Referendum Results Ramifications: Board Considering Amending Governing Documents June 7
by Jim Walsh, Olive Kelly, Jon Anderson, Mike Rugless, Louisa Rucker, Dick Delio and Jim Hutchison

The governing documents referendum has come to an end. There are valuable observations we can make from the votes counted from Ref 1 and 2:
- 70 percent of lot owners cast a ballot.
- The yes votes received on Referendum Amendment 1 were 88 percent and Amendment 2 were 80 percent.
- The Board did imply each amendment had to pass in each section or the vote would not count. Now that we see the results, however, the Board is strongly considering adding Amendments 1 and 2 to our governing documents to carry out the will of members in the approving sections. It seems proper and just to honor how the vast majority voted.
- In addition, since more than 66 2/3 percent of the members who voted said yes for these two Referendum Amendments, the Articles of Incorporation would be modified as well.

Golf Irrigation Project is Complete!
by Rob Martin, PGA and Assistant General Manager, LOWA

On Wednesday, May 21, the LOWA Management Team and the Golf Committee hosted a “water turn on” celebration for the new irrigation system at the golf course. Representatives from several contractors involved in the project as well as the LOWA Board of Directors, Golf Committee and LOWA Staff were in attendance.

At this time we would like to thank the community for their support and patience through this process. We were fortunate to have an excellent team that worked diligently to complete the project as quickly as Mother Nature would allow. A special “thank you” to Mike Kuhn and the IGM team for their help throughout this undertaking.

The LOW golf course will now enjoy much improved conditions while simultaneously helping our lake health by controlling the amount of runoff water that reaches our lakes.

Referendum Facts
- Amendment No. 1 - Voting: Clarify “one lot, one vote” and “single, Association-wide vote binds all Sections”. (Amends Section 2 of the Declarations (Covenants) and Article V, Section 6 of the Articles of Incorporation). Approved in 15 of 16 residential Sections. All but Section 16.
- Amendment No. 2 - Fees: Clarify Association’s ability to charge fees other than the annual assessment, including the Tenant Fee. (Amends Section 12.D of the Declarations (Covenants) and Article II, Section 7 of the Articles of Incorporation.) Approved in 11 of 16 residential Sections. Sections approving were 1, 2, 3, 4, 6, 7, 8, 11, 13, 14, and 16. Sections not approving were 5, 9, 10, 12 and 18.

Referendum 1
- Yes Votes: 88%
- No Votes: 12%

Referendum 2
- Yes Votes: 80%
- No Votes: 20%

It is the desire of the Board to do what the vast majority of the members said we should do by their votes in this Referendum. We welcome your comments concerning implementing the Referendum results for the Sections that voted yes in the majority. Either send an email beforehand or bring your comments to the June 7 monthly Board of Directors meeting.

President’s Letter
by Jim Walsh, President, LOWA Board

Have you ever considered volunteering on one of our committees? They are the backbone of the community because they are the incubators for many of the ideas which make our community great. Some of our committees are short of people and desperately need help.

Pools Committee – If you are a frequent user of our pools, why not consider volunteering for about one hour a month for six months to attend a meeting? It was the recommendation of our pools committee to include the cost of pools in your assessment. Since that time, pool attendance has increased dramatically. Do you enjoy the drinks and snacks available at our pools? Again, a recommendation of the pools committee.

Community & Youth Activities Committee – This committee has been non-existent for several years. Currently, there are a few volunteers, but not enough to form a committee. We need to find activities for our young people.

Safety and Security Committee – Do you think our current security company is doing a good job? I think they do, and members of our Safety and Security Committee played a key role in bringing them on board.

Clubhouse Committee – I get many compliments on our new Clubhouse restrooms. The members of the Clubhouse Committee played a key role in the design of the new restrooms.

Golf Committee – The driving force behind the new irrigation system on the course was our Golf Committee.

Lakes Committee and Maintenance and Ecology Committee – The lakes implementation had valuable input from both our Lakes Committee and Maintenance and Ecology Committee.

Communications Committee – Communications played a key role in our website design and video streaming of Board Meetings.

Security and Legal and Compliance Committees – Last week I had the opportunity to do a ride along with one of the three security officers remaining from Dodson Security, Watch Commander Captain Moore. I learned how radar and LiDAR units work, two systems are used which are hearing and electronics. Warning: They can catch you speeding from a stationary position, coming at you, or driving in the opposite direction. I also learned of one of the best areas where they catch speeders. During the three hours I spent with him, Captain Moore stopped a car which was speeding, and the occupant was uncooperative. If you are stopped by Security please treat them with the respect they deserve.

Meet the team who worked together to catch the mail box thieves this spring. Each was honored at the May 21 Board of Directors meeting. From left to right: Mark Amos, Orange County Sheriff; Lynn Dyson, LOWA Buildings Foreman; Larry Morlan, LOWA Neighborhood Watch Coordinator; Thomas Kingry, United States Postal Inspector; Chris Snider, District Representative for Congressman Eric Cantor; Rachel Shifflet, Postmistress, Locust Grove Post Office; Scott Walker, LOWA Chief of Security; and Mark Witham, LOWA Information Technology Coordinator.

Lake of the Woods Association, Inc.

General Manager’s Report
by Phil Rodenberg, General Manager, LOWA, Inc.

As a well-established, self-managed, large-scale community association in Locust Grove, LOWA needs to constantly cultivate positive relationships and a good reputation in Orange County, Central Virginia, and beyond. There will always be HOA critics out there, but the fact is most people in HOAs love where they live. So what specifically do we as an association do to build relationships and reputation? We:

• Foster a partnership with Orange County Government by participating in County meetings such as the recent Route 3 Corridor planning meetings and by welcoming reports from our County Supervisor, Sheriff, and School Board Member at LOWA Board meetings.
• Pay our county sales and property taxes on time.
• Contribute $42,000 annually to LOW Fire & Rescue Company on behalf of members.
• Partner with the Sheriff and other law enforcement agencies to maintain a safe neighborhood.
• Host real estate open house events twice a year. There were 120 houses or lots on tour and 275 people registered at the Clubhouse for the May 18 open house.
• Host and participate in Orange County Chamber of Commerce events such as the upcoming Business and Industry Expo on June 19.
• Hire qualified local residents and endeavor to pay a fair wage.
• Buy from local vendors and hire contractors then pay them on time.
• Communicate good news in Lake Currents, on LOWA.org and Facebook, and in the local media.
• Keep our common areas, including the front entranceway and view along Route 3 “clean and green.”
• Be a good neighbor to surrounding property owners including the National Park Service. In May we cooperated with NPS on 150th Wilderness Battlefield commemoration events.

Board, Management and Committee members are not alone in building good will. Individual members work in big and little ways to build a good impression of our association by leading and participating in local clubs, churches, and charities.

To be sure, there is power in numbers. Each time one of us does something to make a good name for LOWA, we manage and improve our reputation. What do you think? Is there something more LOWA could be doing? Write feedback@LOWA.org and let us know.

Mining for Committee Members
by Jon Anderson, Vice President, LOWA Board

The Board of Directors is seeking new members for several committees. Please consider supporting your community through the very important work performed by LOWA Committees. Some of the committees which need members are the Communications, Community and Youth Activities, Equestrian, External Affairs, Nominating, and Pools Committees. To learn more about a committee, read their charter online at LOWA.org. You must login to access the charters, or come to the Reading Room of the Holcomb Building.

