James C. Foote, at Age 29, Created Lake of the Woods
LOW 50th Anniversary — Part 2 in a Series
by Pete Rainey, Member, Ad Hoc 50th Anniversary Committee

Jim Foote was an experienced developer of lake property when he met Mr. Perine, who appointed him Vice President of Virginia Wildlife Clubs, Inc. This is Jim’s story of how he built Lake of the Woods. Tom Perine and Jim Foote were working on three sites, one near Atlanta, one near Boston and one near Washington D.C. Jim would get topographic maps of the area of interest and spread them all over the dining room. He would then locate the streams and design the future lakes. Jim was interested in the Wilderness Run area on the Spotsylvania/Orange county line. He had designed a dam twice as big as the dam at Lake of the Woods to create a very large Wilderness Run Lake. He would call on the farmers, take them up for a helicopter ride, and try to buy options on their land. He had most of the future Wilderness Run Lake property committed, except for one farm. He flew to New York to negotiate with the owner of that farm. When things did not seem to be working out, he moved west to Flat Run and proceeded to design a lake community totally within Orange County.

The next 30 days were “fun as hell.” Jim remembers taking Mrs. Roach on her first helicopter ride, and cutting her firewood. In 1965, there were no restrictions on planned community development in Orange County. Jim Foote needed no government review or approval to put together the land purchases from 14 landowners and in one day recorded the deeds of the future Lake of the Woods.

NOTICE
Annual Meeting of the Membership
September 5, 2016 at 10 AM, Community Center
110 Sweetbriar Park Road

The purpose of this meeting is to vote on the election of five directors to serve on the Board of Directors. The Annual Meeting is also the forum for the Annual Report from the General Manager and awards certificates and honors from the Honor Awards Committee.

Board election proxy ballots were mailed by LOWA to the Membership on July 29. This year we will be selecting five new Board members from a list of seven candidates. Three candidates will be elected for three-year terms, one for a two-year term, and one for a one-year term, determined by the number of votes for each candidate. The two-year term and one-year term replace the remaining time because of early resignations.

Vote for 5 FOR BOARD OF DIRECTORS
Carl Clawson Brian Smith
Bob Hoh Michael Tait
Larry Morlan Jennifer Zukowski
Jeff Johnson

Members are asked to vote for up to but no more than five candidates for the five vacancies. For those submitting proxy ballots, all proxy ballots must be received prior to the announcement of the closure of the voting at the Annual Meeting by the presiding officer. All designated proxy holders must attend the meeting in person for the proxy ballots they are holding to be valid. If you should have any questions, please contact the General Manager’s Office at 540-972-2214.

Ballot Correction
The TITLE on the original ballots for the Board of Directors election indicate that members are to vote for THREE board members. The instructions correctly note that up to FIVE candidates may be voted for. Using the original ballots is acceptable. However, at each member’s option, they may choose to vote on a replacement Ballot that is being mailed out, or is available for pick-up at the Holcomb Building Member Services area. The latest dated ballot turned in by a member will be counted.

President’s Letter
by Louisa Rucker

Dear Friends,

Summer at LOW is sizzling by; grandchildren and other visitors seem to be everywhere – as well they should be when family members live in Shangri-La. Pony, golf, and sailing camps for the youngsters, junior golf programs, welcoming lakes, and numerous beaches make this a terrific destination. No wonder people refer to life here as six Saturdays and one Sunday every week.

On the Association side of the LOW equation, the current top Board objective is a fully functioning pool at Sweetbriar Park by Memorial Day weekend, 2017. At last week’s Town Hall, a contract for “Design-Build” of that pool was received from Lukmire Partnership and Counsilman-Hunskaker, the companies that just completed the Conceptual Design for Clubhouse Point’s “Pool, Fitness Center, and Outdoor Recreation Complex.” Because Greg Lukmire and Kevin Post (C-H) were on-site during the Sweetbriar Pool catastrophe, i.e. the cracks in the floor of the pool, they gave us the benefit of their experience and wisdom about replacing the pool. You have probably heard that the insurance company for the pool has strongly recommended complete replacement of the pool and has indicated that a payment of $531,639 will be issued, based on insurance LOWA purchased. The Board has endorsed the full pool replacement. Under the proposed contract, the design team of Lukmire Partnership and Counsilman-Hunskaker will give design-build services including developing “bridge documents” for the pool company who will be chosen from a bid competition and who will actually build the pool. The LOW members who have worked with Greg and Kevin have had nothing but superlative responses regarding that experience. Greg Lukmire says that under the proposed schedule, a completed pool can be ready on time for the Baracudas to dive into for their upcoming season.

Additionally, the Conceptual Design for the bigger project at Clubhouse Point will be considered for acceptance at tomorrow’s Board meeting. Even as it is accepted, it is understood that there is much more to be considered before we commit to the project. Determination of how to finance the project is beginning to be discussed in a variety of circles- especially the Finance and Planning Committees, in conjunction with staff members. You will be hearing lots of talk as the process goes forward. What will be the final design? How much will various options cost? How will the project be funded? You will be anchoring your preference in this important issue…and thereby be entitled to cheer or complain about the results because you participated!

And one last time: if you have not voted in the Golf Referendum – Approve or Disapprove – please do. By completing and returning your ballot you will be anchoring your preference in this important issue…and thereby be entitled to cheer or complain about the results because you participated!

