might like it.
Finally, you should have received your ballots in the mail. I would like to thank Betty Tabor and the Elections Committee for all of their hard work in ballot preparation, stuffing envelopes, all the work still to come associated with counting the ballots, and the fine job they did at the Candidate’s Forum. Now, it is up to you to vote. Learn about the candidates, and take the time to vote. It is your association. Please vote.
LOW COMMUNITY

August Luncheon Features Books!
by Connie Buttimer, Susan Allen Republican Women’s Club

The Susan Allen Republican Women’s Club will hold a luncheon on Wednesday, August 28, in the LOW Clubhouse. Please arrive for a social time by 11:30 AM with lunch served at Noon. Our very special guest that day will be Former First Lady of Virginia, Susan Allen. She has recently written a children’s book about Ronald Reagan. Copies of the book will be available for purchase and signing.

Also, at this meeting, we will be collecting books for the Locust Grove Primary School, books suitable for grades 1, 2, or 3. We will also accept “gently used” books for that age level. Jane Grynaviski, our Literacy Chairman, will deliver our donated books and buy new ones for the local schools. The emphasis will be on biographies of famous Virginians for the Middle School and picture books with stories relating to the holidays at the Primary School. The Mamie Eisenhower Literacy Project is the National Federation of Republican Women’s oldest program, celebrating more than 45 years of book donations to schools and libraries. The Barbara Bush Literacy Project is also held every September, and we are proud to be a part of these worthwhile projects for our community.

The menu for the luncheon is salad, honey bourbon salmon, wild rice, buttered corn, apple spice cake, rolls and butter, and beverages. To make a reservation, please make your check for $20 p/p to “SARWC” and send it to SARWC, PO Box 803, Locust Grove, VA, before Thursday, August 22.

If you have special dietary requirements, please let us know by adding a note.

For additional information, you may contact Bobbie Griggs at 972-4592.

Packard Campus Theater August Schedule

All programs are free and open to the public, children 12 and under must be accompanied by an adult. For reservation information, call (540) 827-1079 ext. 79994 or (202) 707-9994 M-F 9 AM to 4 PM. (closed holidays), beginning one week before any given screening. For info visit www.loc.gov/avconservation/theater/.

Friday, August 9 (7:30 PM) Paths to Paradise (Paramount, 1925) Silent comedy. Starring Raymond and Betty Compson.

Saturday, August 10 (7:30 PM) Meatballs (Paramount, 1979) Comedy. Starring Bill Murray.

Friday, August 16 (7:30 PM) SCIENCE FICTION DOUBLE FEATURE
Space Amoeba (Toho, 1970) Japanese with English subtitles, starring Akira Kubo, Atsuko Takahashi and Yukiko Kobayashi

Saturday, August 17 (2 PM) The Parent Trap (Disney, 1998) Family comedy. Starring Lindsay Lohan, Dennis Quaid and Natasha Richardson.

Thursday, August 22 (7:30 PM) Phantom of the Paradise (20th Century-Fox, 1974) Comedy-drama fantasy. Starring William Finley, Paul Williams and Jessica Harper.

Friday, August 23 (7:30 PM) Swept Away (Cinema 5, 1974, R-Rated*) Comedy-drama. Starring Mariangela Melato and Giancarlo Giannini. Italian with English subtitles.

Saturday, August 24 (7:30 PM) DOUBLE FEATURE

Thursday, August 29 (7:30 PM) Hudson Hawk (TriStar, 1991, R-rated*) Action comedy. Starring Bruce Willis, Danny Aiello, Andie MacDowell, James Coburn, Richard E. Grant and Sandra Bernhard

* No one under the age of 17 will be admitted without a parent or guardian

August 9, 2013 Lake Currents
Ultimate Frisbee, Co-Ed Sport for Eight and Up
by Colin Newlin, Organizer, Ultimate Frisbee

Ultimate is a team sport played with a flying frisbee disc. Ultimate games are scheduled at LOW on Sundays at 4 PM at the lower Soccer Field at Sweet Briar Park. The object of the game is to score points by passing the disc to a player in the opposing end zone, similar to an end zone in football. Players are very active since the only person who cannot run at any given moment is the player with the disc. Unlike football and many other sports, physical contact between players is accidental/incidental rather than intentional. As a result, Ultimate is a low-injury game that provides good exercise while also being a lot of fun.