An application form to join a committee can be accessed and filled in on LOWA.org on the Forms page under the Administration tab or pick one up at the Holcomb Building Members Services Area. Completed applications should be mailed or delivered to the Holcomb Building. Attention Vice President, Board of Directors, LOWA, 102 Lakeview Parkway, Locust Grove, VA 22508 or emailed to the Vice President at JonAndersonLOW@gmail.com.

If you have questions, please contact me by email at my email address above or contact the committee chair of the committee you are interested in joining. The list of committees and committee members is on LOWA.org under the Administration tab; click on Committees. There is a link “Complete List of Committee Membership” click on it to see all members on each committee.

Tonight kicks off our live music in the Summer Concert Series on Clubhouse Point. Admission is free, and the music runs from 7 PM to 9 PM. Other live music dates are June 27, July 25, and August 22. Bring your picnic basket and some lawn chairs, or you can call ahead to order a special box dinner from the Clubhouse. You can also sit out on the deck for dinner and listen to the music from there.

Summer is a great time to be out in the community and to enjoy the amenities with family and friends. Other events to plan for this summer are the LOW Independence Day Celebration on Saturday, July 5, the Clubhouse Luau on Friday, August 1, and Lighted Boat Parade on Saturday, August 16.

Our summer menu is doing well, and we have a few new dishes that seem to be a hit with the members. Our Members Lounge is a great place to stop before or after dinner and say “Hi” to your neighbors.

The activities on the Lake are moving into high gear, and we hope you have time to take a boat ride to the Clubhouse, tie up at the dock, and come in for dinner. What a great way to enjoy your summer evening—boating to a restaurant!

We hope to see you at the Clubhouse soon. Have a safe and fun summer!

President from p. 2

they deserve because they are doing their very best to keep our roads safe. We also responded to an assault over road rage.

We are a community of 8,000 residents, and we have the same problems of a small town. Neighborhood Watch is our eyes and ears. Members of our Security are our first responders. I encourage you to attend a meeting of the Legal and Compliance meeting at the Woods Center. They meet the third Wednesday of every month at 7 PM and cases are heard beginning at 8 PM. If you want to see what really happens at these meetings, instead of listening to rumors and innuendo, please attend. I think you will see that our process is fair.

I invite you to go to our website LOWA.org, roll over the Administration tab, and click on Committees from the drop down box to see a complete list of our committees. There is a description of what they do on each committee page. Help us to make our community even better than it already is, contribute your ideas to a committee which interests you.

Getting to know LOWA Personnel...

Meet Mark Witham, LOWA’s Coordinator of Information Technology (IT). When you need to have work done on your computer system, you expect the technician to arrive in casual business attire, carrying a small case of tools and raft of CDs. In his first three months working here at LOWA, Mark (5 feet 11 inches tall and 160 pounds) has been in jeans crawling through the insulation and cobwebs in the attic spaces (in one case, a space only two-feet high) of the Holcomb Building, the Clubhouse, the Shoosmith Building, and Security upgrading and installing cable for a new, state-of-the art network for the Jonas accounting system.

Mark is responsible for monitoring the CapSure program to ensure that the system is being upgraded as required and that the CapSure and Jonas systems are interacting as needed. He has been upgrading the system to get everything to a stable point and plans to explore what can be implemented to improve speed and performance of the system, as well as building in redundancies that can be put into play when there is a system failure. Mark also was one of the persons receiving a certificate for capture of the mail box thieves.

Mark describes himself as being an ‘analytical’ Geek, not a Nerd—the difference being that a Geek can put the technical information into language that nontechnical people can understand, while a Nerd doesn’t bother. Mark has 16 years of experience using the Linux operating system, which is used in thousands of various electronic products. He likes to work smart and think problems through so that the job is done right the first time.

Born and raised in New Hampshire, Mark grew up on an 85-acre wooded property with his parents and three siblings. He was strongly influenced by his father, an engineer with the Lockheed Martin Corporation. Together they studied second-hand electronic equipment which his dad brought home. Mark was hooked! Years of this training enabled him to build his first computer at eight years of age. The New England work ethic was very strong in his family, resulting in the fact that he began working at the age of 14 mowing lawns and later using building trade skills to work as a carpenter. Mark continues to spend several hours a week keeping up with technology trends, analyzing where that science is headed, and how those advances can be applied at LOWA.

Following graduation, Mark completed training with Transitions and obtained CompTIA Network+ certification. He worked with school administrations and local computer technology businesses in New Hampshire. As time passed, he was tired of both the weather and the lack of jobs in New Hampshire, so he and his girlfriend Lisa, an Orange County native, decided to move to Virginia and temporarily live on her grandfather’s farm in Gordonsville while they looked for jobs. Mark enjoys interacting with people, so his job options in this new location seemed to be: start a coffee shop or open his own technology business. He chose technology and started Computer & Network Services, LLC, in downtown Orange. When the opening for the IT job at Lake of the Woods came up, he took advantage of the opportunity to move into a larger business setting and successfully applied for the job.

Tips from the Pro
by Rea Hargraves, PGA and Woods Center Manager

This past weekend at Lake of the Woods, we held the 2014 Spring Two-Person Team event, which has three different groups of players: Men, Senior Men (both 65+) and Ladies playing in tournament. We had sixty-two participants in the event.

For the Men’s Division: Overall Low Gross went to Paul Hibbs III and Matt Hibbs with a gross score of 70-74=144. Overall Net went to Dave Lloyd and Dave Baker with a 67-62=129. For the Senior Men, Low Gross went to Don Smith and Marvin Snoddy with a score of 79-78=157. Low Net went to Ralph Debman and Ed Connor with a score of 63-61=124. For the Ladies, Overall Low Gross went to Sandy Kenyon and Anne Thaxter with a score of 85-84=169. Low Net for the Ladies was Jeanne Woodward and Kathy Smith with a 63-64=127.

The weather was gorgeous both days, and everyone had fun! I’ll see you on the course!

June 14 Tennis Round Robin Social
by Jan Lemieux, Member, Tennis Committee

We had a great time at our opening Tennis Social in May, and we look forward to having you come out and play with us at the June 14 Round Robin Social. Play begins at 9 AM and ends at 11 AM. After play, we share a brunch at the gazebo. Please bring a dish to share for the brunch and $2 to play.

Please call Jim or Jan Lemieux at 972-8888 to reserve your spot so we can set up the play. We play for 20 minutes and then rotate and change partners. All tennis players are welcome to join us.

Have You Been to Our Fitness Center Lately?
by Daniel L. Greene, Volunteer, Fitness Center

Have you seen our Fitness Center lately? We now have 29 pieces of equipment. We just added a second recumbent elliptical. We replaced one of our older treadmills with a sports model that provides video display with an adjustable fan and iPod connection. Sweet! The addition of the bumper wall coverings in the weight room, gives the room a whole new look. With our rolling annual membership fee of $95 per family, you can join any time of the year and have a full-year membership. No more cut-off date. A really good deal!

The LOWA website has been updated and is worth a look see. The Fitness Center hours are still 5 AM to 11 PM, seven days a week. There is easy access, plenty of parking...what is there not to like? Restrooms and drinking fountains are conveniently located for your use. We have a monthly newsletter available with great insights and work-out suggestions.

