Life Saving Awards
Presented to LOW Individuals
Orange County Press Release

The Orange County Board of Supervisors presented Life Saving Awards to several county employees and to LOWA personnel during their April 12 meeting.

On January 23, 2016, the region was impacted by a record-breaking snow storm, dumping over 18 inches of snow across the county. During the storm, the County of Orange Fire & EMS and the Lake of the Woods Volunteer Fire & Rescue Department were dispatched for an individual who was experiencing cardiac arrest within Lake of the Woods. Because of the heavy snow and deteriorating road conditions, reaching the patient was extremely challenging. Members of the Lake of the Woods Volunteer Fire & Rescue Department, Lake of the Woods Security, and Lake of the Woods maintenance forces worked together to allow Fire & EMS personnel to gain access to the patient. They then provided advanced life support measures and restored the patient’s heartbeat.

While Fire & EMS staff were treating the patient, the Lake of the Woods Volunteer Fire & Rescue Department, Lake of the Woods maintenance forces, and members of Lake of the Woods Security worked together to clear the driveway and ensure the patient could be transported to the hospital. Without these efforts, this would have been a very different outcome for the patient, who was able to sit up in his hospital bed and talk the next morning.

The patient’s son-in-law, who is with Fairfax County Fire and Rescue, presented a challenge coin from the Fairfax County Fire and Rescue Training Division to all who assisted in saving his father’s life.

Orange County Administrator Bryan David commented “This incident is a perfect example of people working together to overcome extreme challenges to save a life.”
President’s Letter
by Louisa Rucker

Spring, O Spring, you’re here at last! The snow and cold are finally past...and is Lake of the Woods ever beautiful! Azaleas abound, while the woods are dappled with dogwood blossoms. Children cavort on the soccer fields like spring lambs in a pasture.

Other bright spots in the community include:
- A number of LOW Fire and Rescue, LOW Security, and LOWA Maintenance personnel were honored by Orange County for their successful efforts during the January blizzard to save the life of a snow bound resident in cardiac arrest.
- At its Annual District Meeting this month the LOW Garden Club was recognized with Regional, State, and District awards for outstanding work in Flower Shows, Landscaping, Cookbook Publication, National Garden Week Activities, and for their Newsletter, Yearbook, and Flower Shows. Congratulations, Ladies and Gentlemen, for your efforts to enhance life at LOW.
- The April 13 all day series of meetings with Architect Greg Lukmire and Pool Consultant Kevin Post were well attended by interested residents and volunteer members representing nine LOWA Committees. The two professionals listened intently and asked insightful questions regarding the needs of our community with regards to the Pool, Fitness Center, Outdoor Recreation Complex (PFCCORC) currently under investigation. In about a month, the consultants will return with two or more design proposals for PFCCORC members consideration. The whole process is in the early stages and the goal remains a collaborative effort which we hope will benefit all members.”

Warmly,

Louisa Rucker

3. REPORTS

3.1 Reports of Officers

President’s Report

President Rucker provided an update on progress being made by the Fareways working group, which is focusing on interior design ideas for furnishing the area which will complement the Pro Shop.

Treasurer’s Report: No report at this time.

Secretary’s Report: Secretary Cumming called attention to the Civic Club meeting to be held this evening, where County Administrator Bryan David will be speaking on future plans for fiber optic cable introduction to Orange County.

The Golf Referendum launched on April 11 has met with good response from members. About 1051 valid ballots have been returned to date. A meeting of the membership is scheduled for June 13 to either close or extend the Referendum period.

3.2 Report of General Manager

GM Phil Rodenberg reported that the Woods Center Reorganization Project is currently on schedule and on budget. All contracting work is expected to be completed by May 1 and ready for final paint and carpet installation. Funds are sufficient in the Replacement Reserve to pay for the carpeting, chairs and tables, and audio/video capabilities for the Fareways renovation.

Water on the Brain:
Top 7 Lakes Things on My Mind
by Phil Rodenberg

Inside today’s edition is the Amenities Edition insert with all the opportunities for fun and enjoyment this summer. Speaking of amenities, how about our greatest amenities: the Main Lake and Keatons Lake! Here are seven items on my mind as we approach summer boating season:

1. Lake Health: How are we doing? In August, it will be four years since LOWA received the Williamsburg Environmental Group (now Stantec Consulting) Report laying out the projects needed to stop sediment and pollutants and improve lake health. Today, the Main Lake and Keatons Lake (aka Fishing Lake) continue to exceed water quality standards for total nitrogen and total phosphorous. Still, Dr. Loretta Cummings, Ph.D., of Stantec sees progress. She spoke at the April 20 Board meeting and believes we are making good strides towards improving lake health with seven miles of reconstructed ditch lines complete, one stream restoration project complete (13th Fairway), one sediment/nutrient filter project being bid (Keatons Run/Eastover Park), and one sediment/nutrient filter project being designed (Flat Run Forebay).

2. No Wake Zones Protocol: Captains of motorized watercraft, please pay attention to those buoys, and throttle back before entering No Wake Zones. Otherwise you endanger people and property. “No Wake Speed” means the slowest possible speed required for maintaining or achieving steering and headway. Residents of the Turtle Cove area in the upstream portion of the Main Lake are particularly apprehensive because of violations last summer.

3. Decals Enforcement: Please buy ‘em and stick ‘em on your boats. If your boat, trailer, jet ski or other gear have been in another body of water, you may carry an invasive species such as Hydrilla or Zebra Mussel. Please thoroughly dry out or rinse off your boating equipment before entering the watershed of our lakes.

4. Marina Gas: Fill ‘er up at our newly reconstructed Gas Dock at the Main Marina! Ethanol-free gas is available for $2.66 a gallon (price subject to change) on weekends until Memorial Day, then every day after during the summer.