Ultimate has been steadily gaining popularity since its invention in the late 1960s. It is among the most “democratic” of sports because every player is a quarterback, receiver, and defender. The game is also self-refereed on an honor system, and players are encouraged to show good sportsmanship and respect for teammates and opposing players.

These Sunday afternoon games are “pickup” games – meaning teams will be assembled based upon the participants who show up. Games are typically 7-on-7 with an equal distribution of men and women on each team. Newcomers are welcome and will be taught the basic skills of the game, such as throwing and catching, running routes, playing defense, and learning the strategies and rules of the game.

These games are organized by LOW resident, Colin Newlin, who has been playing Ultimate for over 30 years and has taught and coached hundreds of players of all skill levels and ages.

For information, call Colin Newlin at 972-7460.

LOW Ski Club Members Compete in State Water Ski Championships
by Alexis Gray and Thomas Prine, Treasurer, LOW Ski Club

LOW Ski Club was well-represented in the 2013 Virginia State Water Ski Championships that were held in Sparta, VA, on July 27. All three skiers who entered took home awards in their brackets.

The State Championship is a Three-Event Competition. Skiers compete in Trick, Slalom, and Jump events against other skiers in their age bracket. Trick skiing uses one short oval ski, with a flat bottom. The skier gets points for surface tricks, flips, spins, and toe tricks. Slalom skiing is on one ski and the feet are placed with one foot behind the other. There are gates at the beginning and end of the slalom course that the skier must go between, and six turn buoys which the skier must navigate around in a zigzag pattern. After each successful pass, the boat speed is increased or the ski rope is shortened. In the Jump Event, skiers use two long skis to ride over a water ski jump, in an attempt to travel the longest distance. Competitors are awarded scores for each event, and the scores are then added together to determine overall placement.

Jenny Marr (age 18) has been skiing with the LOW Ski Club for the past eight years. Jenny won first place overall, and is the 2013 State Champion in the Girls 3 division. Her jump measured 60 feet, which gave her first place in that event. Jenny has won in the past with her longest jump of 75 feet. She placed first in the Trick competition, and second in Slalom. Jenny plans to attend the University of Alabama in the fall, where she will compete on the collegiate level, as a member of the Crimson Tide Water Ski Team.

Spencer Gray (age 14) has been skiing with the LOW Ski Club for four years. This year was his first year to participate in the State Championships. Spencer placed second on Saturday, July 27, for Trick and Jump (39 feet), and second place overall in the Boys 2 Division. He took first place in Jr. GrassRoots Slalom on Sunday, July 28. GrassRoots is a novice program set up by USA Waterski to promote towable water sports.

Chamberlain Cotton (age 12) has been with the LOW Ski Club for five years. This was Chamberlain’s third year attending the State Championships, and his third overall win in his age bracket. He took first in all three events, which includes a long jump of 53 feet. Chamberlain took first place overall in his division. He will move on to represent Virginia in the Regional Water Ski Championships, as the Boys 2 State Champion.

All three of these great skiers have qualified to attend the AWSA Eastern Regional Water Ski Championships in Canajoharie, NY, August 1 to 4. Please join us in congratulating them on a job well done!
Battle of the Wilderness Armament is Study Group’s Topic
by Dwight Mottet, Director, Civil War Study Group, Inc.

The 160,000 soldiers who fought in and around Lake of the Woods and Eastern Orange County during the Battle of the Wilderness in May 1864 may have had access to as many as 25 versions of handguns and long arms. Various types of artillery sent cannonballs across and into LOW. The Civil War Study Group (CWSG) will learn about some of these weapons when Craig Rains presents “Armament in the Battle of the Wilderness” at its regular meeting at 10:30 AM, Friday, August 23, in the Woods Center.

The Civil War hastened improvements in weapons, some of which had remained unchanged since the Revolutionary War. Rains will discuss some of these weapons and relate soldiers’ stories about them in the Wilderness. One newly designed weapon was beginning to be used more and more by Federal troops and was said by some to “spell the death knell of the Confederacy.” One Pennsylvania regiment erroneously received a shipment of these guns that was intended for another regiment and valued them so much that it refused to give them up.