I am seeing a lot of new faces because we now have over 715 family memberships. It does get a little busy at times, but with all of our equipment, no waiting is required. You've got to love it. We have a world-class Fitness Center, second-to-none in the area, and it is so very close and convenient. I enjoy it more because it is something that my wife and I can do together. You will meet some of the nicest people with similar interests. Come join us, and add a new dimension to your life.
Shoreline Stabilization — Use Riprap!
by the Lakes Committee

There are two main ways LOW shorelines along the Main Lake and Keaton’s Lake are stabilized, i.e., protected against erosion from storms and boat wakes — riprap revetments and bulkheads. These two methods differ in many ways, but especially pertinent to lake-wake abatement is the way they respond to the energy of incoming water.

Riprap revetments (RRs) are sloping structures of loosely piled boulders/rocks placed at the lake bank in such a way as to absorb the energy of incoming water. RRs are better suited for high energy shorelines and do not create as much turbulence (so less erosion at the base of the RR). RRs do require a relatively large footprint and can provide a habitat for unwanted creatures.

Bulkheads (BHs), aka seawalls, are basically retaining walls, and at LOW typically are made of wood, built vertically along the shoreline in an effort to diminish land erosion from wave action. Rather than absorbing the energy of incoming water, they reflect it back thus contributing to lake turbulence. BHs are durable, and if properly constructed, are effective in reducing shoreline erosion. However, they cause increased erosion at their bases and increase lake turbulence.

Over the years, there has been an increasing tendency for lakeside owners to install BHs, and this trend is a factor in the increased turbulence seen, particularly on the Main Lake.

So, from the standpoint of choosing a shoreline stabilization structure that assists in lake-wake abatement, riprap revetments are the way to go, especially for properties that are at the shoreline of the main body of the Main Lake.

Retrieve Fallen Skiers at “No Wake” Speed
by the Lakes Committee

You are an operator of a boat towing a skier, and your skier falls. What do you do?*

A. Immediately whip the boat around and race to your fallen skier.

OR, B. Slow to no wake speed while checking surrounding boat traffic and turn to retrieve your fallen skier at no wake speed.*

Option “B” is the way to go (barring emergency), and other lake users and dwellers will appreciate your thoughtfulness.

Why? Although skiing is a water sport that carries with it the obligatory generation of boat wakes — and at slow towing speeds (e.g., little skiers, wake boarders) the wakes can be substantial — the retrieval of a fallen skier does not. Racing (or plowing) back to your fallen skier creates unnecessary wakes, wakes that add to the turbulence of the lake, diminish the enjoyment of the lake by others, and contribute to the erosion of the lake shore.

So be a good sport, retrieve your fallen skiers at no wake speed.

*Don’t forget to put up the orange, skier-down flag.

LOW Seeks Honor Awards Nominations
by Barb Davidson, Honor Awards Committee

The LOW Honor Awards Committee is offering members and residents their annual chance to bring to public attention LOW residents and members whose volunteer activities notably contribute to the welfare of LOW and Orange County residents.

The LOW Honor Awards Committee will mail a letter to the many clubs and organizations seeking nominations for the Honor Awards program. Winners will be identified at the LOWA Annual Meeting on Labor Day weekend.

Nominations are invited in the following categories:

1. Warren J. Lodge Award for Excellence: In recognition of outstanding service by an individual representing Lake of the Woods within Orange County.
2. Distinguished Service Award: For accomplishments of highest significance to Lake of the Woods that have major impact on the general welfare or meet a major need.
3. Outstanding Service Award: For beneficial accomplishments or performance of duty beyond what is normally expected of volunteers.
4. Heroic Act Award: For heroic or courageous acts in the protection of life and/or property.
5. Outstanding Youth Award: For activity by someone 18 or younger that is a credit to the community and exceeds normal expectations.
6. Community Service Organization Group Award: Recognizes the Lake of the Woods Club that provides the greatest impact/service to Lake of the Woods and surrounding communities.
7. Certificate of Appreciation: For services or accomplishments that benefit the community.

For fuller descriptions of the award categories, see the nomination forms available at the Holcomb Building and the Woods Center (while supplies last) and online at www.LOWA.org. Click on Administration, Forms, then scroll down to Honor Awards Nomination Forms.

The Honor Awards Committee in considering any particular nomination may place it in a different category.

Fully completed forms must be submitted by June 30 to Kathleen Bradie, Honor Awards Committee Vice Chairman, 832 Eastover Parkway, Locust Grove, VA 22508.

LOW Ladies Tennis
by Sharon Kaltenmark, Member, Tennis Committee

LOW ladies meet monthly to socialize, have lunch, and schedule games for the upcoming month. All women players are welcome. Games are doubles played in the morning (9 AM in May) for about two hours. When more than one court is scheduled, players rotate after each set. It’s a great group, the courts are beautiful, and play is friendly. Come check it out at Hollyfield Park!

For more information, contact Sharon Kaltenmark at 972-2616.

18th Annual Children’s Fishing Tournament
Sponsored by the Lake Youth Foundation
by Terry Hileman, Lake Youth Foundation

The front entrance pond was the site for the 18th Annual Children’s Fishing Tournament held on Saturday, May 17. The Lake Youth Foundation would like to thank everyone who participated in this event. We had 100 children compete in the tournament and a total of 250 people in attendance. More than 300 fish were caught and released! Each child was treated to two hours of fishing, a free lunch, a minnow bucket or rod and reel, and a bag filled with fishing gear and educational pamphlets. Trophy winners in each age group are as follows:

**Ages 5 & 6**
- Longest Fish: DJ White
- Heaviest Fish: McKenna Dickey
- Most Fish: Avery Peede

**Ages 7 & 8**
- Longest Fish: Rylee Longfellow
- Heaviest Fish: Kylie Beardsley
- Most Fish: Camryn Carter

**Ages 9, 10 & 11**
- Longest Fish: Cameron Pittman
- Heaviest Fish: Neo Padilla
- Most Fish: Megan Murphy

**Ages 12, 13 & 14**
- Longest Fish: Sterling Pedretti
- Heaviest Fish: Alexis Chapman
- Most Fish: Preya Agam

The longest fish was 18-inches and weighed almost three pounds. The most fish caught by one person was 27. What a great day it was for fishing! Thanks to all of the volunteers with special thanks to Hank Lewis for being the emcee and Clearwater Grill for preparing lunch for everyone.

The Lake Youth Foundation would like to thank our sponsors: LOWA, LOW Lions Club, LOW Lioness Club, CCE Specialties, LOW Bass Anglers, Suzanne Brady of Century 21 Adventure Redwood, LOW AARP, and The Car Doctor.

June Smart Driver Course for Seniors
by Su Bielmeier, Instructor, AARP/Lions Driver Course

Seniors, refresh your driving skills on Wednesday and Thursday, June 25–26. You will learn:
• Defensive driving strategies
• New traffic laws and rules of the road
• Discover ways to handle highway traffic, right-of-ways, and blind spots on today’s roads.
• Reduce your chances of having a crash or committing a traffic violation.
• Upon completion, you will receive a multi-year discount on your car liability insurance that is good for three years.