5. Quiet Times: Sunset to 7 AM is a cherished time for lakefront owners and non-motorized watercraft enthusiasts. Better to hear the sound of lapping water and songbirds than the high hum of motorized watercraft. Both lakes may be used 24 hours per day except that personal watercraft shall NOT be operated after sunset and before 7 AM. Also, from sunset to 7 AM the maximum allowable speed in the Wake Zone of the Lake shall be fifteen (15) mph. Please honor these regulations.

6. Invaders! If your boat, trailer, jet ski or other gear have been in another body of water, you may carry an invasive species such as Hydrilla or Zebra Mussel. Please thoroughly dry out or rinse off your boating equipment before entering the watershed of our lakes.

7. Boat Safety Test: Chair Jon Anderson of the Board of Examiners reports a 92.6 percent pass rate on the test. Check out LOWA.org/LakeLiving for more information on the Boat Operators Safety Examination.

Enjoy your time on the lakes!

the deed recorded at the Orange County Court on April 18, allowing LOWA to remove this property from the assessment delinquency list.

LOWA has had to delay installation of replacement wooden fencing along the back property line of homes in Section 14 due to a lack of clarity regarding the property line between the homeowners and the abutting commercial properties along Route 3. Administration will be working with the attorney to develop an easement agreement so the fencing work can proceed.

The GM is working with Environmental Resources Manager Bobby Jones and Security Chief Scott Walker to launch a pilot program to install five, 14-inch diameter buoys in the lake to improve location information during lake emergency events. The buoys come with reflective tape to accommodate boaters at night.

3.3 Committee Liaison Reports: No reports at this time.

3.4 Committee Reports

A. Board of Examiners

Chair Jon Anderson reported that the Board of Examiners (BOE) continues to offer both a Short Course/Test for those who have passed the VA Boater Safety Education course, and a Long Course/Test for those who have not. Statistically, 4538 individuals have taken the test, with a pass rate of 92.6%. Forty percent of the test-takers are guests. No issues have come to the attention of the BOE to indicate a need to update the course/test materials, which comply with the major revision of Regulation Section X adopted on July 16, 2014.

B. Ad Hoc Pool/Fitness Center/Outdoor Recreation Complex Committee.

Chair Cliff Wilks reported that the Committee has met several times to discuss plans. They held a Community meeting on April 13 and launched a short member survey by e-mail on April 18. This will be followed by another survey later on as ideas coalesce. They have met with the architects and a preliminary concept report should be available in 30-45 days. The Committee will be meeting again early in May to discuss the results of the first member survey.

C. Golf Committee

Chair Nancy King reported that currently the golf course logs about 20,000 rounds of golf per year, which is 5000 short of the average. The Committee is working to find ways to overcome the difficulty of the course. The greens are in great shape but more trees need to be removed to increase sunlight on the course. A 2014 Planning Survey showed members were in favor of opening the course to play by outsiders on a reservation-only basis. Golf Pro Rea Hargraves has implemented several new program initiatives to increase play. With the lowering of golf course membership fees, 23 new annual memberships have been received. The contract for maintenance of the golf course is up for rebid this year. Several bluebird houses have been installed along the course to create a “Bluebird Trail.”

4. PRESENTATIONS

4.1 Semi-Annual Report on Lakes Management Implementation Plan (LMIP)

Environmental Resources Manager Bobby Jones provided the Board with an update on the LMIP since the last report in October.

The dredging, roadside ditch reconstruction and education initiatives continue as planned. Water quality in both lakes continues to be monitored, although Keaton’s lake needed two algaecide treatments late last fall to continue as planned. Water quality in both lakes continues to be monitored, statistically on an ongoing basis.

The Farm Team starts May 4 at 4:30 PM; it is designed for beginner golfers. The first lesson is on putting. Contact Nancy and Stu King for more information at 972-0984 or sign up in the bathroom lounges in the Woods Center. Come out and learn the game with other new golfers!

For new golfers who are looking at playing 9 holes, consider PALS. It stands for Playing and Laughing and Learning. For more information, contact Janet Berge at 972-8112.

Something new… a Putting Challenge on May 13 between 4 PM and 4:45 PM. We will set up the golf course on the putting green. The three lowest scores win prizes. Cost is $5; come take the Putting Challenge! The LOWA Couples Event will follow the Putting Challenge. Sign up in the Pro Shop to play.

I look forward to seeing you on the course!

Fore! Wait, I’m not on the Golf Course

Golfing is a great sport and best played on the golf course—and lucky us, we have an 18-hole PGA course at the Lake. So why then would members be teeing off in Greensprings Park or at one’s home? The dangers are many and the cost of damages to your neighbor’s home or your neighbor are prevalent being that homes are close. Per LOWA Regulation IV. Individual Behavior, 5. No portion of any park or beach will be used for golfing practice or any other activity incompatible with its intended use. (10/2007).

I know, boring, but if you or your home takes a golf ball, it is costly for home repairs and devastating to the human body. Golf balls have been found in Greensprings Park and a few homes around the Park have been damaged by said balls. Members, if you see someone teeing off, please call Security at 972-2210, and take cover.

11   PALS, Back 9, 4 PM
12   Sr. League Match, LOWA vs. Fauquier Springs, 9 AM Shotgun
13   Putting Challenge, Putting Green, 4-4:45 PM
Friday Night Couples Event, 5 PM

The Woods Center reorganization is coming together. When you enter through the doors facing Fairway Drive, here’s how the redesigned Woods Center is lining up. (Clockwise from top right) The new bar is on the left past the Dogwood Room. The new hallway connecting the golf Pro Shop on the right and Fareways Café more directly in front of you. Also notice Fareways Café is now more open and the storage closet has been removed. In Fareways Café, the middle doors have been changed into a new window. And, lastly, a more convenient Pro Shop entry from the practice tee has been added (this used to be a window in the Golf Pro’s office.)

LOW Independence Day Festival
by Sylvia Zelinsky, Community Operations Manager

Fourth of July is approaching and we will celebrate on July 2 with a Parade, Festival, Water Ski Show, and we will end a great day with Fireworks! Would you like to have a part in the Lake of the Woods Independence Day celebration and make it a day to remember? I am talking about the festival activities at the Clubhouse Point from Noon until 4 PM.