Stay cool and please stay in touch,

Louisa – board@lowa.org

From July 18-22, LOWA held its second Junior Golf Camp. For this class we had seven students learn the basics of golf. During the first day we met at the Pro Shop. Children received their golf shirts, learned about the various areas of the course; fairways, rough, teeing ground, OB, bunkers, and how to score a round. The next three days we met at Sweetbriar Park, where they learned proper posture, stance, grip, and learned to hit with irons and woods. On Friday, they played five holes on Sweetbriar Park’s soccer field. The winner for our game was Connor Bray. Later in the afternoon, the group met at Sweetbriar Park to receive a dozen golf balls, a certificate for completion of the class and a raffle ticket for merchandise donated by our members, and also to enjoy watermelon, pizza and sodas.

Lake of the Woods PGA Junior League after our second match win at the Gauntlet.

Lake of the Woods PGA Junior Golf League has finished for the season. Our goal was to win one match for the year. We won two matches and won another match by forfeiture. The children really had a great time, practiced and played golf here at LOW and competed at other golf courses in the area.

On Saturday, July 23 and Sunday, July 24 LOW held the Male/Female Golf Tournament. The temperatures were in the upper 90s for both days. The Overall Low Gross Winners were Don and Kathy Smith with a 157. The Overall Low Net Winners were Charles and Janice Mincey with a 122. Congratulations on a game well-played!

I look forward to seeing you on the course!
By August 1967, Thomas Perine’s company, Virginia Wildlife Clubs, Inc., had been bought by Boise Cascade. Jim Foote described Perine’s officials as men who “like to roll up their sleeves, work in the dirt and are interested in getting the job done.” He recalls that, “Boise wanted to change everything; they insisted on shined shoes, coat and tie; it wasn’t much fun anymore.”

By then the Main Dam had been constructed and was filling at eight inches a week. The dam survived Hurricane Camille in August 1969. Bill Howard remembered the lake was 20 feet closer to his house in the midst of Camille. Two years later, August 27, 1971, tropical storm Dora had a greater rainfall. The Lake of the Woods Volunteer Fire and Rescue Department had just been created on August 23, 1971. It started with two fire trucks: one 1938 model and one 1946 model. Our first ambulance was a station wagon. At that time, in Orange County, none of the four fire companies or the one rescue squad was formally supported by the County.

Friends of Lake of the Woods
by Sam Hall, Communications Director, FLOW

It’s now possible for LOW property owners to raise money for Lake projects and to make a tax-deductible charitable contribution in the process. This was the message from Jon Anderson to the LOWA Board of Directors July 19. He was referring to the formation of Friends of Lake of the Woods, a new independent 501(c)(3) non-profit corporation which received its IRS and Commonwealth of Virginia approval in December 2015. According to Anderson, FLOW’s charter is to assist in enhancing LOW amenities, facilities and beautification projects by raising funds from the community.

Anderson noted that most of us are here because of the amenities which are maintained through assessment and budget procedures. “Sometimes however,” Anderson said, “we wish we could do more. Now through the generosity of our members perhaps we can.”

Anderson, who is the FLOW vice president, posed the question, “Do you have a project in mind for which you want to raise funds?” FLOW, he answered, has a process in place to receive the funds. That process requires BOD and management coordination and approval so that maintenance and other implications are considered before funds are donated. Once approved, contributions specific to that project can be made through FLOW.

Anderson also thanked Walter Dierks for contributing his legal expertise in establishing FLOW and to Cathy Edwards for her FLOW logo design.

AmeriGas Announces New Prices
by Matthew Greene, District General Manager, Fredericksburg

To AmeriGas customers in the Lake of the Woods Community:

My name is Matthew Greene and I am the District Manager for AmeriGas Propane in Fredericksburg. I would first like to take the opportunity to thank you for allowing us to be your propane provider and I look forward to servicing your needs in the future.

I would also like to clear up some confusion regarding how pricing is set in the community as well as to announce the rate for the 2017 heating season. The Lake of The Woods Facilities Managers do not negotiate the pricing for the community. This price is set by AmeriGas based on numerous factors in the community as well as the usage by the community. I am happy to announce that the new pricing for this year will be $2.199 per gallon.

AmeriGas has an online option for those who call when they need a delivery. You can sign up at AmeriGas.com to avoid the phone call to the office and will then be able to place that order 24 hours a day.

If you have any questions, please feel free to call our Fredericksburg office at 540-898-0357, and we’ll be happy to answer. Thank you for choosing AmeriGas.

Honoring Our Volunteers
by Pat Licata, President, Civic Club

The LOWA Board of Directors will join the LOW Civic Club in honoring the more than 200 members who serve on Lake of the Woods committees. A reception recognizing our committee members will be held at the Clubhouse, Wednesday, August 10, from 5-6 PM. All Lake of the Woods residents are cordially invited to show their appreciation to our neighbors who spend a substantial amount of time and effort making Lake of the Woods such a great place to live.

Volunteers serve on 21 separate committees, which all meet at least once per month. Most committees are comprised of seven voting members, plus alternates and advisors. The committees serve as advisors to the Board of Directors. Since committees reconstitute next month, this is the perfect opportunity for the community to say “thank you” to those people who have represented us so well during the past year.

“Be Concerned, Be Informed, Be Involved” is the motto of the LOW Civic Club, which hosts monthly speakers and provides an open forum where homeowners can learn about issues that affect their lives, interests, and investment in the LOW community. We hope to see you on Wednesday, August 10!

Mrs. Irmgard Sames enjoys Cupcake Art with Activity Assistant, Georgia Henderson

“I have been extremely pleased with the care and services that my mom has received since she was admitted to Dogwood Village. She enjoys the personal attention throughout the day as well as the wonderful activities.”