The two-day course will be held in the Community Center Teen Room from 9 AM to 1 PM each day. The cost is $15 for national AARP members and $20 for non-members. Checks should be made payable to AARP. To register, mail check to Su Bielmeier, AARP Instructor, at 1310 Eastover Parkway, Locust Grove, VA 22508. Please include your name, address, phone number, and email address. For questions, email Su at driversafetyclass@gmail.com or call 540 208-1914 (cell). This course is hosted by the LOW Lions Club.

As we age, it is important to stay mentally and physically fit. If you go to the AARP website, you can find online games to stimulate your brain. You don't have to be a member or pay a fee to play these games. Go to games.aarp.org. You will find Sudoku, backgammon, solitaire, Mahjongg, crossword puzzles, and many more. Also, to have fun working your memory, problem-solving, and language skills, scroll down to the middle of the page to find Brain Games.

Tournament for Wounded Warriors Project
by Terry Thompson, President, Men's Golf Association

The Lake of the Woods Men’s Golf Association announces its Second Annual 2014 Wounded Warriors Project Tournament on Saturday, June 14, at 8:30 AM at the Lake of the Woods golf course. All proceeds will benefit the Quantico chapter of the Wounded Warriors Project. We ask that you open your hearts for this worthy cause and enjoy a day of golf at the same time.

The tournament will be played in a scramble format and will include lunch at Fareways and prizes. Sign-up sheets are located in the Pro Shop. Questions should be referred to Rea Hargraves at 972-2230 or Terry Thompson at 972-7349.

Civil War Study Group Dedicates Unique Battle of the Wilderness Memorial by Craig Rains, President, Civil War Study Group, Inc.

A memorial that is unique in the 8,000-acre Fredericksburg & Spotsylvania National Memorial Park was dedicated on May 5 by the Civil War Study Group (CWSGI) at Lake of the Woods. The memorial is “dedicated to the fallen from Wilderness Run to Flat Run,” whose bodies were never recovered after the Battle of the Wilderness, May 5-7, 1864.

“We honor those who remained in these woods long after the battle is over,” said Pete Rainey, CWSGI chairman, at the dedication. Rev. Adam Colson, LOW Church youth pastor, offered a prayer of remembrance for “these brave men from both the North and the South and...we celebrate their lives this day, standing on the grounds that serve as their final earthly resting place...” To conclude the dedication ceremony, Roy Perry, of the Matthew Colson, LOW Church youth pastor, offered a prayer of remembrance for those who were never recovered after the Battle of the Wilderness, May 5-7, 1864.

CWSGI and its meetings and events, go to civilwarstudygroup.org. Contact us to discuss buying or selling a home. (Personalized market analysis available)

Happiness at the Childhelp Village by Nancy Horsch, 2nd Vice President, Childhelp Auxiliary

All the children at the Childhelp Village are excited because on June 6 everyone will be graduating to a higher grade. More importantly, summer activities will soon begin. The children only have one week off before summer school starts, but swimming and horseback riding activities will increase, and fishing, hiking and lots of field trips will occur. On Friday, June 6, our auxiliary has also arranged for the ice cream truck to arrive at the Village and all children and staff may order a treat. It really is a fun time for the children and staff.

Wednesday, June 11, is the annual Bike Rally. The children will ride their bikes through water and other obstacles. Usually one or two policemen from Culpeper come to talk to the children about bike safety and bring helmets for those children who do not have one. Pizza and drinks will be available. We need our members to act as cheerleaders as the children ride around the track.

Also, members, remember our annual luncheon at the Lake of the Woods Clubhouse on Wednesday, June 4, to install new officers and recognize a new year of fun and games for our members and the children at the Alice Tyler Childhelp Village in Lignum. Please reply to Laura Fitch at 972-8522 if you plan to attend.

The Susan Allen Republican Women’s Club has awarded James (Jamie) Wachter a $1,000 college scholarship. Jamie is the son of Lisa Naghsheineh of Lake of the Woods. He is a graduating senior at Orange County High School, where he maintained an excellent academic record, while participating in many school and extra-curricular activities.

Jamie joined the yearbook staff in 2010 and was Editor in Chief for the 2014 yearbook. He was the Captain for the JETS Engineering Team and the Varsity Soccer Team. Jamie was also a member of the National Honor Society and the Student Council Association.

Since 2012, Jamie has served as a Volunteer Firefighter with the Lake of the Woods Volunteer Fire Department and has become a certified Firefighter. He was named Rookie of the Year for 2014. When not in school, he reports for fire calls. Other awards include Outstanding Youth Awards from the Orange County Office on Youth and the Lake of the Woods Association. Jamie also serves the community as a State-Certified Soccer Referee for the Orange County Soccer Association.

Jamie plans to attend Christopher Newport University this fall, majoring in Political Science.

Meet the AARP Tax-Aide Team
by Donna Jackson, Member, Tax-Aide Team

Many thanks go to the entire AARP Tax-Aide Team for another successful Tax Year. Over 428 individuals benefited from this free service. Our team completed and electronically filed 337 individual’s 2013 tax returns and completed 11 for paper filing. Additionally the team answered over 80 questions from tax payers who did not use our services for tax preparation.

This program became available many years ago and is administered jointly by AARP and the IRS. It is the largest program that AARP sponsors. It existed in Virginia in the late 1980’s but did not come to Orange County until 1992. Due to the major efforts of Joe Nolan and Don Keehan, the service was offered in Central Virginia, which included the following sites: Fredericksburg, Salem Church, Snow Library in Spotsylvania, and the counties of Orange, Madison, Culpeper, Green and Bowling Green. A few years later sites were opened at Lake of the Woods and Stafford County.

Some of the original Lake of the Woods AARP Tax-Aide program members are still working with the program. George Duffy joined the program early on as both an instructor, District Coordinator, and Site Coordinator. Jim Boungiovanni joined the team soon after and has been a major component for the electronic aspect for several sites as well as serving as a counselor. Joe Nolan, although retired, served as District Coordinator for several years and at various times as training officer, site coordinator, and counselor. Our current site coordinator is Lew Sherman of Fawn Lake. All tax counselors receive training and are certified to perform their duties.

If you need or want help with filing your taxes for 2014 the FREE AARP Tax-Aide Program either at Lake of the Woods or in Orange would welcome you to use this free program. Announcements will be posted in early 2015 to call for appointments beginning in February through April 15, 2015. Your taxes are completed via computer, filed electronically, and you receive a copy for yourself. You do not need to be a member of AARP, and there is no age restriction.

Thank you to our AARP Tax-Aide volunteers this year. Left to right, front row. Aggie Kall, Art Griggs, Nora Simpson, Marion Rourke, Donna Jackson, Joan Duy; Left to right, back row: Lew Sherman, Carla Wascalus, Jim Boungiovanni, George Duffy, Lucy Churchill, Phil Carmona, Joann Buttimer

Auditions Set for Fiddler on the Roof
by Marion Pronk, LOW Players

Auditions for the LOW Players’ fall musical, Fiddler on the Roof, will be held Sunday, June 22, and Saturday, June 28, at 2 PM in the Community Center. There are parts for all ages, and the Players encourage anyone who might be interested to join us.