Rains will recount “The Great Cannon Battle” on Saunders Field that almost caused a battle within the battle between two Confederate regiments.

The CWSG meeting at the Woods Center is open to anyone with an interest in the Civil War, especially in the activity in and around Lake of the Woods and Eastern Orange County. For more information, contact Study Group Chairman Pete Rainey at 972-9291, or email pete1304@comcast.net.
A month ago, I wrote about the beginning of an effort to develop a master plan or overlay for the Route 3 Corridor. The briefing about that effort was given to local HOA boards and a video of that briefing is available on the county website under Supervisor minutes. I encourage people to watch this video as it explains why the overlay has taken on more urgency. When asked what our next steps would be, we said that the Supervisors would be conducting a retreat with the Planning Commission (PC) and the Economic Development Authority (EDA) to create a vision for the Route 3 Corridor and lay out the steps to achieve that vision.

The full two-day retreat was held two weeks ago and was successful in outlining a cohesive vision and identifying some of the actions needed to reach that vision. When we identified specific goals for this end of the county, there was a surprising level of concurrence between the elected and appointed participants. Some of the vision specifics include a reservoir, a town center, business and trade park, convention/ conference center, hotel, medical/health services, multi-use sports and recreation complex, multi-use trails, ready access to the Rapidan, and attractive traditional residential areas.

In reaching these goals, the participants wanted to ensure that we include aesthetically pleasing design, economic, and education advantages for all citizens in the county, a “go to” location that is clearly differentiated from other places, and an area that is attractive to visitors as well as our own citizens. We wanted a higher bar for the appearance of this corridor that reflects the county’s best image. Recognizing that people who live at the eastern end of the county made a decision to come here, we don’t want to detract from what attracted them and consider preserving the cultural and historic components an important part of the vision. We feel that the vision is very much compatible with the Gateway Study that was developed last year to build on our history. A number of people have expressed concerns about the impact of additional traffic, so the vision includes a parkway that should serve new developments without excessive use of Route 3.

What was very clear throughout the retreat was that the process for achieving this vision would be very difficult. There will be a lot of work for the elected and appointed officials as well as the county staff. However, working towards such a lofty goal is also exciting for those of us who see governing as the opportunity to improve people’s lives. Some of the grunt work has already begun with the county staff collecting examples of design standards and distributing them to the participants. The Supervisors and the PC and EDA members will take a one-day tour of a number of planned areas in this part of Virginia on August 20 to view what has been achieved and, in some cases, how it was achieved. One of the next most important steps is to begin meeting with the landowners and getting their input.

Some people have asked why Route 3 has to be the economic engine for the county. The two major reasons are that there is a four-lane highway here for ready access from other areas, and the availability of water from the Rapidan. These supporting features almost certainly will bring more development at some point in the future. By creating the overlay, we can better manage that development so that it can contribute to our well-being rather than detract from it. I encourage everyone to contact me about the development of the Route 3 Corridor overlay. I want this process to be as open as possible and welcome your input. My email is leeframe@orangecountyva.gov.

A reminder that the first day of school for students is on Tuesday, September 3, 2013. The Orange High School Senior Class of 2013 received a total of $1,315,250 in scholarships to further their education. This is a very impressive number, and it is interesting to note what the high school guidance counselors are doing to facilitate this process. Scholarships come from a wide variety of sources, and the high school counselors have years of experience in identifying available resources. The Scholarship Counselor compiles a list of available scholarships entitled “Dollars for Scholars.” This document is updated at least monthly and is available on the high school’s website. Also, the counselors encourage students to complete a “Local Scholarship Application.” These applications are made available to organizations that are interested in providing scholarships. Sometimes the organizations select recipients based on the applications, or they may ask a committee of teachers, administrators, and counselors to make recommendations.

With the rising cost of higher education, learning how to obtain additional resources is extremely important. If a high school senior is interested in obtaining a scholarship to further his/her education, our high school guidance counselors are a most valuable resource.