The July heat beat down on 12 teams for the July 16 LOW Angler tournament which made the hunt for keeper fish as difficult as it has been for the last few months. Richard Henderson, who fishes solo under the team name “Rippin Lips,” found an unusual technique that produced a high volume of fish even under those steamy conditions. Richard was perched on one of his favorite medium-depth spots off a point that had some structure below and was presenting a 10 inch plastic worm around the structure. What he noticed was that every time a passing boater or skier would go by him, the wake resulted in some movement in the structure and made the fish lurking around strike his bait. This went on for most of the tournament duration, and while it did not produce any really big fish, it resulted in a high volume of keepers. That made for some consistent culling decisions and allowed him to bring in a keeper fish of 2.42 pounds. The rest of the field was close behind at 8.04 pounds, with John catching the big fish of the day at 2.42 pounds. The rest of the field was bunched in the 6 to 7 pound range.

The top five finishers in the July 16 event were:
2. Team Extreme - Mark Nowacki and John Micks: 8.04 lbs.
5. Lake Record - Barry Priddy and Jesse Foster: 6.35 lbs.

With another tough outing in the books the overall team standings, which are used to determine the Angler of the Year title and entry into the LOW Classic Tournament, had some movement. After five events the team point standings are:
1. Lucky Charms - 695 points
2. Team Extreme - 640 points
3. Glue Monkey - 695 points
4. G-Unit - 580 points
5. GrandPop-Its - 575 points

All five fish were released safely back into the lake after weigh-in. The next LOW Angler tournament will be held Saturday August 20 from 6 AM to noon. For more information regarding the LOW Anglers, please go to our website: lowangler.webs.com/.
Lions Install New Officers
by Dick Gullickson, President, LOW Lions Club

The Lake of the Woods Lions installed new officers for 2016-2017 on June 16 at their Charter Meeting at the LOW Clubhouse. Pictured here are Past President Stan Lasover; board members Donna Merryman, Norm Bielmeier, and George Schneider; Tail Twister Jay Madson; District Governor Pat Isaac, President Richard Gullickson, Membership Chair Charles Ostlund; Second Vice President Rick Rappoport, First Vice President Reggie Gavett; Treasurer Dave Lemay, and Secretary Ken Buell. Not pictured is Lion Tamer Yvette Ruiz.

The highlight of meeting was the presentation of awards, including the Melvin Jones Award for a career of distinguished service to Carol Curry, The Distinguished Humanitarian award to Lee Frame, Distinguished Service Awards to Hank Altman and Ron Moffa, Lion of the Year award to George Schneider, the Non-Lion Community Service Award to Terralis Gibson, Manager, Locust Grove, Walmart, the Past President’s award to Stan Lasover, and the President’s award to Dan Benedict.

The LOW Lions meet on the second and fourth Tuesday of each month and are actively recruiting new members interested in serving their community. Questions? Contact Charlie at 972-2840.

Lions Charity Golf Tournament
by Su Bielmeier, LOW Lions Club

It’s time to sign up for the annual LOW Lions Club Charity Golf Tournament scheduled for Friday, September 23 at the Lake of the Woods Golf Course. With a 4-person, co-ed scramble format, the tournament will have a shotgun start at 1 PM and a Putting Contest that begins at 11:30 AM. Cost for the tournament is $65 per player if paid by September 1 ($75 after). This fee includes green and cart fees and dinner after the tournament. Prizes will be awarded to teams finishing in first, second and third place, and for closest-to-the-pin and closest-to-the-line for both men and women. Put your own foursome together or sign up individually. Sign up at the Pro Shop, or get the registration form on the Lions website: lowlions.org, or call Lion Lak 540-840-8979.

Proceeds benefit the LOW Lions benevolence fund to support its sight and hearing programs, medical equipment loan program, Orange County charitable activities, and the Lions Wilderness Food Pantry. Last month over 150 families visited the Lions Wilderness Food Pantry. Help us continue to support our community. If you don’t play golf, please ask your family, friends, and neighbors to support this Lions fundraiser.

LGA News
by Karen Woods, Publicity, Ladies Golf Association

Both the LGA Annual Meeting and the Member/Member Tournament will be held on Tuesday, August 23. The annual meeting will start at 7:30 AM in the Woods Center. We will be voting for the 2016-2017 officers and reviewing the 2016-2017 proposed budget. The slate of officers is posted in the Woods Center lounge. LGA President Jeanne Woodward encourages all members to attend the meeting.

A continental breakfast will be served.

The Member/Member Tournament will start right after our meeting. Tournament Chair Pat Shrader asks members to find a partner and sign up by August 15. The cost is $15 per player, which includes a coupon for lunch at the Fareways Café after the tournament. Usual cart and greens fees apply. The sign-up sheet and tournament details will be posted in the Woods Center lounge.

Checks should be made out to LOW LGA, with “Member/Member” noted on the memo line. For further information, please contact Pat Shrader.

The first round of the President’s Cup Tournament took place on August 2. If you missed the first round, you can still compete by playing the last two rounds on August 9 and 16. The entry fee is $2. August 1 handicaps are used throughout the tournament. Winners are determined by the best two rounds out of three for low gross and low net scores.

Please note: The LGA Picnic and Employee Appreciation Day is scheduled for Tuesday, August 30. Information will be posted in the lounge.

Square Dancers: Putting on the “Poof!”
by Geraldine Amaral and Linda Futato, Square Dancing Club

Where can you go to exercise your brain, have a low-impact physical work-out, make new friends, have fun, and feel part of an inclusive community? Last September, we convinced our husbands to attend a free square dancing lesson sponsored by the Lake of the Woods Square Dancing Club at the Clubhouse. Everyone was so friendly and welcoming. After the free lesson, we committed to the next series of lessons, and now we are part of the “plus” square dance community. That means that we have learned all the basic moves, plus a few more!