You could have a booth as a fundraiser to help out your LOW club, organization or committee. We have the fireworks, music and rides on the way, but there are lots more to pick from such as Bake Sale, Face Painting, Cake Walk, Bingo and many other games you can organize for that day. How about all of our crafty people in Lake of the Woods? I know we have plenty of them! Would you like to come out that day and sell your homemade pieces of art? Great! I got you thinking about it…here are some of the details:

You can get a space for your booth at the festival for $30 to hold your activities and sell your goods. For availability on space, call the Community Center at 972-9680 or email to szelinsky@LOWA.org. I am looking forward to working with you on this special event.

The LOW Veterans are organizing the Parade. If you are interested in participating, please contact Larry Eiben at 972-1847 or email to corvette03@hotmail.com.

Tennis Social
by Miff Devens, Chair, Tennis Committee

The first Open Tennis Social for 2016 is planned for Saturday, May 14 (weather permitting). These socials are open to all. Tennis play starts at 9 AM and continues in a Round Robin, mixed-doubles format until 11 AM. Players switch partners at 25 minute intervals.

What’s next is some food and frivolity in the gazebo. This is true social tennis, so anyone can play; all it takes is $2 a person and bring a dish to share. Tennis balls are provided. There are six courts (two with soft surface). It’s easy to sign up, just call Connie or Miff at 412-5958. Come to Hollyfield Courts and meet some new people, or see some old friends. We’d love to have you join us.

LOW Fire & Rescue

Enjoy a Safe Evening with
Concerts on the Point
by Peter Williams, Clubhouse Committee

Friday, May 27 marks the return of our Concerts on the Point, which takes place on the fourth Friday evening of each summer month through August. These free concerts were introduced three years ago and have turned out to be extremely popular, attracting over 400 attendees at a time. The audiences are made up of all generations, from grandparents to children and all ages in between. The artists are sponsored by local businesses and perform all types of popular music.

These are casual events, with many bringing picnic dinners to enjoy while listening to the music. There is no bar service so folks bring their own beverages. Everyone cleans up when they leave, of course. In keeping with the casual mood of the concerts, you bring your own chairs and choose your spot for the evening. Many come with friends and neighbors and there are quite a few families too.

There are a couple of important caveats to remember and observe in the interest of everyone’s safety:

- If you bring small children, please keep an eye on them – it gets dark in the last hour or so and, if they wander off, it can easily happen that neither you nor they can find the other.
- Skateboards, Razors and similar items enjoyed by teens and younger children should not be brought to the Point. With so many people in attendance there is nowhere for them to be used without risking injuries to other people.
- Swimming in the lake at the beach during the concerts is strongly discouraged, for safety reasons. With the volume of the music over the speakers, cries for help from swimmers in difficulty will not be heard. And these swimmers might not be children – adults who might have had “one too many” can just as easily find themselves in a precarious predicament in the water.
- Please leave your pets at home. This type of event, with hundreds of people in a relatively small space (many of them sitting on blankets on the ground) is not conducive to pets. Not everyone is comfortable around pets, however small, even if they are on a leash.

If everyone follows these suggestions, unfortunate events and accidents (or worse!) can be avoided and the concerts will be enjoyed by all.

The Clubhouse Committee is delighted to host these concerts and is very grateful to the local businesses for their sponsorship of the artists. We look forward to seeing you on warm summer evenings enjoying music under the setting sun and stars on Clubhouse Point!
Honor Awards Committee Wants You!
by Karen Kovarik, Publicity Chairman, Honor Awards Committee

The Honor Awards Committee wants your nominations for volunteer awards. LOW is blessed with volunteers, and most serve without expectation of rewards, but a community pat on the back is most welcome. When considering deserving nominees, do think outside the box—that is think outside LOW as well as inside. Think ecology, health services, social services or other activities that enrich the lives of others.

Do you know someone who has contributed their ideas and time to make Lake of the Woods a better community? Has your favorite organization benefitted from the actions of someone in the group? Do you think it is time to recognize and thank someone at LOW for their service to Orange County? If you answered yes to any of these questions, then the Honor Awards Committee wants to hear from you. We are looking for those special people and we need your help.

The role of the Honor Awards Committee is to offer Lake of the Woods members and organizations a chance to bring public attention to LOW members and we need your help.

Committee wants to hear from you. We are looking for those special people who volunteer and contribute notably to our community and Orange County.

If your club or organization did not receive a form, or if you personally want to submit a nomination, the forms are available at LOWA.org on Administration, Forms, Honor Awards Nomination Forms. You can learn more about the categories by reading the forms. Sometimes the committee may place a nomination in a different category after submission in order to honor as many volunteers as possible.

The individuals selected for various honors will be recognized at the LOWA annual meeting on Labor Day weekend.

Submit your nominees in the following categories:

- **Warren J. Lodge Award for Excellence**: In recognition of outstanding service by an individual representing Lake of the Woods within Orange County.
- **Distinguished Service Award**: For accomplishments of highest significance to Lake of the Woods, which have major impact on the general welfare or meet a major need.
- **Outstanding Service Award**: For beneficial accomplishments or performance of duty beyond what is normally expected of volunteers.
- **Heroic Act Award**: For heroic or courageous acts in the protection of life and/or property.
- **Outstanding Youth Award**: For activity by someone 18 or younger that is a credit to the community and exceeds normal expectations.
- **Community Service Organization Group Award**: Recognizes the Lake of the Woods club that provides the greatest impact/service to Lake of the Woods and surrounding communities.
- **Certificate of Appreciation**: For service or accomplishments that benefit the community.

Fully completed forms must be submitted by June 30 to Karen Cakouros, Administration, Forms, Honor Awards Nomination Forms. You can learn more about the categories by reading the forms. Sometimes the committee may place a nomination in a different category after submission in order to honor as many volunteers as possible.