The story of Fiddler on the Roof takes place in Anatevka, a small village in Russia in 1905 on the eve of the Russian Revolutionary period. The performances are scheduled for October 17, 18, 19, 23, 24, and 25. The part of Tevye has already been cast, but all other parts will be selected via auditions. So, please consider being part of the ensemble: a character role, a major singing role, several non-speaking roles, and some dancers. We are in particular need for young ladies and gentlemen, who can sing, to audition for Tevye’s three daughters and their fiancés. If you are auditioning for a principal vocal role, please bring the sheet music of the song you intend to sing so our musical director can accompany you. No boom boxes, guitars, etc.

These auditions take place soon after the closing of our current production The Nerd, which is a hilarious, fun-filled show with outstanding talent. So, please be sure and see The Nerd before you come to auditions. Questions regarding auditions for Fiddler on the Roof can be directed to Marion at 972-0808 or on our website: www.lowplayers.org.

It’s Time Again for LOWVAC’s Art Show
by Madeline Salustri, Member, LOW Visual Arts Council

Now it is time to begin planning for the 2014 edition of Lake of the Woods Visual Arts Council’s show. We know there are legions of talented LOW residents, those of you who create wondrous art pieces and/or exciting crafts. We urge you to join the art council’s show. Your participation will make a great show even better. The show is scheduled for Saturday, October 18, from 10 AM until 6 PM, and Sunday, October 19, from 10 AM until 4 PM. More information will be published in the coming months.

This is also a time for the community and neighbors beyond to join in marveling at the new collection of oils, acrylics, watercolors, stained glass, jewelry, pottery, photography, woodworking, and needlework. There will be displays, sales, and special events scheduled for your enjoyment. It is an ideal pre-holiday opportunity to purchase many of the creations to give as gifts, adorn your home, or even to gift yourself.

So mark your calendar for a day – or two – of art and fellowship at the lower level of the Clubhouse. Plan to join us on October 18 and 19! For further information, call Jan Moore at 972-9355 or Sallie Wallace at 972-7564.

LGA News
by Karen Woods, Publicity Co-Chair, Ladies Golf Association

June 1 is the last day to register for our annual Member/Guest Tournament, “Rock around the Greens.” The event will start on Tuesday, June 10, with a social at the home of Kathy Smith from 3:30 to 5:30 PM. On Wednesday, June 11, a continental breakfast will be served from 7:30 to 8:30 AM, followed by a shotgun start at 8:30 AM. The game format is One Best Ball for the Twosome. A luncheon at the LOW Clubhouse will follow the game. Registration forms are available in the women’s lounge of the Woods Center. The cost is $50 per person. If you have any questions or need a partner, contact Tournament Chair Jeanne Woodward at 972-3611, but you had better hurry.

On June 3 the 18-Hole Golfers invite the 9-Hole Golfers to a picnic lunch and 18-Hole fun scramble. This annual event joins 18- and 9-Hole golfers on teams, giving us a chance to get acquainted and to enjoy a fun time on the course. Don’t forget to sign up for the game and 18- Hole golfers are are reminded to sign up to provide food for the luncheon. Contact our 18-Hole Hospitality Chairs Loretta Yurkus at 972-1020 or Janince Mincey at 972-1314 if you have any last-minute questions about the picnic.

The season-long Ringer Tournament is underway. Vera Liddick (for 18-Holes) and JoEllen Marshall (9-Hole) are collecting the $2 entry fee and will be compiling the scores. Your score is entered for each hole you play: each subsequent week the holes on which you improve your score will be changed. Your initial score on each hole is changed only when you improve, not if you backslide. At the end of the season there will be gross- and net-winners in each flight. Prize money will be awarded at the Fall Luncheon.

Reminders: The start time for June, July, and August is 8 AM, with check-in at 7:30 AM. PALG Golf will start on Wednesday, May 28; we’ll play from 4 to 6 PM. This group is an adjunct to the LGA Farm Team. Its purpose is to encourage new golfers to come out and play with more experienced LGA members in a relaxed 9-hole game to help build confidence and become more familiar with our beautiful course. Contact Karen Woods at 972-4807.

Come Picnic with AARP June 16
by Charlotte Baker, Publicity, AARP Chapter 5239

Good weather is finally here, and that means it’s time for the popular AARP annual picnic! Rain or shine, we will meet at the Lion George Lewis Pavilion in Sweet Briar Park on Monday, June 16.

Hamburgers, hot dogs, beverages, paper goods, and utensils will be provided by AARP. Members are asked to bring their favorite casseroles, side dishes, or desserts by 11:30 AM. Bring your friends to join us for this special event, meeting and greeting old and new friends, relaxing, and enjoying wonderful food. Don’t miss it!

Garden Club Introduces the “King of Flowers”
by Karen Kovarik, Publicity Chair, LOW Garden Club

Our Garden Club Tour was as successful as the weather was beautiful, and weren’t we lucky! The icing on the cake was the Memorial Garden and the beautiful Hellebores. If you missed them, go today. This time of year they won’t last long.

We thank all the many people who attended our house tour and visited the Memorial Garden. We also thank the members who so willingly shared their lovely homes for the tour.

The Memorial Garden paths have been spruced up with new landscape timbers and gravel. The plants are striking. It is not only a beautiful garden, but a very tranquil and peaceful place to visit. It is the result of many folks having spent long hours working in the area. It is well worth the visit.

Our June meeting features Genie Cate who will share the secrets of growing peonies. Genie is Horticulture Chairman of the Virginia Federation of Garden Clubs, and was a commercial grower of peonies, irises, and day lilies operating Blue Rag Gardens in Madison.

Named the “King of Flowers” in Japan, the peonies have a lengthy history extending from oriental gardens, to art galleries, to myths. Mischievous nymphs were said to hide in the petals of the Peony, giving it the meaning of Shame or Bashfulness in the Language of Flowers. And, I bet you thought nymphs were said to hide in the petals of the Peony, giving it the meaning of Shame or Bashfulness in the Language of Flowers.

Phil Audibert will present a program on Edna Lewis, the grand dame of southern cooking. The Wilderness Library has one of Edna’s cookbooks in its collection. A Taste of Country Cooking relates her memories and recipes of childhood in Freetown.

“The smell of coffee cooking was a reason for growing up, because children were never allowed to have it and nothing haunted the nostrils all the way to the barn as did the aroma of boiling coffee.”

In Honey from Woodland Bees, she notes that she calculated harvest time with this rhyme: A swarm of bees in May is worth a load of hay. A swarm of bees in June is worth a silver spoon. A swarm of bees in July is not worth a fly.

Amazon also has a number of Edna’s books available at very reasonable prices, and I suspect that residents of Orange County especially will find them enjoyable.

Everyone is invited to hear Mr. Audibert, and I believe you find his enthusiasm for his subject contagious. The program will be held at the Wilderness Library on June 4 at 2 PM.

Don’t Miss the Players Show, The Nerd
by Sandie Frame, Co-manager, LOW Players

It is only a couple of weeks until you can find out who The Nerd is and what he does. You can also see a county supervisor as the mean, grouchy father who lays hands to his bratty child, acted by the son of the Equestrian Center’s manager. That scene alone is worth the price of a ticket. If you saw The Foreigner you know what great shows this author writes. This show is equally good and doubly hilarious.

Tickets can be purchased online at our website: LOWplayers.org or by calling Sandie Frame at 972-6385.