We must admit, at first we thought, “Square dancing? Isn’t that for, well… ‘SQUARES?’” But who knew? It’s now called Modern Western Square Dancing and here are some of the benefits from it.

**Physical Benefits:** Square Dancing is low impact and not too strenuous. We all know that we need to exercise more for our health (lowered blood pressure, weight loss, slower heart rate, etc). Regular square dancing can help with these.

**Mental Benefits:** Following the instructions, coordinating with the other dancers in your square and listening attentively are all good for the brain! When the caller calls out the steps, you must react quickly. There’s no time to think about your worries and problems. Get those mental juices flowing, and reduce your stress levels! The caller takes it slow, and before you know it, the steps become part of your “muscle memory.”

**Make New Friends:** Square dancing has been described as “Friendship set to music.” Since you dance in a square of eight, a lot of team work is involved and these eight dancers depend on each other to keep the dance moving along. Everyone is welcome – singles, couples, families. Cultural background, political views, ethnicity – none of that matters.

Square Dancing is universal – the calls are standardized and are the same, literally, throughout the world! There are square dancing clubs everywhere. You can even take square dancing cruises. Welcome to the whole wide world of square dancers!

If you want, you can also get dressed up in snappy square dance clothes. The men can wear western style shirts with bolo ties and the ladies can wear skirts with petticoats and crinoline underneath. We call this “putting on the poof” because the ladies’ skirts are rather poofy. Dressing up is not required but it adds to the fun.

A free introductory class and a series of beginners’ classes will be starting up again in September on Tuesday evenings. If you would like more information, email LOW Square Dancers’ President Roy Stein at royplaysgolf@yahoo.com or call 540-539-0147.

“Viewpoints” Guidelines

The “Viewpoints” page in Lake Currents provides members of the Lake of the Woods Association an opportunity for an exchange of ideas with each other on issues affecting our community.

These issues may include, but are not limited to:
(1) Matters proposed to/under consideration by/decided by the Board of Directors, the Administration, and/or standing and ad hoc Committees;
(2) Any aspect of existing or proposed amenities;
(3) Recommendations from individual members for changes in policies, administrative procedures, covenants, by-laws, and other governing documents;
(4) Security and related concerns;
(5) Use, maintenance, and operation of LOWA buildings, grounds, parks and roads; and
(6) Actions affecting Lake of the Woods taken by Orange County, other jurisdictions, and/or governmental agencies.

Members must be in good standing with the Association.

Letters should not exceed 175 words.

When the number of eligible letters exceeds available space, first-time or infrequent contributors will be given priority. Letters not selected for publication should not be held over for more than one subsequent edition.

The “Viewpoints” column is normally one page in length.

AARP Smart Driver Course for Seniors
by Su Bielmeier, AARP Volunteer Instructor

Seniors, refresh your driving skills at Sweetbriar Community Center, Classroom 2, from 9 AM-5 PM, Friday, September 9.

You will learn:
- Defensive driving strategies
- New traffic laws and rules of the road
- Ways to handle highway traffic, right-of-ways, and blind spots on today’s roads.
- How to reduce your chances of having a crash or committing a traffic violation.
- Upon completion, you should receive a multi-year discount on your car liability insurance that is good for three years.

The one-day course will be held from 9 AM to 5 PM with a working lunch. Please bring a brown bag lunch since there will be no time to go out to lunch. You must be present the entire class time to receive credit for the course. The cost is $15 for national AARP members and $20 for non-members. Checks should be made payable to AARP. To register, mail check to Su Bielmeier, AARP Instructor, at 1310 Eastover Pkwy, Locust Grove, VA 22508. Please include your name, address, phone number and email address. For questions, call Su at 540-208-1914 (cell), or email Su at driversafetyclass@gmail.com. Please bring your driver’s license and your national AARP card (if applicable). The LOW Lion’s Club hosts this course.

As we age it is important to stay mentally and physically fit. If you go to the AARP website, you can find online games to stimulate your brain. You don’t have to be a member or pay to play these games. Go to games.aarp.org. You will find Sudoku, backgammon, solitaire, Mahjong, crossword puzzles, and many more. Also, to have fun working your memory, problem-solving, and language skills, scroll down to the middle of the page to find Brain Games.
LOW Garden Club: Opportunity Knocks
by Karen Kovarik, Publicity Chairman

The Garden Club meeting August 8 is designed to acquaint you with the many opportunities the club offers to enrich your membership. Interested in holding an office? Current officers will brief you. The club is blessed with numerous committees, and one may be just the niche you are looking for. Perhaps you would like a hand in programming, or hospitality? We want each member to take as active a role as he or she is comfortable with, but don’t hesitate to push your comfort zone. Candidly if I could learn to arrange flowers, and even win a blue ribbon, anyone can!

The Fall Home and Garden Tour may be just the place to start. Many hands are needed to ensure the success of our major fundraiser.

For our August program Connie Etherton will share with us her experience in trying to grow tomato plants in a bale of straw. Come and see how she did. As always we meet in the Great Hall of the Clubhouse at 1 PM, with light refreshments and fellowship following the meeting.

Autumn Home and Garden Tour
by Karen Kovarik, Publicity Chairman, LOW Garden Club

When autumn leaves caress the trees it will be time for the LOW Garden Club’s first Autumn Home and Garden Tour. On Saturday, September 17 the club is hosting a tour featuring six homes and gardens. Five homes are on the big lake, and the sixth is on the golf course.