The Association has begun the process of transitioning our existing online visitor management system, CapSure, to a new platform called dwellingLIVE. This was precipitated for two primary reasons: Consolidation of CapSure’s parent company with that of dwellingLIVE and the need for a more robust and user-friendly online visitor management system.

A few items of note: (1) dwellingLIVE allows for passcode setup to verify a user requesting a guest to enter LOW. This is not required but the Association highly recommends this feature to ensure your account is safe and secure. (2) Long term guest information will not transfer to the new system. This information will need to be entered into dwellingLIVE once we are live with the system. (3) dwellingLIVE is driven by property, not user. This allows a property owner to setup and manage individuals authorized to use the system, including tenants.

We are in the early stages of transitioning all data from CapSure to dwellingLIVE (property and member information, spouses, tenants, etc.) We are currently looking at a June release date. Look for more details on beta testing and a release timeline in the upcoming May 13 issue of Lake Currents.

Pool Rules Review
by Sharon Forest, Pools Committee

Before the pools open on May 28, let’s review the Pool Rules and Lap Swim Guidelines for the coming pool season.

**Pool Rules:** There have been no changes to the rules since they were revised last year. However, if you are new to Lake of the Woods or just need to refresh your memory, the pool rules are located on the LOWA website, LOWA.org. After you have logged in, go to the Administration tab and select Governing Documents. Choose the Rules and Regulations link, and scroll through pages 73-75.

**Lap Swim Guidelines:** The Lap Swim Guidelines have been revised and simplified since last year and are published here for your review. The 15-minute lap swim occurs at the end of each hour. During this time, only lap swimmers will be allowed in the pool.

**Pool Guests:** Just a gentle reminder: A maximum of 10 guests per household is allowed, and guests must be accompanied by the member/registered tenant. This may be further limited during times of peak pool usage.

If you would like to bring more than 10 guests, you will need to contact the pool prior to arriving. For a private pool party, please contact the Community Center at 972-9680 at least three weeks in advance of the event. Private parties are held at Sweetbriar Pool after hours and are charged separately.

---

**Lap Swim Guidelines Revised 2016**

Lap swimmers range in their abilities and fitness levels from beginners to serious competitive swimmers. Please follow these guidelines to make aquatic workouts safe and pleasurable for all.

**REMINDER:** The permanent lap lane at each pool is reserved for lap swimmers whenever the pool is open.

**During the 15-minute lap swim:**
- The entire pool will be used for lap swimming.
- Lane 1 is reserved for aquatic walking/jogging.
- Enter the lap swimming lane at the shallow end only.
- Use the black lines on the bottom of the pool as lane guides.
- Be prepared to share lanes.
- Do not occupy the pool for socializing.
- Swimmers already in the lane always have the right of way.
- Swim with people of similar ability.
- If you are resting or waiting at the end of the lane, move out of the way to allow other swimmers full use of the wall for turning.
- Exit the pool after your workout.
- Be cautious, courteous and respect other people’s efforts.

Childhelp Day of Hope Luncheon
by Laura Fitch, Volunteer, Childhelp Auxiliary

By all accounts our annual Day of Hope Luncheon at Fawn Lake Country Club April 6 was an outstanding success. We exceeded past attendance in new guests and in total members, Day of Hope Chair Nancy Horch reported. Lunch was delicious and the presentation by Village Staff Occupational Therapist Janene Phillips and Nutritionist Nancy Lynn was fascinating. Even our members who volunteer at the Village weekly were astonished to learn the details of therapy and resources available to the children. Janene presented slides of the therapy room and activities which challenge the children to improve motor skills, as well as helping with emotional and intellectual development. Janene, along with Nancy, explained the challenge, too, for children with eating disorders which may actually stem from jaw and tongue disability, preventing adequate chewing of food.

The month of May will prove to be a busy and entertaining month for the Village children, according to Special Events Chair Karen Kovarik. On Thursday, May 5 at 1 PM, Roger Day, a musical artist will inspire and entertain the staff and volunteers as well as the children. His “I like Yaks” went to #1 on Sirius XM’s Kids Place Live. His award winning “Why Does Gray Matter?” brings “the brain” theme to kids in rock manner. Another program coming up on May 13 at 6 PM is Adwela Davis, an exciting 6-piece reggae group. This diverse group, Virginians and Jamaicans, came together for the love of music, which they love to share.

Judy Swarthout has scheduled an afternoon of wrapping for upcoming Village children’s birthdays. Mark your calendars for Tuesday, May 10 at 2 PM. Please call Judy at 972-5666 or sign up at our next meeting May 4 if you want to participate as she and fellow member Jackie Burden set up stations for wrapping. You may remember that the birthday backpacks initiative is a favorite among the children. When the Village celebrates each child’s birthday with usual birthday fanfare, our backpacks, filled with special age-appropriate gifts, individually wrapped, are very much appreciated. We’ve been told these children, some who have not had a birthday party before, “die” into their backpacks. We thank our supporters, here at the Lake and beyond, who, through their generosity, allow us to bring this joy to the children.

You may join us at our regular monthly meeting on the first Wednesday of each month at Lake of the Woods Church at 10 AM. Arrive early for coffee/tea and conversation. Or contact our Membership Chair Jill Humphries at janjinia@aol.com or 972-1179.

Stage Alive! Music Scholarship
by Peter Williams, President, Stage Alive! CCA

The officer and directors of Stage Alive! Community Concert Association announce that the winner of their academic Music Scholarship for 2016 is Michaela Paxton, a senior at Orange County High School. The scholarship is worth $1,000. Michaela lives in Lake of the Woods and has studied the oboe for 4 years. She will attend Kent State University, Ohio in the Fall to pursue her musical studies at the tertiary level with a view to following a career in music and musical education. She has already displayed a very high talent for the oboe and has been recognized by Orange County High School for her skill and leadership in her high school musical career.