The Locust Grove Middle School Parent-Teacher Committee is seeking volunteers to tutor 8th grade civics students at the middle school for both the fall and/or spring semesters. The time commitment would be once a week from approximately 2:30 PM to 4 PM on a Tuesday or Thursday, but they are flexible with the time commitment. If you think you might be interested in volunteering, please contact Carolyn Apostolakis at 972-7404. It is a pleasure and an honor to represent District 5 on the Orange County School Board. If I can be of assistance, please contact me at jhopkins@ocss-va.org.

ORANGE COUNTY NEWS

OC Supervisor’s Letter
by Lee Frame, District 5 Supervisor

Summer: A School Board Report
by Jim Hopkins, Orange County School Board Member
regular lesson programs, horse shows, trail rides, pony parties and pony rides. The
Open House on July 6 was very successful.

They will be hosting the Second Annual Dog Festival on September 14 from 11
AM to 4 PM, a charitable event which benefits rescue groups and the local animal
shelter. Weather permitting, they plan a Christmas break Pony Camp again this year.
Several groups are working with the Equestrian Committee to develop ideas for new
programs at the Center over the next five years. A detailed presentation of various
ideas will be given at the August Board Workshop.

2.2B. Finance Committee Report
Finance Committee Chair R. C. Haring provided the Board with a written and
oral report on the Committee’s Five-year Review of Capital Spending, CTR and
Reserve Balances covering FYs 2009-13. The purpose of this historical review was
to organize and identify any specific financial patterns in the recent historical data,
and to use factual data to reveal any principal relationships which may become
evident as a basis for the next Five-year Capital Plan (FY 2014-20). A Table showing
the collective expenditures for each of the Reserve Funds was part of the report.

Financial perspectives gained from the study included consideration of adopting a
Capital Reserve Policy which aims to avoid either under or overfunding LOWA reserves,
although neither condition appears to be applicable to LOWA reserves at this
time. There currently is no forecast for capital spending and reserve balances,
and near-term (FY 2014-20) financial planning will be necessary to guide capital
decision-making by the Board before the next 5-year plan is completed.

3. Member Comments on Business Agenda. No comments.

4. UNFINISHED BUSINESS

4.1 Consideration of Approving the Sale of Mt. Pleasant Golf Maintenance
Lot. (Administrative Resolution 2013-5)
Motion by Rugless that the Board adopt Administrative Resolution 2013-5
regarding creation and sale of two residential lots and relocation of storage from the
Mt. Pleasant Golf Maintenance Lot.

Motion by Kelly, passed unanimously, to amend the motion by adding the phrase
“to be included in the FY 2014/15 capital budget.” Original motion as amended
passed unanimously.

4.2 Consideration of Publishing in Lake Currents Amendments to Regulation
XIV.A: Schedule of Penalties; and Regulation VLM: Use of Roads and Parking
Lots, Failure to Obey a Reasonable Order from Security Officers. (Policy
Resolution 2013-9)
Motion by McKee that the Board accept the resolution to amend Regulation
XIV.A: Schedule of Penalties, and Regulation VLM: Use of Roads and Parking
Lots regarding traffic violations, and authorize its publication in the July 26, 2013
issue of Lake Currents, with a request for written comments from members of the
Association by August 9, 2013.

Motion by McKee, passed unanimously, to also include amendment of Regulation
VLM in the Resolution. Vote on the original motion as amended passed unanimously.

4.3 Consideration of Publishing in Lake Currents Amendments to Regulation X:
Motion by Rugless, passed unanimously, that the Board accept the resolution to amend Regulation X: Use of Lakes, and authorize its publication in the July 26, 2013
issue of Lake Currents, with a request for written comments from members of the
Association by August 9, 2013.

5. NEW BUSINESS

5.1 Consideration of Adopting an Insurance Package for August 2013-July 2014.
Motion by Kelly, passed unanimously, that the Board adopt an insurance
package from Bankers Insurance for the insurance year August 1, 2013 to July 31,
2014, with premiums totaling $272,616.

5.2 Consideration of Publishing in Lake Currents Amendments to Regulation
Motion by Anderson, passed unanimously, that the Board accept the resolution to amend Regulation IV.D: Individual Behavior, regarding Solicitation, and authorize its publication in the July 26, 2013 issue of Lake Currents, with a request for written comments from members of the Association by August 9, 2013.