What can you expect to see? The pastels of spring having faded in the summer sun, the sun ripened the rich tapestry of fall colors, purple, gold and red. There will be floral arrangements within the homes as well as gardens to admire.

But the homes, you ask? Let me preview three. The first is an art gallery of a home furnished with original art, quilts and sculpture. The latter includes an Inuit bear carved from serpentine, and a prize-winning Bufflehead duck. The kitchen is spacious and decidedly a cook’s kitchen. Just note the refrigerator/freezer (if you can find them, they are artfully concealed.) Do visit the wine cave. Go out on the deck and admire the IPE Brazilian hardwood deck, and the beaver proof fencing that protects the trees.

The second lakefront home is being remodeled, and the results are striking. The home has been “de-cluttered” and the effect is spacious. The freshly painted walls have colors complementing one another in a soothing manner. There are elegant touches in the granite counter tops and mosaic tiles in the master bath.

The home on the golf course has a panoramic view of the course. This home, too, has been extensively remodeled. Features include a parquet floor with tongue and groove construction, a white-washed vintage ceiling, pocket doors, a built in banquette overlooking the golf course, and siltstone quartz counter tops. Multiple Kang glass pieces decorate the house, and be sure to look for the mounted deer head, and the “wall of shame.”

Lake of the Woods is fortunate to have so many home owners who have offered their homes for tours over the years. The Garden Club depends on the revenue generated as it is our biggest fundraiser. The tour is 10 AM to 4 PM, and costs $25. Tickets: Loretta (540-412-2441); or, by mail to the LOW Garden Club, 600 Gold Valley, LOW 22508. Include a self-addressed stamped envelope.

3.2 Report of the General Manager (presented by Asst. General Manager, Dave Heiser)

A. Lakes Management Report

Annual inspection of Keaton’s Run Dam by A. Morton Thomas & Associates on May 27 resulted in a satisfactory grade, the highest grade awarded. A sewage leak near the RSA pump station on Birchside Circle on June 6 was repaired promptly by RSA. Follow-up water sampling near the site over the next few days was done for the next few days to confirm there was no reason for concern.

B. May Financial Statement

In May, LOWA collected $590,563 in current year lot assessments. For FY 2016-17, we collected $4,153,148, or 73% of lot assessments billed. The Preliminary Unaudited Budget Summary shows a favorable variance of $31,163 as of May 31, 2016.

C. Sweetbriar Pool Design Planning

The General Manager has requested a proposal from Lukmire/Counselman-Hunsaker on an approach to designing and building a new pool, Mr. Mackey responded that our current “Resortguard” policy with AIG, unlike many insurers, is very familiar with the pool and spa industry. In response to a question regarding increased liability, if a one meter diving board were added to either swimming pool, Mr. Mackey pointed out our current “Resortguard” policy with AIG, unlike many insurers, is very familiar and comfortable insuring recreational facilities and amenities including diving boards and slides without concern.

3.3 Committee Liaison Reports

Director Hutchinson reported that the Community and Youth Activities Committee has planned a Family Glow Night for July 29 and a movie night on August 27. He thanked the parents for getting involved in revitalizing programs for youth in LOW.

Director Zwick reminded members that the Tennis Committee is hosting two more free tennis clinics for children August 15-16 and 22-23.

Director Cumming reported that the Pools Committee is focused primarily on future plans for the Clubhouse and Sweetbriar pool reconstruction projects. The Elections Committee is currently busy monitoring the Golf Referendum results, and will soon be working on results of the Director elections.

3.4 Committee Reports

A. Environmental Control Committee (ECC)

Chair Joe Takacs reported that from May 1, 2015 through April 30, 2016 ECC approved 39 new home construction projects, approved 104 upgrade requests, and performed final inspection on over 120 projects. Since May 1 of this year, they approved 4 new home projects and 13 additions for an additional $77,952 in new construction and renovation fee income. Of 593 requests to cut down trees, 541 were approved. Mr. Takacs said he will be leaving the Committee in September after 7 years of service, 3 of those years as Chair, and invited interested members to join the Committee.

B. Ad Hoc Pool/Fitness Center

Chair Cliff Wilks gave the Board a summary report of the progress made to date by the Ad Hoc Pool/Fitness Center/Outdoor Recreation Complex Committee. Following their most recent open meeting with Lukmire Partnership on July 12th, further refinements for the layout of the site will be adopted, and a final report from Lukmire and the Committee is scheduled at a Special Meeting of the Board/Town Hall on Wednesday, July 27, 2016 at 7 PM in the Community Center.

4. PRESENTATIONS

4.1 Annual Property and Liability Insurance Package Review

Agent Bill Mackey of Bankers Insurance Company gave a brief summary of the proposed LOWA insurance package for the period August 1, 2016 through July 31, 2017. The proposed premium is $286,580, which represents a decrease of $7,950, which is a 2.7% reduction from last year. A reduction in premium this year is a reflection of our low incurred loss history relative to general liability and low Workers Compensation claims, as well as pricing conditions in the insurance industry. In response to a question regarding increased liability, if a one meter diving board were added to either swimming pool, Mr. Mackey responded that such an addition would not increase the premium costs.

4.2 Friends of the Lake of the Woods (FLOW)

FLOW Vice President Jon Anderson explained the mission of FLOW and how property-owners can participate in enhancing LOW amenities, facilities and beautification projects by suggesting special projects and helping to raise funds to pay for them.

5. Member Comments on Business Agenda

One member said that requiring vehicles stored in the Boat/RV Storage lot to be “road ready” appeared to be inconsistent with the lack of such a requirement for vehicles stored on member lots.