The Stage Alive! Community Concert Association was established 46 years ago in Culpeper and now draws its audiences from the counties of Culpeper, Fauquier, Louisa, Madison, Orange, Rappahannock and Spotsylvania. Applications for the scholarship are solicited from the high schools in all seven counties.
LGA News
by Karen Woods, Publicity, Ladies Golf Association

The LGA held its Opening Day Scramble on April 14. The day started with light rain but it didn’t stop our 27 determined golfers from having a great time. Special thanks to Loretta Yurkus, 18-Hole Tournament Chair, for arranging the foursomes and getting us started on time.

Congratulations to the winning teams:
1st Place: Karen Woods, Pat Shrader, Ellen Bearden, 81
2nd Place: JeAnne Woodward, Sharon Camnical, Lisa Halpin, Gladys Southern, 82
3rd Place: JoAnn Roth, Lori Barnes, Betty Gosnell, Nancy Horch, 83

Farm Team starts May 4
If you are a new golfer or looking to practice and improve your game, join our Farm Team. It’s a great way to meet other golfers and learn more about the game. Sessions are fun, relaxed, and supportive. Contact Nancy King at nanjking@aol.com or 972-0984 for more information. To join the Farm Team, you must become a member of the LGA for a fee of $25, and for each session you pay the applicable course fees. Farm Team starts on Wednesday May 4, and will continue to meet on the first and third Wednesdays of each month through September.

Spring Tournament
The Annual LOW LGA Spring Tournament will take place over three Tuesdays, May 10, 17 and 24. This is an individual stroke play tournament. Winners are selected on the best two scores of the three matches. You can participate even if you miss a round. The entry fee is $2 and the tournament is run in conjunction with our regular Tuesday games.

May Tee Time. Our Tee Time in May is 8:30 AM with check-in time at 8 AM. First Tuesdays The Wilderness Food Bank is looking for donations of non-perishable food items. Dottie and Jim Lohr bring their van to the Woods Center parking lot on the first Tuesday of each month during the golf season to collect donations. Monetary donations, as well as food, are appreciated.

20th Annual Children’s Fishing Tournament
by Terry Hileman, Chairman, Children’s Fishing Tournament

Gather your fishing gear and bait buckets for the Lake Youth Foundation’s 20th Annual Children’s Fishing Tournament which will be held on Saturday, May 14 from 9 AM to 11 AM. The event will be held at the front entrance pond for children ages 5 to 14 years old.

Registration ends on May 11. There is limited space available so please register early. You can register online at https://www.eventbrite.com/e/20th-annual-childrens-fishing-tournament-registration-24304822378. You can also register at lakeyouth.org or on the Lake Youth Foundation’s Facebook page. There will be no registrations taken on the day of the tournament.

Check-in on the day of the tournament will begin at 8 AM. The actual fishing tournament will start at 9 am and end at 11 AM. Lunch will be served immediately following the tournament for the children and their families that participate in the event. The awards ceremony will start at noon.

The tournament rules and regulations can be viewed at lakeyouth.org. If your child needs a rod & reel to participate or if you have any questions, please contact Terry Hileman by phone at 972-9634 or by email at info@lakeyouth.org.

A Breath of Fresh Air with Dr. Sharmili Mathur
by Charlotte Baker, Publicity, AARP Chapter 5239

A springtime pleasure: Deep breaths of fragrant flowers, dewy mornings, and the best our landscapes provide us. A joy, except to those people who are developing problems with asthma, sleep apnea, COPD, bronchitis, and other lung-related conditions. Pulmonary specialist Dr. Sharmili Mathur will be discussing lung problems and treatments at the May 16 AARP meeting. We welcome her assistance in understanding this vital aspect of enjoying life at the lake. AARP members and visitors are invited to come to the Clubhouse on Monday, May 16, at 9:30 AM for coffee and sweets. Take this opportunity to be with old friends and make new ones, and see what gems the silent auction has for you. The meeting begins at 10 AM. And don’t forget to go to the website at AARPS239.org to see issues of the chapter newsletter, Perspectives, plus additional information about travels and events being planned for 2016 and photos of previous activities.

Open Season for the Barracudas
by Megan Harlan, Barracudas Board Member

As the flowers begin to bloom around us, the Lake of the Woods Barracudas are gearing up for the 2016 summer season of swimming. Please join us Wednesday, May 4 at 7 PM in the Clubhouse Lower Level to register for the Barracudas Swim Team. Children and grandchildren of Lake of the Woods residents between the ages of 5 and 18 are eligible to join us for a summer of fun in the sun. Come and meet new friends, get plenty of exercise and compete against other teams across the region.

Registration will begin with a short introduction of the Barracudas Board Members as well as words from our long-time Head Coach, Sheila Wimble and her newest Assistant Coach, Tanner Kelson. Parents will learn all the important ways that you can be a part of the team, as well.

Please note these important dates for registration and practice: May 4, at 7 PM – Registration begins at the Clubhouse Lower Level. June 13 – Morning practice begins. Last day to register for the team. If you are unable to attend our pre-registration event, please contact the team via our website at lowswim.org for information on how to submit your registration.

Stage Alive Season Ends with a Smash!
by Karen Kovarik, Subscription Chairman

The Young Irelanders completed our 46th season in style. From Irish dancing to lyrical vocals to fast-paced instrumental pieces the young musicians exploded with energy as well as talent. Now we turn to our 47th season and it, too, starts with a multi-talented group, the Richmond Symphony, making their sixth appearance. I’m sure we are the only Community Concert Association able to make such a claim, and we must thank the Virginia Fine Arts Commission for making it possible.

In October it is our pleasure to present an international artist, Alina Kriyayeava, A native of the Ukraine, Alina reports that as a youngster she was inspired by a Tom & Jerry cartoon in which Tom, a concert pianist, played a Paganini rhapsody. She is an award-winning classical pianist who will play an evening of light classical music.

In November it will be the Next Generation Leahy. A family show, the Leahys represent a third generation of musical talent. The parents and their six children play a variety of musical instruments including the fiddle, cello, piano and French accordion. Did you know accordions have nationalities? The family also sings and performs French-Canadian step dancing.