5.3 Consideration of Approving Amendments to Regulation X: Use of the
Lakes, Regarding “No-wake” Speed. (Policy Resolution 2013-12)
Motion by Rugless, passed unanimously, that the Board adopt Policy Resolution 2013-
12 regarding “No-wake” speed, effective immediately. (Note: The change is to clarify terms
used in the Regulations and does not affect member rights or responsibilities.)

5.4 Adjournment: Motion by Anderson, passed unanimously, to adjourn the
business portion of the meeting at 2:40 PM.

6. WORKSHOP

6.1 Lake of the Woods Association-owned Property Maintenance.
GM Phil Rodenberg provided the Board with a summary of what has been done so
far to review the maintenance status of various LOWA-owned properties. Mr.
Fred Ripley of the ECC has checked on the condition of 42 lots; of those, only 5
were considered to be in need of some maintenance, mostly in the area of tree work.

The golf course has been briefly canvassed, but input is needed from IGM and the
Golf Committee to firmly establish needs. The Shoosmith site and Maintenance
yards have been brought up to maintenance standards. The 9.9 site was also checked
for improper dumping of vegetative waste.

Mr. Rodenberg noted that the cleanup funds budgeted may not prove sufficient
to cover the actual work that needs to be done, and asked the Board to consider
additional funding for this type of work in future budgets.

6.2 Message Board (Front and Back Gates)
GM Phil Rodenberg provided a brief slide presentation and overview of
information the Board will need to consider if message boards are to be installed
at both the front and back gates. Visual samples of digital and manual styles were
displayed, with costs ranging from a low of $2870 to a high of $23,771, depending on
the type of housing materials used and the degree of technologic sophistication. Mr.
Rodenberg noted that currently 22,000 vehicles/week use the front gate, and 10,000
vehicles/week use the back gate. The Board would like to get feedback from members
who are encouraged to share their thoughts and opinions via feedback@LOWA.org.

7. Member General Comments
The Board heard comments and questions from members regarding the
placement of new message boards, the need for message boards, and the sources of
the initial cost quotes for purchase and installation of message boards. One member
asked the Board for clarification on the acceptable hours for daylight grounds
maintenance activities on the golf course, since noise levels from such activities are
being documented to occur outside the guidelines found in the LOWA Regulations.

8. Scheduled Meetings:
• Regular Board Meeting: Saturday, August 3, 2013 in the Community
  Center.
  Executive Session: 8 AM. Open Session: 10 AM.
• Regular Board Meeting and Workshop: Wednesday, August 21 at 2 PM
  in the Community Center.

9. Adjournment: Motion by Rucker, passed unanimously, to adjourn the meeting
at 3:23 PM.

Louisa Rucker, LOWA Secretary
LOTs FOR SALE

GREAT BUILDING Lot with water view. Across the street from waterfront homes and 4 doors down from beach access. On quiet street near community entrance. $45,000. Call Joyce Hanson at 540-972-1234.

RENTALS

SERVICES

A AARON YARD & Lawn Care - Mowing, gutters cleaned and repaired. Power washing, leaf removal, and more...10% off for seniors will beat any written estimates! 540-412-9344.

A GOOD DJ is now available for your next special occasion. All song files from 1940’s to present! Karaoke is also available. DJ lights included. Call Perry, 540-846-2378.

A HELPING HAND with compassionate care. Where Professionalism with Compassion come first. Excellent references with 20 years experience in LOW. We provide services to our neighbors at LOW. We are licensed and fully insured. The Association at LOW has contracted our services numerous times. We average over 2000 ft. of bulkhead replacement and many custom docks each year. Nobody in LOW does more bulkhead and dock work than us. We build year round and don’t use any large, yard-decorating equipment in our work. For a free estimate or second opinion, call Gary at D&B Services Inc., 972-7361.

A JOYFUL NOISE private music lessons in LOW. 540-898-7773.

A QUALITY FIRST - Interior & exterior painting, tile, wallpaper, water & smoke damage. Deck resurfacing, repairs, replacement, vinyl railing systems, 30 plus years at my trade. LOW resident since 1984. 972-4036 or 540-847-5052.