6. UNFINISHED BUSINESS

6.1 Consideration of Approving a Contract with Environmental Quality Resources, LLC of Millersville, Maryland in the amount of $144,266.54 for Construction of Eastover Park Water Quality Retrofit on Keatons Run, Funds to come from the Repair and Replacement Reserve.

Motion by Cumming, passed unanimously, that the Board approve a contract with Environmental Quality Resources, LLC of Millersville, MD in the amount of $144,266.54 for construction of Eastover Park water quality retrofit on Keatons Run, with funds to come from the Repair and Replacement Reserve.

6.2 Consideration of Approving a Contract for FY-2016 to Battlefield Land Surveying, PLLC of Locust Grove, VA in the amount of $12,325, Funds to Come from the Repair and Replacement Reserve.

Motion by Cumming, passed unanimously, that the Board approve an additional $77,952 in new construction and renovation fee income. Of 593 requests to cut down trees, 541 were approved. Mr. Takacs said he will be leaving the Committee in September after 7 years of service, 3 of those years as Chair, and invited interested members to join the Committee.

6.3 Consideration of Awarding an Eastover Park Land Surveying Contract for FY-2016 to Battlefield Land Surveying, LLC of Locust Grove, VA in the amount of $12,325, Funds to Come from the Repair and Replacement Reserve.

Motion by Cumming, passed unanimously, that the Board approve an additional $77,952 in new construction and renovation fee income. Of 593 requests to cut down trees, 541 were approved. Mr. Takacs said he will be leaving the Committee in September after 7 years of service, 3 of those years as Chair, and invited interested members to join the Committee.

6.4 Consideration of Approving a Contract with Stantec for Engineering Oversight of Eastover Park Construction in the Amount of $22,800, Funds to Come from the Repair and Replacement Reserve.

Motion by Cumming, passed unanimously, that the Board approve a contract with Stantec for engineering oversight for Eastover Park Construction in the amount of $22,800, funds to come from the Repair and Replacement Reserve.

6.5 Consideration of Awarding an Eastover Park Land Surveying Contract for FY-2016 to Battlefield Land Surveying, PLLC of Locust Grove, VA in the amount of $12,325, Funds to Come from the Repair and Replacement Reserve.

Motion by Cumming, passed unanimously, that the Board approve an additional $77,952 in new construction and renovation fee income. Of 593 requests to cut down trees, 541 were approved. Mr. Takacs said he will be leaving the Committee in September after 7 years of service, 3 of those years as Chair, and invited interested members to join the Committee.

6.6 Consideration of Approving a Contract with Stantec for Engineering Oversight of Eastover Park Construction in the Amount of $22,800, Funds to Come from the Repair and Replacement Reserve.

Motion by Cumming, passed unanimously, that the Board approve a contract with Stantec for engineering oversight for Eastover Park Construction in the amount of $22,800, funds to come from the Repair and Replacement Reserve.
July 19 Minutes from p. 18

7. NEW BUSINESS
7.1 Consideration of Approving the Annual Property and Liability Insurance Package for August 1, 2016 through July 31, 2017. Motion by Zwickl, passed unanimously, that the Board approve the annual property and liability insurance package for August 1, 2016 through July 31, 2017.

7.2 Discussion of Year-end Capital Projects Report, FY2015-16
Director of Facilities Jessica Graves reported on the Year-End status of major capital projects in the Capital Spending Plan. Of 87 capital projects in the plan, 66 have been completed, 18 are in progress, 2 are on hold and 1 is no longer being carried over due to Board action. Of the $1,897,563 budgeted, some projects came in over budget for a total $45,057 in expense. Projects coming in under budget resulted in a (total) savings of $88,784, resulting in a net (total) savings of $43,227 under budget. The total spent on completed projects was $1,854,336.

7.3 Discussion of Board Goal #7 Working Group Report. Member Participation in LOWA Decision-making: Investigate New Ways to Communicate with Members Using Social Media.
Asst. General Manager Dave Heiser gave an update to the Board on the progress of the Working Group studying the use of social media to improve communications with members. The group focused on three main areas: 1) posting updated meeting information; 2) offering a mobile APP on the LOWA website; and 3) consideration of media content and quality. Findings included the need to update our website for functionality, the advisability of offering education classes to members on how to use social media, and the need for additional staff to support multiple tasks associated with implementing and maintaining expanded avenues for media access. No action was taken by the Board at this time.

7.4 Consideration of Sending to the Rules Committee Proposed Amendments to Bylaws Article IV and VII Regarding Electronic Notice and Voting, and Clarifying Member Voting by Secret Ballot. (Board Goal #8)
Motion by Cumming, passed unanimously, that the Board approve sending to the Rules Committee proposed amendments to Bylaws Article IV and VII, regarding electronic notice and voting and clarifying member voting by secret ballot.

7.5 Consideration of Sending to the Rules Committee Proposed Amendments to Regulation V.J: Use of Property—Individually-owned and LOWA-owned Property, Regarding Boat/RV Lot Storage.
Motion by Hutchison, passed unanimously, that the Board approve sending to the Rules Committee and the LOWA attorney the proposed amendments to Regulation V.J.: Use of Property—Individually-owned and LOWA-owned Property, regarding boat/RV storage.

7.6 Consideration of Authorizing Expenditure for Purchase of a main pool filter system at the Clubhouse Pool in the Amount of $16,150. (General Resolution 2016-5)
Motion by Cumming, passed unanimously, that the Board adopt General Resolution 2016-5 authorizing the expenditure for purchase of a main pool filter system at the Clubhouse pool in the amount of $16,150.