The second half of the season begins in February with Portrait of America with George Bugatti, an American singer/pianist and songwriter. He has enjoyed numerous television appearances and will entertain you with pop standards from the 50, 60s and 70s. He has performed on several occasions with the legendary Tony Bennett, who says that George “is one of my favorites.”

In March Jim Witter’s “I Write the Songs” offers a tribute to Barry Manilow. Jim and his band recreate these classic, iconic songs in their full Manilow splendor featuring a multimedia presentation.

The season concludes in April with Tenore, three young American tenors, yes, American, who promise a powerful concert experience offering powerhouse vocals, rock star charisma and an opportunity to sing along!

Stage Alive! the Community Concert Association, offers all six performances for $55 (single adult admission) if you take advantage of the Early Bird Special, which ends June 1.

You may preview the performers on line at www.stagealive.org. Finally, you may subscribe online using a credit card.

Lioness Golf Tournament

LOW Resident Receives Youth Advocacy Award
by Dick Gullickson, Member, The LOW Church

Pastor Adam Colson of the Lake of the Woods Church and two Orange County students were honored with Garvis Huff Youth Awards for community service, leadership, and courage at a ceremony at Orange County High School on March 15. The awards were named in honor of original Youth Commission member and youth advocate Garvis Huff. These awards were presented by the OC Youth Commission to one youth advocate (Pastor Colson), one student in the sixth to eighth grade (Malia Staples), and one student in the ninth through twelfth grade (Nadia Anderson).

Colson was selected for his work with Orange County Social Services and the Orange County School System to help fill the needs of children and families in need of food, repairs to their home, and other financial support.

His nomination states that “Pastor Colson demonstrates a commitment to improving the lives of children, youth, and their families in Orange. He has inspired and encouraged others to be involved and the impact that he has made will continue to grow and influence others for many years to come.”

Staples, an eighth grader at Locust Grove Middle School from Somerset Farms, was selected for her courage, compassion, service, and leadership as a Girl Scout, president of the Locust Grove Chapter of the National Junior Honor Society, and participation in the all-girls robotic team.

Anderson, a sophomore at Orange County High School from Barboursville, teaches kindergarten and first-grade Sunday school, and volunteers with the Pregnancy Centers of Orange and the Special Olympics.

Did You Say COOKIES?!
by Lana Marr, Girl Scout Troop 804

Girl Scouts of the Virginia Skyline Council have found themselves with a whole lot of extra cookies this year. You would think that would be a good thing (Yay! Lots of cookies!). Unfortunately it has left them in a $200K hole. This will affect our local girls in the form of less programming and events for them to participate in.

I know you have already bought cookies, but if you have any space in your freezer to enjoy your favorite cookie year-round or you just want another box of thin mints to eat cold on a hot summer day by the beach, please give me or your local girl scout a ring and order a few more boxes. They are also a great little thank for your clients or employees. We have Thanks a Lots, Lemonades, Shortbread, Thin Mints, Peanut Butter Patties, Carmel Delites, Peanut Butter Sandwich and Gluten Free Chocolate Chip Cookies. Every box sold helps our council and our girls. Many thanks to the Lake of the Woods community for your continued support of Girl Scouts. For questions or to order, please call Lana Marr at 703-795-8588.

LOW Realtors’ Open House May 15
by Pat Licata, Kathy Merritt, and Brenda Rogers, Open House Coordinators

The LOW Realtors’ Spring Open House will be Sunday, May 15 from noon to 4 PM. This popular event gives potential homebuyers an opportunity to tour houses in all price ranges. If you know of someone who would enjoy living in an active, recreational community, be sure to invite them to the open house. Members are always the best referral. Clubhouse committee volunteers will be in the Presidents’ Room to welcome visitors and answer questions. Flyers with descriptions of all houses on the tour are on “the wall”. Visitors will receive a map with a list of each house, selling price and location. Look for traditional “for sale” signs in yards that day to help identify houses.

If you plan to sell your home, consider participating in the open house. You may list with a Realtor or by owner. For more information email: drogers73@msn.com or call 972-8117. Visitors should inform security they are here for the Open House then proceed to the Clubhouse. Come early and enjoy the wonderful Clubhouse brunch, pick up a map and highlight the houses you wish to tour, then you will be all set to go at noon. Enjoy!

Build Your Own Terrarium
by Karen Kovarik, Publicity Chairman, LOW Garden Club

Our May 9 meeting will provide an opportunity to explore your talents as a miniature gardener. Program Chairman Gaylen Smoak has a special challenge for you: build your own terrarium. Gaylen will provide the building/planting materials, but you must provide your own dish, minimum of six inches. As always, we meet in the Clubhouse Great Hall at 1 PM with light refreshments and fellowship after the meeting.

SARWC Welcomes
Susan Allen and Randy James
by Marge Eales, President,
Susan Allen Republican Women’s Club

The SARWC meeting is scheduled for Wednesday, May 18 at 11:30 AM in the Clubhouse. I am delighted that Susan Allen, former First Lady of VA, will be visiting us. An ardent supporter of candidates and issues that have grown the Republican base for many years, Susan is a known surrogate speaker and activist throughout the Commonwealth. She served as Virginia’s First Lady from 1994 to 1998 and was known for initiatives such as the “First Lady’s Breast Cancer Awareness Initiative”, “Celebrate Virginia” and later “To know Virginia” to highlight tourism as the Commonwealth’s #2 industry.

Among the ways she has contributed to the strength of conservative causes:
- Co-founder of the Jennifer Byler Institute to teach leadership and campaign skills to women throughout Virginia
- Advisory Council member to Next Gen aimed at engaging younger Republicans
- Former Chairman of Republicans Women’s Federal Forum (600 members from VA, DC, MD & DE) and current council member
- Speaker at VFRW and NFRW conventions
- Speaker at GOP events in Virginia and other states
- Co-chair Women for Obenshain, Gillespie
- Appearances on Fox, local tv, radio and print media
- Also involved in many charitable causes

Married to George Allen in 1986, she has three beautiful children daughters Tyler and Brook and son, Forrest. Currently lives on the banks of the Potomac River next to Mt. Vernon.