Our opening gala on June 6 with hors d’oeuvres and a song by the actor playing Tevia in Fiddler on the Roof in our October musical, plus a chance to win four free tickets to Fiddler on the Roof is well worth the ticket price of $25. For other nights, June 7, 13 and 14 and the matinee on June 8, the tickets are $18; no food, no Tevia, no drawing of tickets, but great entertainment.

Auditions: Speaking of Fiddler on the Roof, auditions for all roles, except Tevia, will be held on June 22 and 28 starting at 2 PM at the Community Center. Lots of young and older actors and actresses are needed for this musical, which will be performed October 17, 18, 19, 23, 24 and 25. The 19 and 25 will be our matinees.

Members Matter Candidates’ Night
by Judy Minzes, Members Matter

Members Matter will be hosting a Candidates’ Night for those members running for the LOWA Board of Directors this year. The three candidates are Nigel Goodwin, Bruce Kay, and Jo Ann Zwickl. The meeting will be held at the LOWA Community Center on June 25, from 7 PM to 9 PM. Candidates will have the opportunity to briefly speak about their personal goals and objectives, if elected to the BOD, and residents will have the opportunity to ask the candidates specific questions. For those who might be hesitant about asking questions, you may write your questions on cards which will be available at the door and the moderator will ask your question. We look forward to seeing you on June 25.

New Locust Grove Home School Co-op
by Tabitha Ferris, Member, Home School Co-op

We are excited to announce Heroes in Training, A Locust Grove Area Home School Co-op will launch this fall for the 2014/2015 school year! Our goal is to provide a learning environment where our children interact with other home-schooled children of similar ages in a “classroom” setting. They will have three classes: a faith- and values-based curriculum class, an activity that corresponds with the lesson, and a movement and music class. There will be a curriculum for preschool thru sixth grade with nursery provided. Arts, activities, movement, music, field trips, fellowship, and more are planned for our local home school families!

We will have once-a-week meetings on Tuesday afternoons. An informational/interest meeting is planned for 3 PM Sunday, June 1, at the LOW Church in the Fellowship Hall. If you have any questions, please contact Tabitha Ferris at info@hitcoopva.com.

Let us help you create the outdoor space you always dreamed of!

Don’t be a Victim!
Tips from Neighborhood Watch
by Larry Morlan, Coordinator, Neighborhood Watch

Neighborhood Watch is about neighbors helping neighbors. That can involve reporting suspicious activities in the neighborhood, helping each other in times of crisis, or helping each other in knowing how to avoid becoming a crime victim. A trend across the United States, and certainly in our local area, has been what law enforcement officials label “crimes of opportunity,” which includes “smash and grab.” Crimes of opportunity happen largely because we make it easier for the thieves to victimize us.

A Neighborhood Watch member recently provided me with statistics on a crime spree in Maryland where hundreds of home break-ins occurred over a short period of time. Most items taken were electronics, cash, and easy-to-carry valuables. In almost all cases, the homes had been entered through unlocked doors or through garage areas. Seems easy to fix that, but people said, “I have to leave the door unlocked for the kids to come and go,” or “I just was stepping out for a second;” or “It was daytime.”

At the same time, many individuals were returning to their cars to find items missing—again cash, electronics, and credit cards. Some cars were unlocked (some even with the keys in them, but the cars were not stolen), but many had broken side windows. In all cases, the valuables were in plain sight, making it easy for the thieves to grab what they wanted.

Finally, many individuals are having valuables stolen while they are shopping. Wallets and purses are left lying on the counter or in a shopping cart while we are looking at or picking up something else, or they are left beside us on a bench or chair in the mall. Thieves are slick and quick in relieving us of our valuables in all these instances.

So, what do you do to avoid becoming a victim? It seems relatively simple:

1. Be sure all doors are locked, be it the home or the car. Thieves will always try the door first before breaking in.
2. Keep track of your valuables at all times. Even though that purse may seem heavy to carry, it is not, compared with someone taking it. Also, keep the purse closed. Nothing is easier than quickly reaching into an open purse and helping yourself. Do not put your wallet or purse on a counter, or bench and turn away. Again, it can be gone in a second.
3. Do not leave valuables in the open inside your car. All of us have been guilty of leaving our wallet or purse or cell phone or other valuables laying in the seat of the car in plain view. Then it is gone. Carry them with you, or put them in the trunk or glove box. Just throwing a coat over them is better than nothing, but still that is inviting to the thief.

One final thing, do not let strangers into your house or your car. That person wanting to use your phone or your bathroom may be “casing” your home.

The Board plans to comment further on the results in an article in the next Lake Currents, and will consider further action at the June 7 Board meeting.

4.1 Consideration of Certification of Referendum Results

Motion by Rucker, passed unanimously, that the Board certify the Referendum results dated May 9, 2014 and signed by the Elections Committee Chair.

President Walsh narrated a short slide presentation and provided details of the Referendum results. Overall, 70% of lot owners returned ballots, with 88% of voters voting “yes” on Question 1 and 80% of voters voting “yes” on Question 2. Question 3 which dealt with regulating rental properties did not pass in any Section, although 59% of voting lot owners voted “yes” on this question.

4.2 Consideration of Entering Lots for Maintenance

Motion by Rugless, passed unanimously, that Section 1, Lot 195 be entered on or after May 21, 2014, and the lot be mowed and cleared of debris, and that the respective property be billed for the cost related to such work in accordance with Paragraph 14 of the Restrictive Covenants.

Motion by Rugless, passed unanimously, that Section 6, Lot 183 be entered on or after May 21, 2014, and the lot be mowed and cleared of debris, and that the respective property be billed for the cost related to such work in accordance with Paragraph 14 of the Restrictive Covenants.

4.3 Consideration of Approving the Slate of Candidates for the Board of Directors Election

Motion by Rugless, passed unanimously, that the Board accept the slate of candidates as submitted by the Nominating Committee.

As part of the discussion, Nominating Committee Chair Peter Williams reported that Nigel Goodwin, Bruce Kay and Joann Zwikel had met the candidate application requirements. Two other applicants withdrew their initial applications.

4.4 Consideration of Establishing a Banking Relationship with Virginia Heritage Bank

Motion by Rugless, passed unanimously, that the Board establish a banking relationship with Virginia Heritage Bank.

4.5 Consideration of Approving the Establishment of a Checking Account with Union First Market Bank (formerly StellarOne Bank)

Motion by Rugless, passed unanimously, that the Board establish a Reserve Checking Account with Union First Market Bank.

Motion by Delloy, passed unanimously, to exit Open Session at 2:36 PM and move into the Board Workshop.

5. WORKSHOP

5.1 Lakes Regulation Changes

The Board continued their discussion of changes proposed to LOWA Regulation X: Use of the Lakes by the Lakes Committee, to which the Board of Examiners and the Rules Committee have proposed further changes. Topics covered included proposed changes in Ski Club activity exemptions, boat decal requirements, dry sail parking, and time limits on beach sports activities.