7.7 Consideration of Authorizing the LOWA President to Sign the Lot Re-division Agreement and Survey for Lot 74A, Section 1.
Motion by Rugless, passed unanimously, that the Board authorize the LOWA President to sign the lot re-division agreement and survey for Lot 74A, Section 1, contingent on the pavement being removed from Section 1, Lot 75.

7.8 Discussion of Legal and Compliance Fines for Parking.
This item was removed from the Agenda and will be taken up at the August 6 Board meeting.

7.9 Consideration of Authorizing a Third Mailing for the Golf Referendum.
Motion by Cumming, passed unanimously, that the Board authorize a third mailing for the 2016 Golf Referendum.

8. Member General Comments
Members commented on the need for the Board to address parking fines, and to carefully consider the need for increased staff support should LOWA upgrade their presence on social media. One member suggested that instead of a permanent Snack Bar at the Clubhouse Pool/Beach area that is only usable 3 months of the year, the Board consider a seasonal, mobile ice cream/snack cart to free-up more storage space at the proposed site.

9. Director Comments: No comments.

10. Scheduled Meetings
• Special Meeting of the Board/Town Hall; Wednesday, July 27, 2016 at 7 PM in the Community Center. Agenda: Final Reports on the Pool/Fitness/Outdoor Recreation Complex from Lukmire Partnership and the Ad Hoc Committee on Pools/Fitness Center.
• Regular Board of Directors Meeting: Saturday, August 6, 2016 at 10 AM in the Community Center.
• Special Meeting of the Membership: Monday, August 15, 2016 at 7 PM in the Community Center.

LOWLINC Receives Healthy Living Grant
by Mary-Jane Atwater, LOWLINC, Board of Directors Chair

LOWLINC has been awarded a Healthy Living Grant from the Culpeper Wellness Foundation in the amount of $4,120. The grant money will be used to support a project designed to empower seniors living in LOW and Orange County to better communicate with their doctors and other health professionals. As we get older, it is more important than ever to be able to speak frankly and comfortably with the healthcare providers we see. We need to ask questions, report on health concerns and take an active role in our healthcare. However, in the brief time we have with doctors, nurses and other healthcare providers, we may not remember all the questions we want to ask, or we may not fully understand what the healthcare team is saying. As part of the project, we will first organize several small group discussions with LOWLINC members and other older residents of Orange County to obtain their opinions about communicating with healthcare providers. We will use the input from these discussions as well as materials from the National Institute on Aging to make “Talking with Your Healthcare Provider” community presentations during the fall months, both at LOW and in the county. We will also produce a Health Matters Toolkit with which seniors can keep track of medications, appointments, questions for doctors, and notes about treatment. We are excited about this project, which will be open to all seniors at LOW and Orange County as well as LOWLINC members. We appreciate the support from the Culpeper Wellness Foundation.

Update on Raffle from June 24 Concert on the Point: The rain-interrupted concert on June 24 prevented LOWLINC from announcing the winner of its 50/50 raffle that night. Alas, after a month of publicizing the winning ticket number, we have not been able to identify the winner. The LOWLINC Board of Directors has voted to donate the entire raffle proceeds of $344 to our hardworking Lake of the Woods Volunteer Fire and Rescue Company, in appreciation for all it does to help our community at critical times when we need help most.

Classes will be held at the Wilderness Presidential Resort Clubhouse on the following dates: July 29, Aug 19, Oct 1, Nov 12, Dec 10. Admission/gate fee is $30 per person due with registration. Enjoy your favorite wine while painting and having fun! Ages 21 and older only; valid photo ID required. For full details visit wresort.com or call (540) 972-7433 ext. 2 today!

CVBT: 20 Years of Saving Battlefields
by Craig Rains, President, Civil War Study Group

It has taken 20 years, but the Central Virginia Battlefields Trust (CVBT) has fought and scraped in that time to successfully acquire and preserve more than 1,060 acres of critical hallowed ground in the four major battlefields in our area. On Friday, August 26, CVBT Chief Administrator Ben Brockenbrough will present “Preserving Dirt and Grass: the 20th Anniversary of the Central Virginia Battlefields Trust” to the Civil War Study Group.

This retrospective will begin at 10:30 AM in the lower level of the Clubhouse. LOW residents will be especially interested in hearing about the CVBT acquisitions on the Wilderness Battlefield. One site includes 18 acres where General U.S. Grant had his headquarters during the May 1863 battle. They are located on Route 20 behind the Sheetz gas station.

A nearby CVBT acquisition is 81 acres on three parcels that include the site of the Wilderness Tavern on Route 3. It was here that the amputation of General Stonewall Jackson’s arm took place on May 3, 1863, during the battle of Chancellorsville.

Three years ago, CVBT purchased the Stars and Bars military surplus store, locally known as “the castle,” on Route 3 near the Orange Plank Road; it subsequently razed the eyesore to complement the National Park Service property across the highway that is part of Jackson’s 1863 flank attack grounds.

Brockenbrough became CVBT’s first full-time chief administrator last year. He is from Richmond and is a graduate of Washington & Lee University. He had five ancestors who fought at Slaughter Pen Farm during the 1862 battle of Fredericksburg.

Everyone with an interest in Civil War history or historic preservation is invited to attend. For more information about the program or the Civil War Study Group contact Craig Rains 972-2844 or go to civilwarstudygroup.org.

Try Us Out! Join the LOW Visual Arts Council
by Madeline Salustri, Member, LOWVAC

On October 16 and 17 Lake of the Woods Visual Arts Council celebrates its 34th year sponsoring the fall arts and crafts show and sale. The show features original art works of LOW residents. Those works are creations of woodworkers, potters, jewelry makers, as well as painters in all media. Adding to the excitement are works of students from the Orange County schools.