The SARWC also welcomes Randy James, founder of the Paul Stefan Home. After much success taking care of homeless, pregnant girls and their babies, Randy is proud to announce the opening of Phase I of the Regional Maternity Housing and Educational Center here in Orange County. Please come to hear him speak about the exciting accomplishments of the Paul Stefan Home. We are having a paper shower so please bring diapers (all sizes), wipes, etc. Donations are also appreciated.

The menu is: salad/bread; Tuscan Chicken; mashed potatoes; honey glazed carrots, dessert and beverages. A cash bar will be available. Please RSVP to Toni Ruther at 972-0295 by May 14. Make your check payable to SARWC in the amount of $21 and mail to SARWC, P.O. Box 803, Locust Grove, VA 22508. ( Honor System: please send a check if you make a reservation and do not attend.)

The LOW Garden Club celebrates Arbor Day each year by planting a tree or bush. This year many of the LOW Garden Club members, along with Rod Ahlfield of LOWA Grounds (far right) and Garden Club friends helped plant the Witch Hazel tree in the Clubhouse garden.

**Garden Club Dedicates Tree for Arbor Day**

by Karen Kovarik, Publicity Chairman

The LOW Garden Club celebrated Arbor Day by planting a Witch Hazel in the Clubhouse Garden. The tree was chosen because it blooms in February, providing color during the winter months.

LOW Garden Club President Dan Greene, presiding over the April 11 ceremony, quoted J. Sterling Morton: “Other holidays repose upon the past; Arbor Day proposes for the future.”

The club thanked Gaylen Smoak for her research and the proposal of putting in a Witch Hazel, and Rod Ahlfield of the LOWA Maintenance Department for preparing the site and planting the tree. Greene concluded his remarks with an observation by Albert Schweitzer: “There is always something to make you wonder in the shape of a tree.”

We hope LOWA members will enjoy the new tree planted in the garden in front of the Clubhouse.

**LOWLINC Members Enjoy Concerts**

by Carolyn Rourke, LOWLINC Communications

LOWLINC members enjoyed social outings in the warming days of April that took them to Culpeper for a Stage Alive performance and close to home at Lake of the Woods Church for a Making Joyful Noise concert.

On April 14, LOWLINC volunteers escorted members to the popular Stage Alive show in Culpeper to see a performance by The Young Irishers. The dynamic eight-member troupe performed traditional Irish music, showcased their talents on the harp, fiddle, and button accordion, and demonstrated the unique Irish dance known as step-dancing. There was lots of toe-tapping and humming along, reported the LOWLINC volunteer.

The following Saturday LOWLINC volunteers went with several members to the Making Joyful Noise concert sponsored by Lake of the Woods Church. Back by popular demand from last year were LOW residents Tom Northam and Sherri Lahay Lasover, performing as The Second Time Around. Their eclectic renditions of songs from swing to pop to country had the capacity crowd roaring its approval. Special guest Bill Feterle performed to loud applause during intermission. LOW residents Irene Robinson and Charlie Bocook accompanied on the piano and drums.

The outings were arranged by the LOWLINC Social Committee, which is co-chaired by Maureen Callahan and Emily Slunt. The committee is responsible for planning and scheduling activities for LOWLINC members who are interested in getting out and around. Maureen says, “Our goal is to make it as easy as possible for LOWLINC members to enjoy activities that will enrich their lives and add fun and social engagement to their daily schedules.”

Maureen reports on the committee’s plans that focus on activities being offered at LOW and the surrounding area. This will include events sponsored by local churches and civic organizations, including concerts, fairs and craft shows. We are planning outings to the free movies offered at the Library of Congress Mount Pony Theater. We also are fortunate to have many existing interest groups and activities at the Lake, and we will make it possible for LOWLINC members to participate in these as well as in LOWLINC-organized events such as member coffees and social gatherings.”

For information on becoming a LOWLINC member, call us at 855-LOWLINC (569-5462) or visit our website at lowlinc.org.

**Freitas to Address Civic Club**

by Pat Licata, President, Civic Club

Nick Freitas, our Virginia State Delegate, will be the featured speaker at the Wednesday, May 11, Civic Club meeting. The meeting will begin at 7 PM in the lower level of the Clubhouse.

Delegate Freitas represents the 30th District and serves on the Science & Technology Committee and the House Finance Committee. The 30th District is comprised of Orange County, Madison County, and the southern half of Culpeper County. He ran unopposed in both the primary and general elections following the retirement of Ed Scott.

Freitas moved to Culpeper County in 2010 after leaving military service. He served in the US Army from 1998 to 2009, and is an Iraq War veteran. Originally from Chico, California, Freitas was graduated from Henley-Putnam University. He and his wife Tina are the proud parents of three children, Lillyana, Luke and Alexandria. Both Nick and Tina have worked on behalf of the Republican Party since high school.

There will be plenty of time for questions at the conclusion of the program. Please join us on Wednesday, May 11. We look forward to seeing you there!
Battle of the Wilderness Golf Tourney
by Jack Phend, CWSGI, Tournament Chairman

The Civil War Study Group, Inc. (CWSGI) is hosting its sixth annual Battle of the Wilderness Memorial Golf Tournament at Lake of the Woods Golf Course Friday, May 27. Sign in starts at noon and the shotgun start is at 1 PM. Jack Phend, tournament chairman, said funds from player registrations and tournament sponsorships will be used to support CWSGI’s ongoing projects that bring attention to the May 1864 Battle of the Wilderness fought in and around Lake of the Woods. Funds from previous tournaments were used to install a Civil War-artifacts display cabinet in the LOWA Clubhouse, three battle interpretive panels, two granite markers for historical cemeteries inside LOW, and a memorial honoring soldiers who died and remain buried on the battlefield.