Barracudas — LOW Swim Team
by Megan Harlan, Member, Barracudas

Swim Season is nearly upon us, and the LOW Barracudas would like to remind you that it is not too late to register your child for a fun and friend-filled summer of fun. Swim team is open to children ages 5 to 18, and there are lots of volunteer opportunities for parents as well. The Barracudas Swim Team provides a great opportunity to meet new friends and compete against teams all across the region, no matter what the swimmers’ ability level. Afternoon practice will begin June 9 at the Sweetbriar pool, switching to morning practice beginning June 16. We will be accepting registrations, as well as selling new suits and apparel, at afternoon practices on June 9 to 12 from 5 to 8 PM. Registration forms can be printed and filled out prior to the registration by going to www.lowswim.org.

Opportunities are still available for local businesses and other potential sponsors to place an ad in our Divisional Heat Sheets, which will reach as many as 1000 homes. Also, team sponsorships are available, which include advertising on the LOW Barracudas web site and at all home meets.

Please note the following important dates:
June 9, Monday — Afternoon practice begins
June 12, Thursday — LAST DAY to register
June 16, Monday — Morning practice begins

OC Humane Society’s Van is ‘Over the Hill’
by Linda Sutphin, President, Orange County Humane Society

Yes, we need your generous help again. Unfortunately, it has become more difficult to transport animals from the shelter to PetSmart for weekend adoption events because our 14-year-old van has become less reliable. We have logged more than 170,000 miles on this old workhorse, but even with regular maintenance, the van is showing its age and needs to be replaced. We hope you’ll be part of our effort to raise enough funds to purchase a new, reliable van for animal transport.

In 2013 alone, our volunteers’ efforts resulted in the successful adoption of 75 dogs and 369 cats through our partnership with PetSmart. In fact, PetSmart Charities found homes for 400,000 dogs and cats last year; and since the program began, 5.6 million animals have been saved through adoptions! We’re proud to be part of such a successful adoption program.

Finding a loving home for each animal in the county’s extraordinary, award-winning animal shelter is our top priority.

We’re a tax-exempt 501(c)(3) charitable corporation, and we welcome your tax-deductible donations. Please mail your donation to: OCHS, PO Box 852, Locust Grove, VA 22508.

It’s through the support of our volunteers and donors that we are able to care for the animals in the shelter and find a home for many. My sincere thanks for your generous donations and support.

10 YEARS
10 YEARS
A DECADE OF SERVICE
A LIFETIME OF COMMITMENT
Minutes from p. 17

A panel which included Rules Committee Chair Cliff Wilkes, Lakes Committee Chair Julie Wilson, and Board of Examiner’s members Pat Rowland and David Blackistone provided input to direct the Board discussion. Warren Reese joined in the discussion on behalf of the Ski Club. The General Manager was asked to consult with LOWA’s insurance broker regarding any possible co-liability for LOWA associated with Ski Club activities, which are already insured separately.

5.2 Reserve Policy

The Virginia Property Owners’ Association Act requires homeowner associations to conduct a Reserve Study at least every five years. A final draft of the LOWA Repair and Replacement Reserve Fund Policy was distributed to the Board to consider adoption. It is the responsibility of the LOWA Board of Directors to state the process to be followed in determining the proper level of reserves needed to meet the fiduciary requirements of the Association. Subsequent to recent changes to how the Restricted Reserves funds are to be handled, modifications to the policy were necessary, and a revised Policy must be approved.

Treasurer Mike Rugless provided a short summary of the work done to bring the policy current. After considerable discussion, it was agreed to put approval of the new Reserve Fund Policy on the June 7, 2014 Board agenda.

5.3 Employee Manual

Based on feedback from LOWA staff, changes to the LOWA Employee Manual have been proposed which will be submitted to LOWA legal counsel for review and must be approved by the Board. A mark-up version of the Manual noting the proposed revisions was provided to Board members for their review. Final consideration is scheduled for the June 7, 2014, Board meeting.

5.4 Audio Visual

The Board recently requested management investigate ways to improve the quality of the current sound system. Management requested Commercial Audio of Virginia to render video of some of our meetings to help diagnose the problems. Following their recommendations, new equipment was priced at $900, which would allow for good control by the sound technician and the problems. Following their recommendations, new equipment was priced at $900, which would allow for good control by the sound technician and improved sound quality. The Board authorized the General Manager to purchase the necessary equipment.

5.5 Energy Conservation

A draft LOWA Energy Conservation Policy was distributed to Board members for their consideration of adoption. The purpose of the policy is to clearly define the goals and objectives with respect to reducing energy consumption in LOWA buildings and common properties and keep energy costs down. The new policy authorizes the General Manager to carry out the Policy for the Association and seeks to: 1) Reduce overall energy consumption by 10% by 2020; 2) Seek environmentally-neutral sources of heating, cooling, and energy, and; 3) Reduce pollution, waste and emissions. The Board asked the General Manager to put this item on the Board agenda for approval.

Facilities Director Jessica Graves provided a short summary on the costs associated with converting some Association buildings from electric to solar. Ms. Graves was asked to put together a comparative summary of estimated costs for further study and consideration by the Board.

5.6 Ditch Reconstruction Projects, Fall 2014

Per her memo dated May 15, 2014, Director of Facilities Jessica Graves provided an update on the Ditch Reconstruction Program. Two miles of ditch reconstruction and a maximum of 12 culvert replacements are scheduled for 2014. The project timeline is on track to award a contract by June 7. Work is expected to start September 8, with completion by October 31.

The Board asked the Facilities Director to proceed with the scheduled work using the same contractor hired last year.

5.7 Uniform Traffic Citations

Administration has recommended the Board continue its discussion on the proposal to authorize Security’s Special Conservator of the Peace (SCOP) Officers to issue Uniform Traffic Citations (UTC) instead of LOWA summonses when drivers are caught exceeding posted speed limits by 20 mph. Sheriff Mark Amos and Security Chief Scott Walker support this proposal, and the Safety and Security and Legal and Compliance Committees also support the change. The proposal is being reviewed by the Commonwealth’s Attorney, Diana Wheeler. Loss of any revenue to LOWA from LCC fines is estimated to be about $500, but costs to LOWA could approach $2000-$6000 if even one case went to Orange County Court. Adoption of the UTC would be for safety reasons, not for LOWA revenue enhancement.

The Board requested this item be put on the June Board meeting agenda, pending approval from the Commonwealth’s Attorney. Vice President Anderson requested that an article be published in Lake Currents to inform members of the changes prior to any enforcement start date, which will be determined.

Motion by Hutchison, passed unanimously, to enter into Open Session.

6. Member General Comments.

A member of the Equestrian Committee asked the Board to consider budgeting $300 to pay for expenses associated with materials needed by volunteers to clean and paint several areas in need of maintenance at the Equestrian Center.

7. Scheduled Meetings

- Regular Board of Directors Meeting: Saturday, June 7, 2014, in the Community Center, Executive Session: 9 AM. Open Session: 10 AM.
- Board of Directors Workshop: Wednesday, June 18, 2014, at 2 PM in Facilities.

8. Adjournment. Motion by Anderson, passed unanimously, to adjourn the meeting at 5:11 PM.

Orange County Supervisor’s Letter
by Lee Frame, District 5 Supervisor

The Virginia Fire Services Board conducted a study of Orange County’s Fire and Emergency Medical Services to provide guidance for the Supervisors and other county fire & rescue stakeholders. The director of the study committee, in addition to his experience in fire & rescue, is an actively serving county supervisor in another county and was able to bring a perspective on the limitations imposed by county budgets into the study report. During the oral debrief by the study committee, it was emphasized that the combination of career and volunteer providers were doing very well for the county citizens and were delivering “a hell of a bang for the buck.” The study director commented that if he had a choice of where to have an accident or get sick, he would choose Orange County.