The council has grown not only in numbers but also in the breadth of its included arts. Note that such growth has enriched not only the shows but also the variety of arts. We are sending a call to the LOW community for those supporters of the arts to join us. We know there are many talented and dedicated members of our community who will infuse LOWVAC’S activities with renewed enthusiasm and original ideas.

The Council’s major activity is the annual fall show, but we also interact with many other art groups throughout the Fredericksburg and neighboring areas. We attend workshops, participate in and attend gallery shows, and meet with other art groups. One hundred percent of the profit from our fall show is awarded to support the art programs in schools.

Therefore we offer opportunities for all talents, from experienced to beginner artists as well as organizers and business mavens. Try us out! Call Jan Moore at 972-9355 or Sallie Wallace at 972-9412 for further information.

Orange County Supervisor’s Letter
by Lee Frame, District 5 Supervisor

The Virginia Department of Transportation (VDOT) requested that Orange County adopt a resolution to commit $150,000 towards construction of the Route 3 improvement project at the Lake of the Woods front gate area. These funds were deposited with the county by Walmart as one of the conditions of the Special Use Permit granted by the county to construct their store. At the last Supervisor meeting, this resolution was approved. VDOT has indicated that construction of the improvements may not begin until the spring of 2017.

At our last meeting, the Supervisors authorized the filing of an application with the Virginia Resources Authority for refinancing some existing county bonds to realize cost savings and issuing new debt of an additional $21 million to finance needed projects. These projects include the Public Safety Communications Network which will comply with new communication protocols and eliminate dead spots in the county and a Consolidated Public Safety Facility to accommodate the now crowded 911 Center, Sheriff’s Office, the Emergency Operations Center and IT facilities. The new financing will also fund the Fiber Optics Network and Rural Broadband Initiative. The application does not necessarily commit the county at this time, but to meet the application deadline, the application has to be submitted before early August. As these projects are further detailed with more defined cost estimates further action will be needed from the Supervisors.

Orange County has attracted another business to the county. The Supervisors approved incentives for KNO Corrosion Technologies, LLC to invest $2.2 million in new equipment in the Gordonsville area. The company has agreed to hire 30 full time positions at an average salary of $46,533. The incentive for this investment is a grant of $30,000 over three years which would be the Machinery and Tools Tax for that period.

Orange County has adopted financial policies to influence and guide the financial management needed to ensure that appropriately scaled local government services are funded at levels to meet the needs and expectations of our citizens and businesses. These policies address taxation, county operations, capital improvement, debt and reserves. The financial policies will contribute to managing fiscal crises, achieving higher credit ratings, promoting financial stability, avoiding single issue thinking and promoting long-range planning with day-to-day operations. The county’s Financial Policy Guidelines can be read on the county’s website.

At our last meeting, Nigel Goodwin was recognized with a Supervisor approved resolution expressing our appreciation, gratitude and admiration for his 15 years of service representing District 5 citizens on the Orange County Planning Commission including several years as its chairman. He served on the Route 3 Land Use Committee in the late 1990s and more recently the Germanna-Wilderness Area Plan Steering Committee. Mr. Goodwin is on the Route 3 Land Use Committee in the late 1990s and more recently.

If you have questions about county government or want to let me know your feelings on specific issues, you can contact me at lee.frame@orangecountyva.gov.

SARWC Welcomes Congressman Brat
by Toni Ruther, 1st Vice President,
Susan Allen Republican Women’s Club

The next SARWC meeting is scheduled for Wednesday, August 24 at 11:30 AM in the Clubhouse with our special guest, Dr. Dave Brat. Brat made international headlines in 2014 when he became the first person in history to defeat a sitting Majority Leader of the U.S. House of Representatives since the position was created in 1899. Before joining Congress, Brat served both Republican and Democratic Governors on the Joint Advisory Board of Economists, providing critical economic forecasts to help manage the Commonwealth.

In addition, he worked for the World Bank and later for Arthur Andersen. In 1996, Dave and his wife, Laura, moved to Henrico County when Dave began teaching economics at Randolph-Macon College. Later, he went on to become Chairman of the Economics and Business Department at the College.

Congressman Brat is the only Ph.D. economist in Congress and currently sits on the House Budget Committee, Education and Workforce Committee and the Small Business Committee. He is also a member of the House Freedom Caucus, supporting open, accountable and limited government, the Constitution and the rule of law, and policies that promote the liberty, safety and prosperity of all Americans.

Brat united the different parts of the Republican Party—as well as the Tea Party, Independents, Libertarians, and Democrats—by talking about such fundamental American principles as free markets, financial responsibility at all levels of government, equal treatment under the law, and protecting our liberty by ensuring that government adheres to the constitution. But Dave does not just talk about principles, hewalksthe talk, and is one of the few members of Congress to hold a 100 percent “A” Liberty Score from Conservative Review. That is a score he is proud of; it reflects the firm stances he’s taken against the status quo.

Dave and Laura have two children, Jonathan and Sophia, who attend public school in Henrico County. A man of deep faith, Dave attends St. Mary’s Catholic Church with his family. Having Brat represent us in Congress means hardworking Virginians have a champion fighting for them every day.

The menu for our meeting will be Stuffed Flounder, Jasmine Rice, and beverages. A cash bar will be available. We are expecting quite a large number of reservations so please RSVP to Toni Ruther at 972-0295 or email to truther@verizon.net as soon as possible but no later than August 19. The cost is $21 payable to SARWC. Our mailing address is P.O. Box 803, Locust Grove, VA 22508. (Honor System: Please send a check if you make a reservation and do not attend.)