The tournament format will be Two-Person Scramble Match Play, with each foursome consisting of two Confederate team members and two Union team members. The team that wins a hole gets one point. At the end of the event, the total points of all holes played determine whether the Confederate or Union side wins the tournament.

Prizes and gifts will be given away and raffles held at an after-party following the tournament. Included are free rounds of golf at Lake of the Woods Golf Course and Rapidan Golf Course, $100 gift certificates from Ace Hardware and Walmart, and a variety of wines from Old House Vineyards, Wilderness Vineyards, and Rogers Ford Farms Vineyards. A replica of General Stonewall Jackson’s sword will be awarded for a hole-in-one.

Player fees are $50 per person, with $25 of that amount being a tax-deductible donation to CWSGI, which is a 501(c)(3) non-profit corporation. Greens and cart fees and a complimentary beverage are included.

To register to play, download a form at civilwarstudygroup.org or contact Jack Phend at 540-412-9952 or email him at jackphend@gmail.com. The registration deadline is May 15.

Veterans Independence Day Parade
by Larry Eiben, LOW Veterans Club

The Lake of the Woods Veterans Independence Day Parade will be held July 2. This is a special day because there is some history related to this date. Did you know that many Americans believe we should celebrate Independence Day on July 2? The reasoning behind their beliefs was because on July 2, the Continental Congress voted in favor of independence. However, it was two days later when its delegates adopted the Declaration of Independence drafted by Thomas Jefferson. For this reason, from 1776 until the present day, July 4 has been celebrated as the birth of American independence with festivities ranging from parades, concerts, and family gatherings. The LOW Veterans invite all clubs and businesses to participate in the celebration of Independence Day. Please contact Larry Eiben, 540-972-1847 or larryeiben@gmail.com for more information. I would like to thank the businesses that have provided financial support for our event (Mama’s Restaurant, Car Doctor, Getty & Associates, Locust Grove Vet Clinic and LOW Fun Bowling League). Don’t delay – give us a call and sign up to provide the community with an exceptional day of celebration.

May Events for SOLOs
by Judy Ayers, SOLOs Member

Flowers everywhere! This is the prettiest time of year at LOW. It’s also time to get up off the couch you’ve been on all winter and join the SOLOs for supper at a local restaurant, if you’re single, that is. Most of us are retired and enjoy a meal with like-minded people. Look at our schedule for May and come join us.

Wed., May 4: Bravo! at the Village behind Spotsylvania Towne Center. Meet in the LLCH parking lot by 5:15 PM to carpool. RSVP to Bob by noon at 972-9971 or email lernerbob@iol.com.

Wed., May 11: Bella J Cucina in the glass building near True Value just east of our front gate. RSVP to Bob by noon that day and see you there at 5:15 PM.

Wed., May 18: Tim’s Restaurant at Lake Anna. RSVP to Bob by noon that day and meet to carpool no later than 5:15 PM.

Wed., May 25: The Clubhouse. We may try to eat on the deck if weather permits. Bring sunglasses! RSVP to Bob by noon. See you there at 5:15 PM.

Electronic Items Collection Event
The East Orange Ruritan Club, in partnership with the Orange County Litter Control Committee and Goodwill Industries, will offer an electronic items collection event on Saturday, May 14, from 8 AM to noon. Clean clothing and shoes in good condition will also be collected.

The East Orange Ruritan Club is located at 24124 Constitution Highway, Unionville, Virginia 22567.

For more information, please call Gene Ernst at 540-854-4214.

Orange County Supervisor’s Letter
by Lee Frame, District 5 Supervisor

Recently the Supervisors were briefed by representatives from Stream Sweepers, a jobs corps program which hires and trains young adults to complete ecological assessments of Virginia’s rivers and rid them of trash. This summer they will be cleaning portions of the Hughes River. They cleaned the Rapidan River in past seasons and will continue to maintain the Rapidan as trash continues to accumulate there. Last year in cleaning the Rapidan, they removed 300 tires including a 2,100 pound dump truck tire. Virginia Dominion Power, which financially supports Stream Sweepers, provided the heavy lifting equipment to remove the dump truck tire from the river. In the Robinson River, a 4,000 gallon fuel tank was removed. Stream Sweepers is a 501(c)(3) charitable organization and can always use support. You can learn more about the public service of Stream Sweepers by visiting their website at streamsweepers.org.

At a recent Supervisor’s meeting, I had the privilege of presenting 17 lifesaving award certificates to members of Orange County staff, LOW Fire & Rescue volunteers and LOWA security and maintenance personnel. These individuals exhibited superb teamwork to save the life of a LOW resident who experienced cardiac arrest during the night of the severe snowstorm in January. The patient, who was revived and survived, was present at the awards ceremony to personally thank the people who were involved in saving his life. A critical element to the man’s survival was the cardio pulmonary resuscitation (CPR) provided by his wife until the arrival of emergency medical personnel. This incident reinforces the importance of widespread CPR training, since the time for emergency medical personnel to arrive on scene even in the best of cases will usually not be sufficient to prevent loss of life if people already on the scene do not initiate CPR.

The Orange County Economic Development Authority recently adopted a five-year Strategic Plan, outlining goals and strategies. You can access this plan by going to the county’s website and looking at the press release under the County News section. There is some statistical and other information about Orange County presented in this plan that you might find interesting. For instance, the top three industries with the most employment are retail with 950 employed, manufacturing with 900, and agriculture with 825. The Lake of the Woods Association is among the top ten employers in the county. Median household income is $60,287 as compared to $63,907 in Virginia and $53,046 nationally. The homeownership rate is 75.9 percent in the county as compared to 67.3 percent in Virginia and 63.7 percent nationally. The crime rate in terms of percentage of people affected is 0.93 percent in Orange County as compared to 2.12 percent in Virginia and 2.96 percent nationally. There are a number of other economic and social statistics described in this plan. The plan identifies the industries being targeted to strengthen and broaden the economic base for the county and the specific actions to recruit those industries.