The study did have a number of recommendations with regard to fire & rescue operations. Currently there is an informal Volunteer Fire Chiefs Association, which deals with county fire & rescue, and a haphazard system for volunteer training, and better incentives for the volunteers. One of the recommendations included better volunteer recruitment, additional volunteer training, and better incentives for the volunteers. One of the difficulties with volunteer fire personnel is that local businesses frequently allow volunteers to leave work to respond to an emergency, but national businesses are less likely to allow such response.

One recommendation that could have a significant impact on local businesses is the adoption and enforcement of the Statewide Fire Prevention Code. Additionally, this would have county budget and tax implications to hire a fire marshal and provide him or her with adequate resources. However, the study commented that state code allows for a fee structure to cover such costs. So now, instead of just telling a business that we are from the government and are here to help, we can tell them that he has to pay for it, too. An additional budget recommendation includes changing the process for distributing dollars and are included in the county’s Capital Improvement Program. Additional budget recommendations include changing the process for distributing and accounting for county funds to the volunteer organizations.

There are many other detailed recommendations and considerations you can contact me at leeframe@orangecountyva.gov.

OC Sheriff’s Office Plans Youth Academy
Press Release

What is the Youth Academy? The Youth Academy is a program developed to enhance the relationship between the Orange County Sheriff’s Office and the youth of our community. It will improve the line of communication and trust that exists between the Sheriff’s Office and youth. The Youth Academy dispels misconceptions as to understanding of police work in the event they are interested in a career in Law Enforcement.

What will you learn? The participants will learn about patrol operations, narcotic investigations and crime scene processing, CPR, Internet Crimes and gun safety.

Special participation highlights: You will be given the opportunity to participate in:
- Processing a crime scene by lifting finger prints, crime scene photography and more.
- Become CPR certified.
- Driving course while wearing Fatal Vision goggles.
- Team building obstacle courses.
- And much more...

Who can apply?
The Youth Academy is open to all Orange County youth ages 14 to 18. The academy will be held June 23-27 daily from 8 AM to 4 PM. This is free to Orange County residents. Contact Investigator Becky Mardeusz for an application at 672-1200; email: bmardeusz@orangecountyva.gov, or Donna Lucas at 672-7219; email: duucas@orangecountyva.gov.

Packard Campus June Film Schedule Salutes the Old West

The Western has been a staple of American cinema since the Edison Studios first started making flickers in West Orange, New Jersey in the 1890s. The Packard Campus Theatre will take a look at the genre across the decades, ranging from “A” to “B” features. Screenings are free at the Packard Theater and are preceded by an informative slide presentation about the film, with music selected by the Library’s Recorded Sound Section. Short subjects will be presented before select programs and titles are subject to change without notice.

For information visit loc.gov/avconservation/theater/ Request ADA accommodations at least five business days in advance at 202-707-6362 or ADA@loc.gov

Thursday, June 5 (7:30 PM) - Range Busters Double Feature

The Range Busters was a lucrative film series of 24 Westerns on the adventures of a trio of cowboys, produced by George W. Weeks and distributed by Monogram Pictures.

**Saddle Mountain Roundup** (Monogram, 1941) - In this whodunit, the Range Busters commit themselves to solving the murder of an irascible rancher.

**Tonto Basin Outlaws** (Monogram, 1941) - Our heroes Ray “Crash” Corrigan, John “Dusty” King and Max “Alibi” Terhune try to uncover a gang of rustlers who’ve been terrorizing the countryside. Free.

Friday, June 6 (7:30 PM) - *Uksuum Cauyai: The Drums of Winter* (Documentary Educational Resources, 1989)

This award-winning ethnographic documentary looks into the suppression of indigenous drumming and dancing by missionaries and how the village of Emmonak managed to continue its traditions. Free.

Saturday, June 7 (7:30 PM) - *The Life and Times of Judge Roy Bean* (National General Pictures, 1973)

Paul Newman stars as Roy Bean, the legendary hanging judge of the Old West. Directed by John Huston, the film is a tongue-in-cheek take on the historic figure who acted as judge, jury, and executioner for most crimes committed west of the Pecos River in the late 1800s. Free.

Thursday, June 12 (7:30 PM) - *Monte Walsh* (National General, 1970)

Acclaimed cinematographer William A. Facher made his directorial debut with this melancholy Western about a down-and-out ranch hand who finds himself part of a dying west. Free.

Friday, June 13 (7:30 PM) - Western Double Feature

**Wagon Master** (RKO, 1950) and **Wagon Train** (RKO, 1940)

Saturday, June 14 (2 PM) - *The Sign of Zorro* (Disney, 1958)

Locust Grove made the news again last spring when a black bear visited our local homeowners on Eastover Parkway. Although bears are rare visitors to our area, residents are reminded that the bear population is growing, and bears are becoming an increasingly common sight across the Commonwealth, which in turn increases our chances of an exciting, but possibly dangerous, encounter. In addition, the Free Lance-Star noted recently that “bears are especially hungry this spring. They’re emerging from their dens scrawny than usual, having had too few acorns to feast upon last fall. And they are wandering into suburbia, drawn by the delicious scents of bird feeders and trash cans.” So what do we all need to know to live safely and harmoniously with our bear friends? The following information is provided by the Virginia Department of Game and Inland Fisheries to educate residents on how to protect themselves, their pets, and property from injury or damage often caused by bears.

Although black bears tend to be shy and usually avoid humans, they have a very strong sense of smell and are easily attracted to any potential food source in residential areas. Taking the following precautions in and around your home will help insure that any bear visiting our area will be “just passing through”...

1. **Secure Your Garbage:** Store all garbage indoors, in a shed, garage or other bear-proof container. If you must store it outdoors, a rag soaked in ammonia and placed in the garbage can may discourage repeat visitors.

2. **If You Have a Trash Curb Pick-Up Service:** Put your garbage out on the morning of pick-up—not the night before.

3. **Do Not Feed or Tether Pets Outdoors:** Feed pets only what they will eat in a single feeding, or feed them indoors. Remove the food bowl soon after pets finish. Pick up any uneaten food. Do not leave food out overnight. Pets themselves are just another food source for bears, so never tether your pet outdoors.

4. **Remove the Bird Feeder:** Bears consume seeds and nuts in the wild, so bird feeders are a favorite target for bears. If you find a bear at your bird feeder, let him eat his fill. After he has moved on, bring the feeders indoors for several days to discourage return visits. Then, put out small quantities of seed at more frequent intervals to reduce any attraction to a hungry bear. Also, do not store birdseed or any other animal food outside or in a screened porch.

5. **Keep the Outdoor Grill Clean:** Outdoor grills should be scrubbed free of any meat or grease residue after every use. If possible, store your grill inside the garage or shed. Many grills have gas cylinders, which could also create a very dangerous situation for both your home and the bear.

6. **Do Not Put Meat or Any Other Strong-smelling Food in the Compost Pile.** Seasoned composters know that meat, grease, and dairy foods do not belong in the compost pile. Compost piles are for rotting vegetation, which is not an attractive food source to bears.
